Subject: Lazarus Park proposal

Want to add my vote/support/approval of having the Lazarus Park happening! Stan was a wonderful man and a huge asset to Middlebury and the area.

Thank you.

Subject: Lazarus Park Proposal

Hi, Kathleen and Middlebury Select Board,

We write to endorse the proposal to name the downtown park for Stan Lazarus and his family.

We came to Middlebury in 1973 and by 1975 we had two young sons to support (and dress). We remember visiting Lazarus' store and seeing Stan bending over them and helping to fit shoes, boots, and snow pants. He was always kind, gentle, and patient. He was dedicated to families and to children.

We also knew that there were children in our community whose families could not afford to buy clothes. There were rumors, true we are quite sure, that Stan give generous assistance in those situations. He was a wonderful neighbor and citizen for so many years!

Sincerely,
John & Amy Emerson

Subject: Naming the park

Kathleen, I do not support naming our parks after any person or family. It is the Town of Middlebury that own our parks! My 2 cents worth ☺Thank you.

Subject: Lazarus Park

Please add my name to those who support naming the park for the Lazarus Family. My husband spent quite a bit of effort fundraising for different community events. Stan was always there with a check- sometimes before Carl asked. Peggy Peabody

Subject: Lazarus Park

Dear Kathleen,

Please give the Middlebury Select Board this public comment on naming the future downtown Middlebury park for Stan Lazarus and the Lazarus family.

I first met Stan and Gene Lazarus after moving to Middlebury in 1972. While they were already active in municipal affairs, I soon became aware of their quiet but practical help for individuals in our community in need of jobs and clothing. Their acts of kindness also benefitted students from the Weeks School. I think this proposal would be highly fitting to honor the Lazarus family for their community service, both public and personal.

Cordially yours,

David Rosenberg
