- DATE: February 18, 2019

# Preliminary Plan Request

The applicant, Merrick & Company, is requesting preliminary subdivision approval for property located off Brief Road. The site consists of 114.49 acres. The site plan indicates 68 lots.

# Staff Analysis

Lots are to be served with public water and septic. The Unified Development Ordinance requires a minimum 30,000 square foot lot size. The minimum setbacks are 60 ft front, 30 ft side street (corner lots), 20 ft side yard, and a 40 ft rear yard. Each lot shall have 70 ft of road frontage. The minimum lot width is 130 ft, measured at the minimum front setback line.

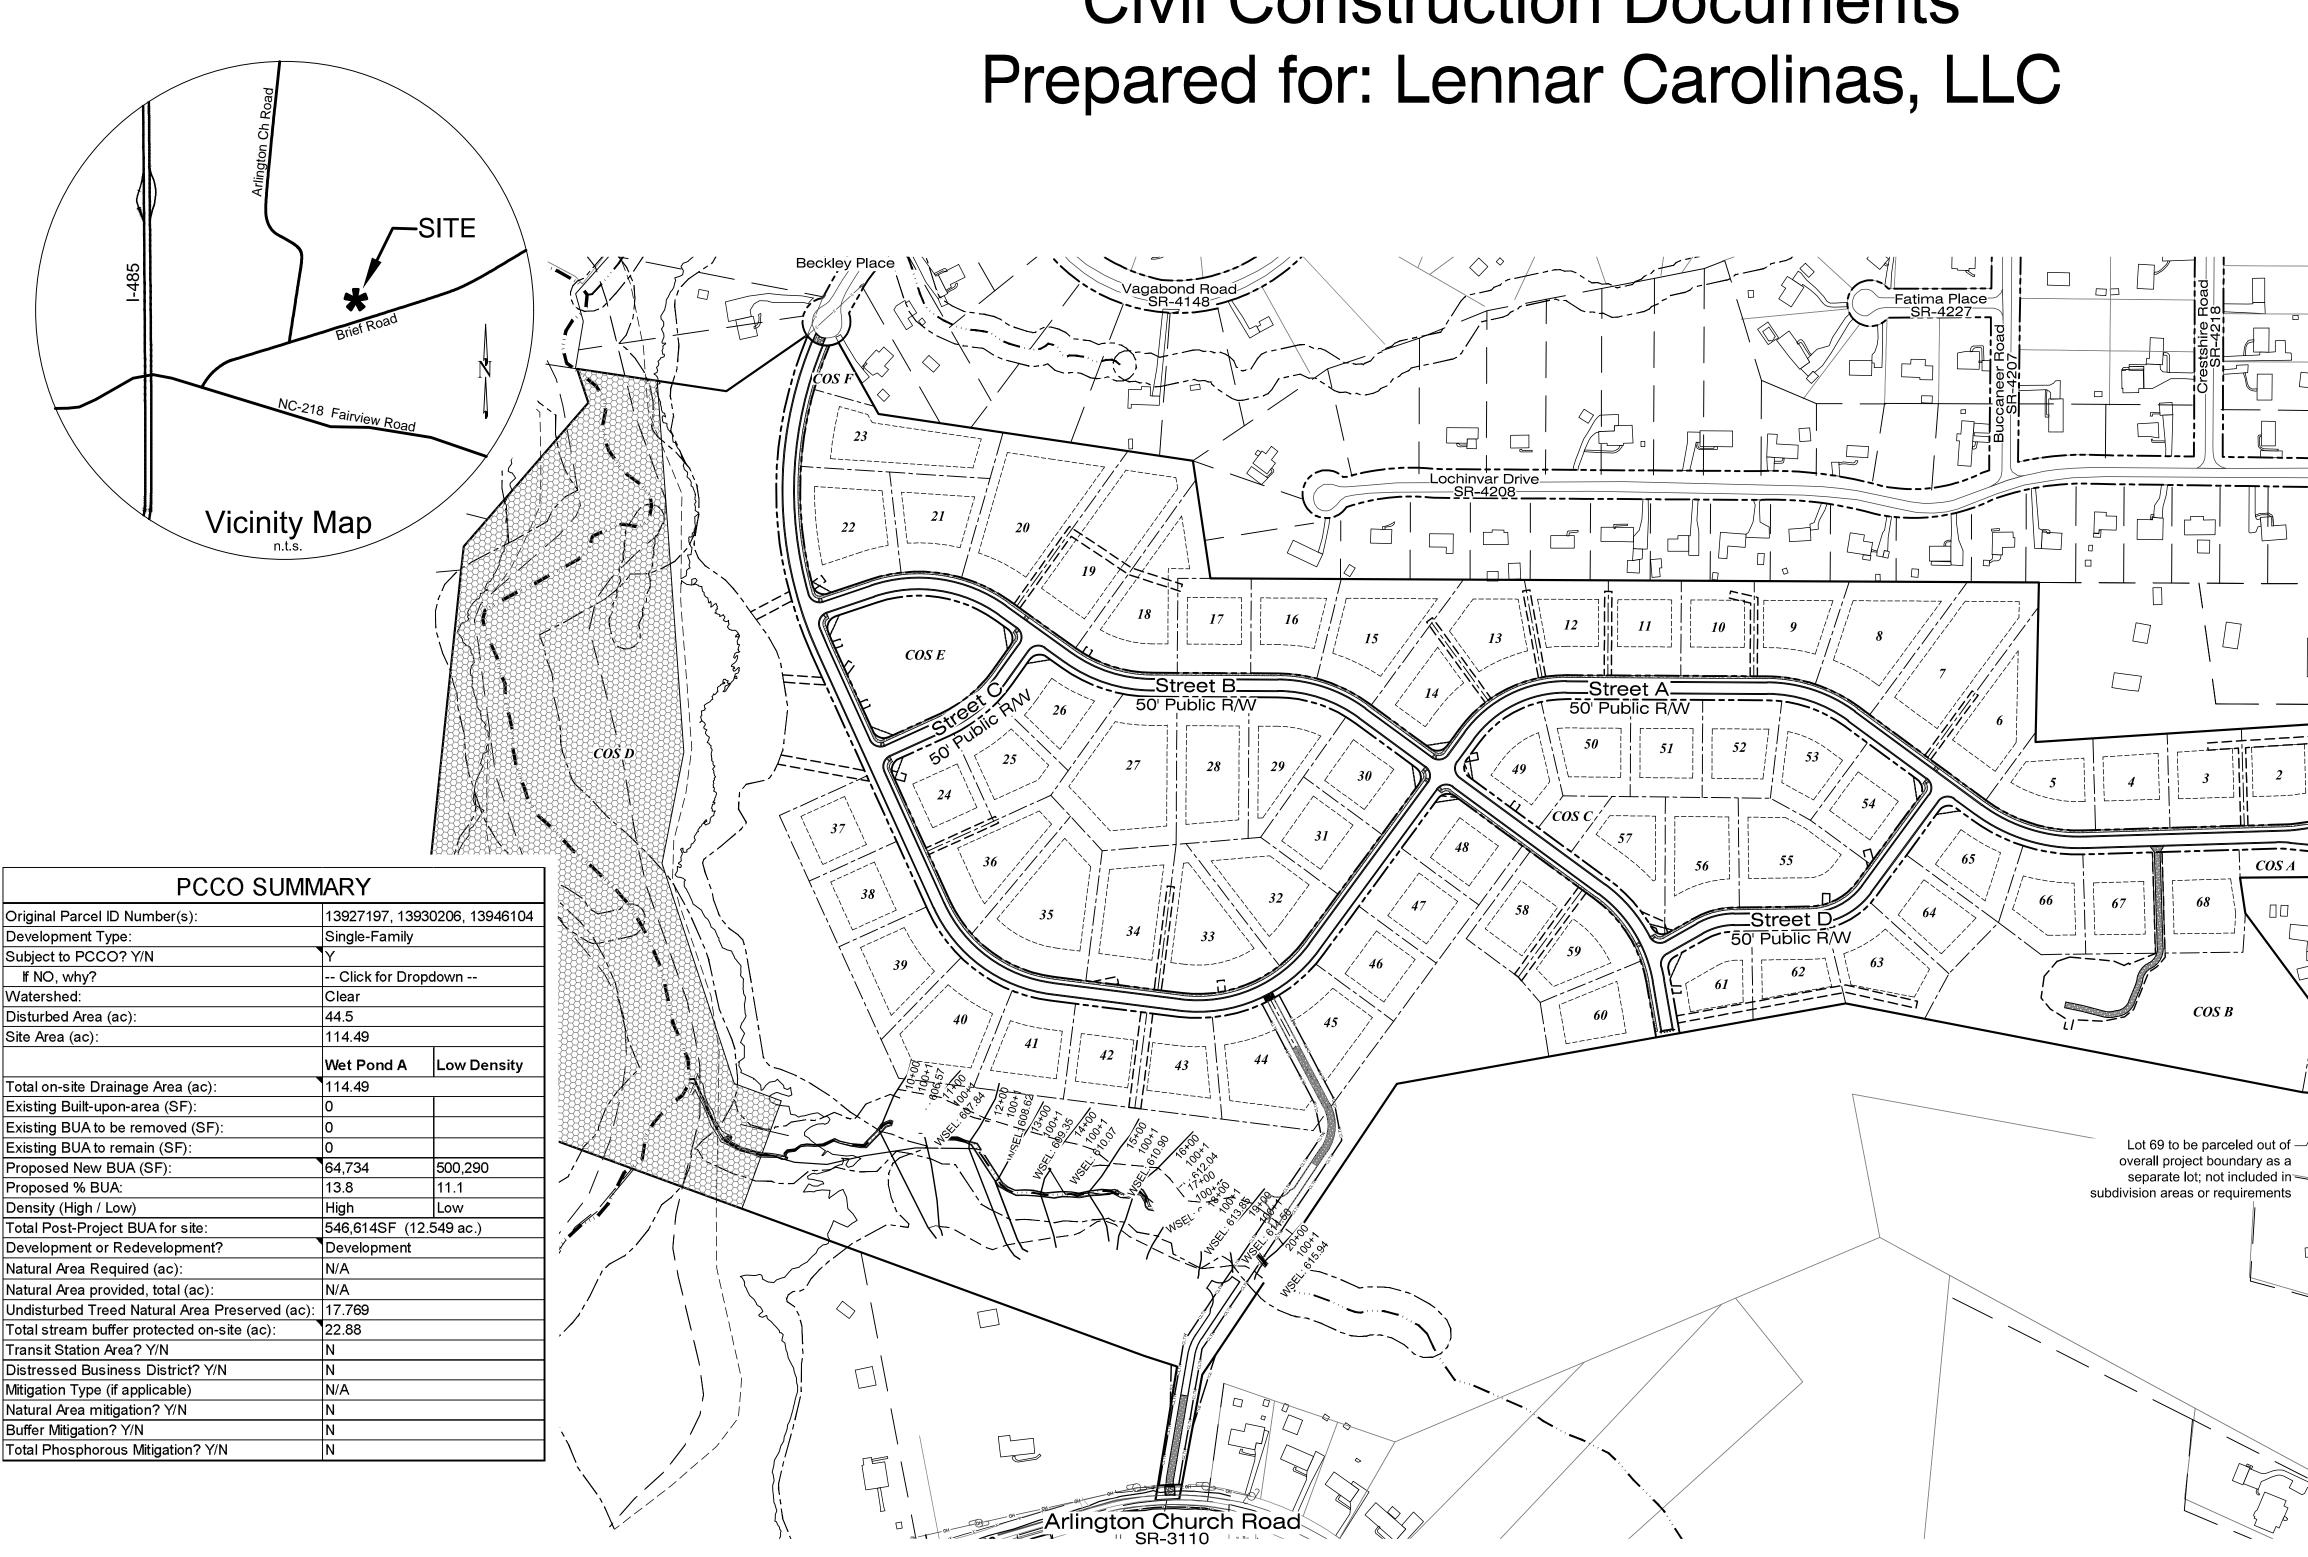

The preliminary plan appears to meet the above requirements.

Mecklenburg County Land Use and Environmental Services Agency will review the construction plans for sedimentation and erosion control, storm water, flood, and road profiles. The applicant is responsible for submitting these plans to Mecklenburg County. Mint Hill staff will review the construction plans to assure compliance before grading begins.

### New Business:

A. Discussion and Recommendation on ZC18-12 Filed by Bailey W. Patrick, requesting a Text Amendment to Section 5.2 (Table 5.2-1 Principal Permitted Uses) to allow Health Club, Spa, Gymnasium by-right in the I-G district.: Planning Director Hoard provided the following memo to the Board.

Mr. Hendrix asked was the applicant requesting to build a Health Club and Spa? Planning Director Hoard said the application started when the applicant had a cross-fit user that wanted to take down some of the space. Our ordinance did not allow it. The applicant decided to apply for a Text Amendment but could not apply until December. The cross-fit user decided to go somewhere else and the applicant decided to pursue the application. Mr. Hendrix asked what was the Town's view on the application? Planning Director Hoard said it would be a good fit for the Town and the location was in an I-G district.

Mr. Todd asked would the application open the door for others to attend? Planning Director Hoard said from the public hearing, Mr. Patrick, the applicant said this would not only be used for cross-fit but for anything in the health club category. For example, when the urban trampoline place came into the shopping center, they were identified as a health club. This application would be in the same category.

Mr. Fielding said this would be good for the community and should not be a problem at all.

Mr. Hendrix made a favorable recommendation on ZC18-12 Filed by Bailey W. Patrick, for a Text Amendment to Section 5.2 (Table 5.2-1 Principal Permitted Uses) to allow Health Club, Spa, Gymnasium by-right in the I-G district.

Upon the motion of Mr. Hendrix, seconded by Mr. Fielding, the Planning Board unanimously made a favorable recommendation on ZC18-12, filed by Bailey W. Patrick, for a Text Amendment to Section 5.2 (Table 5.2-1 Principal Permitted Uses) to allow Health Club, Spa, Gymnasium by-right in the I-G district.

Other Business: None.

<u>Adjournment:</u> Upon the motion of Mr. Fielding, seconded by Mr. Todd and unanimously agreed upon, Chairman Long adjourned the meeting at 6:37 p.m.

Cassie Crutchfield, Clerk to the Board
