Park events shall be limited to no greater than four (4) events per park per calendar year.

For all proposed major park events a completed Mint Hill Major Event Application form shall be submitted to Town Parks and Recreation staff along with required documentation, fees and deposits in accordance with the most recently adopted fee schedule. Priority for event reservations shall be given based on the order in which reservation applications, including required fees and deposits, are received by staff. Such exclusive-use permits shall be issued on a first come, first served basis with the exception that current holders of special-use permits have the right of first refusal in subsequent years provided they state their intent no later than three months prior to the next year's use. Applications must be submitted to the Town no later than three (3) months before the event. Once four (4) complete applications for major events in a park during the same calendar year are submitted and approved by the Parks and Recreation Committee, subsequent applications will be placed on a waiting list. Applications on the waiting list for the calendar year will be considered for approval in the event of a cancellation of a previously approved event.
