PLANNING & ZONING
April 3, 2024

Annexation: All that part of the East one half (E1/2) of the Fractional Northwest Quarter of Section 4, Township 25, Range 27. Containing 1.70 acres more or less, plus Ingress/Egress Easement. Subject to any Easements or Restrictions of Record.

The Planning and Zoning Commission of the City of Monett met in a publicly announced meeting at Monett City Hall, April 3,2024 at 5:30p.m. The following were present: Members: Jeff Carr, Randall Click, , Gale Huffmaster and Mike Wallace. Also present: Building Inspector-Trent Thompson, Administrative Assistant-Lenetta Garoutte, City Administrator- Chris Weiner, Mayor elect- Randy Burk, Councilman- Ken Gaspar, and councilman elect- Darrin Indovina..

The meeting was called to order by Mike Wallace.

There were no questions or discussion about the annexation of said property as commercially zoned. Mike Wallace entered a motion to approve, with Gale Huffmaster making the 2nd to approve. The other members Jeff Carr- yes and Randall Click- yes.

Next, was the discussion for the special use permit application process. Gale Huffmaster started this by asking Trent Thompson to further explain this for him. Trent then went on to explain how the current ordinance for this doesn't really have a process. He also went on to explain that by adopting the modifications to 400.120 & additional guidelines, this may help the city be more flexible in future use of said permits. Chris Weiner also stated that he was the one that asked Trent to bring this topic up to come up with a better process for special use permits, so that it is beneficial for everyone involved with this process. Mike Wallace entered a motion to approve, with Jeff Carr making the 2nd to approve. The other members Randall Click- yes and Gale Huffmaster – yes.

Having no further business to discuss the meeting was adjourned with a motion from Jeff Carr and a second by Gale Huffmaster.

This MUTUAL AID AGREEMENT ("Agreement") is entered into this _____day of _____, 2024 by and between the City of Aurora, Missouri ("Aurora"), and the Monett City Fire Department ("Monett City").

WHEREAS, the Aurora and Monett City, in order to provide enhanced fire protection services within their respective areas of service, desire to enter into this Auto Aid Agreement with the other: and

WHEREAS, each of the Parties are empowered by the proper authority to enter into such an Agreement with the other:

NOW, THEREFORE, in consideration of their mutual covenants below stated to be and performed by the respective Parties, it is agreed between said Parties as follows:

1. That the Aurora hereby contracts with Monett City effective upon the passage and approval of this Agreement by the Parties hereto mentioned for the interchange of service of the fire departments of the Parties hereto upon the conditions and provisions hereinafter contained, and that this Agreement shall remain in force indefinitely unless terminated by either Party as provided in Section Three of this Agreement.

2. That the Aurora shall respond to Commercial structure fires on calls in any part of the territory of Monett City, and Monett City shall respond to commercial structure fires in any part of the Aurora.

3. When responding, the Parties shall be subject to all provisions of law as if it were providing service within its own jurisdiction.

4. This Agreement may be terminated at any time during its term by the City Council of the City of Aurora or the City Council of the City of Monett by written notice hereof given to the other Party hereto by serving on the City Clerk of either Party. The termination shall take effect sixty (60) days from the date of service of such written notice.

5. That the consideration for the service of the fire department of each Party shall be the service given for the protection of the lives and property of Aurora or the jurisdiction of Monett City, and no compensation shall accrue or be paid by either Party for the service of the other Parties hereto.

6. Neither Aurora nor Monett City shall be liable to the other for failure to respond to any call by the order of the Aurora or Monett City, or for delay or negligence or mistake in receiving or responding to any call, nor shall this Agreement be interpreted as being an agreement for the benefit of any third Party.

7. Neither the Aurora or Monett City shall be liable by reason of this Agreement to any fireman, official, or employee of the other nor shall any fireman, official, or employee of

either the Aurora or Monett City be considered for any purpose a fireman, official, or employee of any municipality or district other than the one by which he is regularly employed.

8. In case of loss or damage to the equipment or property of either the Aurora or Monett City while responding to fire alarms, such loss or damage shall be borne by the Party owning such equipment or property.

9. The Parties hereby agree to hold harmless either Party, its affiliates and their directors, officers, agents, members, contractors, and employees from and against any claim, damage, cost, liability, expense, loss, and cause of action, including all reasonable attorney's fees, to the extent such claim, damage, cost, liability, expense, loss, or cause of action arises from the performance of this Agreement to the extent allowed by law; provided, however, a Party shall indemnify the other Party, including its affiliates and their directors, officers, agents, members, contractors, and employees from and against any claim, damage, cost, liability, expense, loss, and cause of action, including all reasonable attorney's fees, to the extent provided by law for any such claim, damage, cost, liability, expense, loss, or cause of action arising out of the personal injury or death of any employee or agent of either Party or of any of its contractors or subcontractors, to the extent such injuries or death are caused by the negligent acts or omissions of any Party.

10. Modifications within the scope of this Agreement must be made by mutual consent of the Parties, by the issuance of a written modification, signed and dated by all Parties, prior to any changes being performed.

11. By signature below, each Party certifies that the individuals listed in this document as representatives of each Party are authorized to act in their respective areas for matters related to this instrument.

RECREATION SERVICES AGREEMENT
OUTDOOR POOL FACILITY OPERATIONS & MANAGEMENT
MONETT, MISSOURI

THIS AGREEMENT, dated April 8th, 2024, is entered into by and between the City of Monett, Missouri (hereinafter, "City") and the Ozarks Regional YMCA, a 501(c)(3) not-for-profit corporation (hereinafter "YMCA").

Witnesseth:

Whereas it is the purpose of the City to provide, in the most efficient and effective manner, recreational facilities and programs for the residents of the City. The City believes that the scope and effectiveness of its programs can be improved by associating with the YMCA in order to utilize its training, experience and resources. The purpose of this Agreement is to outline the terms of an extension of a cooperative arrangement between the parties that is designed to increase, improve and enhance the City's recreation programs at its currently existing outdoor pool facility; and

Whereas, the YMCA has demonstrated its expertise in organizing, supervising, operating and funding efficient and effective community-based recreational programs at swimming pool facilities;

NOW, THEREFORE, the parties agree as follows:

SECTION 1. Undertakings of the City:

1. The City will continue to provide use of the Monett Aquatics Center (MAC) so that recreation programs may continue under the management of the YMCA.

2. The City will continue to provide the YMCA possession and control of the City's outdoor pool facilities. However, YMCA's possession shall not exclude the City from entry upon and use of the same, but the YMCA shall have the exclusive right to operate recreational programs at such facilities, and shall have the exclusive right to possession of the facilities as against all parties other than the City.

3. The City will, at its expense, provide electricity, sewer and water services and general maintenance for the Monett Aquatics Center in the manner that the same are now provided.

4. The City will repair or provide for the repair and maintenance of the pool and pool equipment unless such repairs are necessitated by the failure of the YMCA to properly utilize the same.

5. Subject to limitations imposed by laws regarding commitment of City resources, the City will provide the following payment to the YMCA for the support of its Aquatics Center management and programs associated therewith:

2024 Summer Season: $42,500.00

(a) In the event that, the pool becomes non-operational at the determination of the City, the City shall be under no obligation to pay the agreed amount for that year or any subsequent year that the facility remains closed, except that, if the pool becomes non-operational during the season, the amount shall be determined by calculating the number of days since the opening of the pool season divided by eighty (80) days. This number shall then be multiplied by the contracted sum for that year to determine the amount owed for that year. If the City has already made payment to the YMCA, the YMCA shall reimburse the City the pro-rata share as calculated above within thirty (30) days of the closing of the facility.

6. The YMCA shall receive all revenues from the recreational activities which it operates.

7. The City shall maintain adequate insurance for all City facilities as required by law.

SECTION 2. Undertakings of the YMCA:

1. The YMCA shall operate and direct all recreation programs currently being offered, and shall do so according to the YMCA philosophy.

2. The YMCA shall pay all operating costs not assumed by the City in this agreement.

3. The YMCA shall provide financial assistance to youth program participants in cases of demonstrated need.

4. The YMCA shall responsibly utilize the equipment and facilities provided by the City, and shall promptly notify the City of any maintenance or custodial needs.

5. The YMCA shall provide appropriate staffing for all existing and future programs.

6. The YMCA shall provide satisfactory evidence to the City that it maintains appropriate insurance for its activities, including worker's compensation insurance for its employees.

7. The YMCA shall indemnify and hold the City harmless for injury to its employees, agents or to others occasioned by acts of its agents and employees in the operation of its programs.

8. The YMCA shall account to the City for its receipts and disbursements upon request by the City.

9. The YMCA shall, at their own expense, obtain a policy of liability insurance in the amount of two million dollars ($2,000,000.00) protecting the City from any claim of any person or persons whomsoever arising out of the use of the City's pool under management of the YMCA. The YMCA shall provide proof of such insurance to the City Clerk.

SECTION 3. Mutual Understandings:

1. This agreement shall be for the 2024 summer outdoor pool season.

2. The YMCA shall pay up to $15,000 for the 2024 season to purchase chemicals for the Aquatic Center. At the end of the season, the City of Monett will be presented with all receipts and will make up any remaining balance. All remaining chemicals purchased for the outdoor pool will stay onsite and sealed for the following summer season. Chemicals may be ordered ahead of time in bulk to save in cost.

3. Daily admission prices for the pool shall be no more than $8.00 for an individual or $36.00 for a family of up to six people.

4. The pool shall be in operation beginning the weekend prior to Memorial Day through mid-August, and shall have the following operating hours: Monday through Friday from 1:00 p.m. to 5:00 p.m., Saturdays from 1:00 p.m. to 8:00 p.m. and Sundays from 1:00 p.m. to 5:00 p.m., weather permitting. In an effort to make the pool more accessible to the community, the YMCA shall offer half price entry fees every Saturday between 6:00 p.m. and 8:00 p.m. The YMCA may, in its discretion and judgment, extend such season and/or hours of operation so long as the same does not increase the amount paid by the City as described in Section 1, Paragraph 5.

5. In the event of any structural changes or major features being added to the existing pool, major enhancements of play features, a change in the minimum wage that would apply to pool staff, or any other cause that would significantly change the cost to operate and manage the facility, the parties reserve the right to renegotiate the terms of this agreement or terminate the same. This provision may be invoked by either party sending sixty (60) days written notice to the other of its intent to renegotiate or terminate. Said notice shall include a general description of the new features or changes that have led that party to believe such renegotiation or termination is necessary.

6. This document contains the entire agreement of the parties. Neither party has made representations to the other which expand or contradict its terms.

PUBLIC WORKS MONTHLY REVIEW
April 2024

Cemetery Crew

- The Cemetery crew has worked Three funerals in April. Two full size and One cremation. (this was noted as our first inurnment in the columbarium).
- A small conflict with Wommack Monuments over final engraving for the columbarium niche doors was able to be resolved after Keith met with the local manager and produced original notes/emails showing that the final engraving was to be done onsite and not removed and taken to Wommack.
- Guardrail work on the Eisenhower overpass, weed eat and sprayed.
- Public works rock yard sprayed.
- Football field storm ditch weed eat and sprayed.
- Compost and HHW (Household Hazardous Waste) weed eat and sprayed.
- Flowers planted at the entrance of I.O.O.F. cemetery.
- New John Deere 1550 has been put into service.
- Tree and bush trimming at I.O.O.F.
- On rainy days the guys have been working on assembly of office furniture and assorted items at the new maintenance building.
- Keith is compiling local cemetery fees charged for weekend and after hour funerals for creation of a new fee schedule for the city.
- Mowing is in full swing along with weed eating at all Three cemeteries.
- Recent heavy rains always contribute to recent burials settlement which in turn requires added dirt work and maintenance.
- May is all about Memorial Day for the Cemetery department and the main priority, even to the point of maybe not being completely moved into the new building until after the holiday.

South Park Crew

- The South Park crew has completed the placing of wood chips and mulch around trees and the rose garden along with the flower beds.
- Service on the mowers for the mowing season (beginning) has been completed: oil changed, filters, gearboxes greased – but this is done DAILY.
- Holes and low spots in the park have been filled and re-seeded.
- Nonfunctional closed bathroom removed, and area leveled and seeded.

- Hit and run that destroyed 75' of chain-link fencing, has been removed and we are waiting on Quote for repair.
- Bleachers moved for the winter are back in place on Field #4, A new goal set has been purchased/assembled and installed on Field #2. Remaining fields nets have been serviced for play.
- High school field has been measured and laid out (painted), along with the new goal set being anchored down.
- All the water has been turned back on along with any leaks repaired in the park and the restrooms have been re-opened for the season.
- Kevin Harper and Ted Intessimone have weeded city hall and the Third St parking planter.
- Kevin and Ted are currently in the process of sanding the graffiti off the picnic tables at the Pavilion. Water and the family restroom have been reopened.
- The front fountain along Highway 37 was installed after water line repair and is now operational.
- Mowing and weed eating has begun in earnest at the Park, Pavilion, and various Pocket parks around town.
- The Casino and Pavilion sprinkler systems have been brought online for the season.
- The crew has experienced the first trial of assembling the stage for the First on Front celebration Friday, May 3RD.
- In the next week the crew will start the process of re-installing the various plumbing fixtures at the pool taken out and stored for the winter.
- We have found a vendor for the various awnings needing replacement at the pool and they are being manufactured at the present time.

North Park Crew

- The North Park crew has been busy with mowing, weed eating, cleaning bathrooms, picking up trash (really need the extra help now, but must wait on our part-time helper to get finished with school).
- The Top-Dresser has arrived and is in-use on various projects.
- The new HVAC system for the Concession stand has been installed and is in use.
- Two all weekend tournaments have been successfully completed.
- Barricade pre-emergent weed control has been applied to all the fields.
- In the process of the season second aeration.
- Broadleaf control has been completed.
- Acelepryn for grub control has been completed.
- Completion of the season's first Sandlot tournament was a huge success.
- MHS Tennis tournament completed in April.

- City league and traveling league both up and going.
- MHS Baseball in the middle of their season.
- MJHS is nearing the end of theirs this month.
- MYBSL league has started practicing daily.
- Bullpen traveling league also practices daily.
- Skate Park graffiti has been terrible as of late.
- New backboards for basketball court have arrived but need some minor modification for install.

Sanitation Crew

- The Sanitation crew continues with the collection of the city's solid waste.
- The crew continues to rebuild old trash carts as needed for distribution.
- 364 new Otto brand trash carts have arrived and are also being distributed as needed.

Recycle Crew

- Recycle stays busy with the constant demand.
- We have completely sold out all available compost in our first Two weeks of sales! (141 bucket loads which comprise over 352 cubic yards of material in addition 12 loads of woodchips which comes out to 30 cubic yards). Last year's leaf collection is not composting as fast as the previous years due to the lack of moisture.
- Hansen's tree service from Republic has finished grinding approximately 1,400 cubic yards of wood chips built up over the last 10 to 12 years from our brush collection and contractors around the area into a material that we will quickly turn into saleable compost as time, moisture and room allow. This was made possible from a $13,000 grant through the Southwest Missouri Solid Waste District Region N.
- HHW pick-up/clean-out has been scheduled and as expected has seen a significant increase in costs (approximately $24,000). Thankfully through the successful completion of multiple grant applications to the Southwest Missouri Solid Waste District N this will be completely reimbursed to the city.

Street Crew

- The street crew has split up into two crews. The first crew is busy placing concrete aprons and driveways around the new North Park/Cemetery Maintenance Building. The second crew is busy with utility cut repairs which are extensive considering the substantial amount of water main breaks that we had over the winter months.

- Matt Walters stayed busy trying to keep up with Hansen's tree service and their 1,050 HP rotary chipper. He now has a mountain of material that we can turn into mulch.
- The crack-seal crew finished up the crack-sealing of this year's chip-n-seal streets.
- During inclement weather Dustin and his guys moved around desks and assorted furniture at city hall and returned to move filing cabinets around as needed.
- Edge of road work has been completed on Eisenhower St. out by Jack Henry.
- The first round of right-of-way mowing was completed before we experienced the heavy rains.
- Street and Sanitation crews are currently in the first week of the City-Wide Clean-up.

Casino

- The Casino continues to stay busy. April rentals are at 80% of available days.
- Farmers Market is scheduled to begin Saturday, May 4TH which is the very next day after First on Front. This requires Five guys to come in Saturday morning at 6AM to make the changeover from one event to the other.
- Splash Pad has been installed by the Water department and is functional.

North Park/Cemetery Maintenance Building update

- **The first final "punch list" walkthrough has been completed and we are good to go to occupy the facility.**
- **IT still needs to get all the electronics installed (anticipated date of May 6TH for start).**
- **Concrete work has been completed to the North, South and East and work has begun on the West end (main entrance and parking lot with associated driveways.**
- **Waiting on airline install, icemaker install, pressure washer install (all in process but waiting on delivery).**
- **Final grading and mulching (waiting on completion of concrete work).**
- **Perimeter fencing (ideally after final grading and mulching).**
