

Application for Net Metering

Note: *This Application is considered complete when it provides all applicable and correct information required below. The application must be signed by customer-generator and City representative prior to interconnecting any net metering system to the grid. Additional information or clarification to evaluate the Application may be requested by the City.*

Customer

Name (Print): _____

Contact Person (if other than customer): _____

Address: _____

City, State, Zip: _____

Telephone (Day): _____ (Evening): _____

Fax: _____ E-Mail Address: _____

Customer Signature: _____

I hereby apply for participation in the City's Net Metering Program for Customer Owned Renewable Energy Resources at the utility service address listed above. By my signature, I further affirm that I have read and fully understand the City's policies and procedures for the program and agree to fully abide by all the terms and conditions.

Signed: _____

Date: _____

For Office Use Only

Requirements for Approval of Net Metering – The City must verify that the following requirements are met in order for Customer Generator to qualify for Net Metering:

Qualified Renewable Energy Resource

Application for Interconnection

Certificate of Completion

City Signature: _____

Title: _____ Date: _____

Application ID Number: _____

Application for Interconnection

Note: *This Application is considered complete when it provides all applicable and correct information required below. Additional information or clarification to evaluate the Application may be requested by the City.*

To be considered a valid application for review, this application must be accompanied by a plan for the generating system including, but not limited to, a wiring diagram and specifications for the generating unit. Prior to interconnection with the utility's distribution system, the customer-generator must furnish a certification from a qualified professional electrician or engineer that the installation meets the requirements of the "Net Metering and Easy Connection Act".

This application for Interconnection expires one year after the customer-generator has been notified of the City's approval if the entire installation and agreement for interconnection has not been completed.

Processing Fee:

A non-refundable processing fee of \$0 must accompany this Application.
