Vision Statement

In 2027, Downtown Monroe will be a state- and nationally-recognized vibrant and walkable downtown. The storefronts and upper floors are occupied and attract residents to shop and dine locally. It is the preferred downtown in the region for young and successful professionals and retired baby boomers to reside.

The Downtown Monroe retailers and restaurants combine into a lively shopping and entertainment district with an active nightlife. They leverage technology to augment their storefront sales online and to promote their businesses to the community and others in the region.

All historic downtown buildings have made improvements from facade renovations, new signage, and outdoor seating. Empty lots and underused properties are revitalized with productive real estate contributing to the tax base, creating jobs and places to live.

The downtown is connected by an attractive, functional streetscape that is welcoming to pedestrians and non-motorized modes of transportation. The downtown has created greater connection to major employers, education institute and other attractions in the area such as the River Raisin, National and State Parks, and the Centre for the Arts.

Re:	FIRST READING OF BUILDING IMPROVEMENT GRANT PROGRAM
From:	Annette M. Knowles, Downtown/Economic Development Coordinator $\mathcal{AMK}$
To:	DDA Board of Directors
Date:	Thursday, January 14, 2021

### BACKGROUND

Attached are a program description and an application for the Building Improvement Grant Program, intended to replace the Downtown Reinvestment Program. The current DRiP Team spent several months reviewing the former program description, making recommended changes to streamline the program, clarify eligible projects, eliminate maintenance-only related expenses such as paint-only or awning-only grants, added professional services as an eligible expense and more. Included are the minutes from the most recent meetings of the team. We will review the program in its entirety during the next board meeting.

Note, the DRiP Committee recommended approval of the program at its meeting held Monday, January 11, 2021.

### ACTION

None, this is intended to be a first reading, as such, of the proposed new program. The item will appear on the February agenda for action, including changing the name of the committee and seeking a new leader from the board for the team.

# Building Investment Grant Program

### I. GENERAL PURPOSE AND OBJECTIVES

The Monroe Downtown Development Authority (DDA) created the Building Investment Grant Program (BIG Program) to encourage private investment in the City's downtown. The Program will make a significant impact in the area by encouraging redevelopment, revitalization and rehabilitation of buildings in Downtown Monroe.

Each fiscal year, the DDA will consider an allocation of funds in <u>their its</u> budget for the Program. The Program seeks to provide funding for projects that will enhance the aesthetics and historical character in the DDA District and assist property owners in rehabilitating and upgrading the facades and limited <u>exterior interior</u> features of their buildings.

Funds will be available on a first-come, first-served and rotating basis until fully awarded for that fiscal year.

### II. GRANT GUIDELINES

- Program funds are available for exterior and interior work caused by exterior work on buildings located in the DDA District.
- 2) The Program application must be completed and submitted by the building owner.
- 3) No program applications will be accepted for work that has already been started or completed or for work that is covered by insurance.
- 4) Program g⊖rants are for existing commercial buildings only. Buildings may have upper floor residential component, but <u>the</u> first floor must <u>have abe</u> commercial use.

Downtown Development Authority Building Investment Grant Program SECOND REV 1.11.21

- 5) Participants must be current with City of Monroe and Monroe County for all real or personal property taxes at time of application, at time of payment, and at all other times relevant to the Program.
- 6) Participants must be current with all obligations to the City building department. No Program funds shall be approved for or distributed to properties or owners with outstanding building code violations, permits, infractions, or other failures to comply with federal, state or local legal obligations, unless such violations, permits, infractions or other failures are to be included in the scope of work.
- 7) Paint and fabric colors for exterior improvements shall be chosen from the *Downtown Façade Study* and *Historic Color Palette* available for review in the City of Monroe Planning Department/Historic Preservation Office.
- 8) All projects shall meet the Secretary of the Interior's *Standards for Rehabilitation* (http://www.nps.gov/tps/standards/four-treatments/standguide/index.htm)

Grants are <del>awarded processed</del> as a reimbursement <u>in a single payment</u> once the work has beencompleted and verified by City and DDA staff as compliant with the plans proposed in the approved application. Any deviation from the approved grant project may result in the total or partial denial of a grant. <del>Grants are reimbursed as a single payment to the applicant.</del>

- 9)10) Reimbursements (up to \$20,000) are for labor and materials only. Permit fees and other expenses do not qualify for grant dollars.
- 10)11) Properties that have received funding through this program within the last five (5) years are not eligible.
- 11)12) A single owner of multiple properties may apply for grant funds for each property owned, but may not receive more than \$20,000 per property within a five (5) year period.
- 12)[3] Applicant must sign a Building Exterior Easement Agreement, or similar document acceptable to the DDA, which may be in a form substantially similar to the form attached hereto, at the time of reimbursement.

Re:	DDA TAX INCREMENT FINANCING AND DEVELOPMENT PLAN AMENDMENT
From:	Annette M. Knowles, Downtown/Economic Development Coordinator $\mathcal{AMK}$
To:	DDA Board of Directors
Date:	Thursday, January 14, 2021

### BACKGROUND

Attached are maps of the current and proposed downtown development district, as discussed at previous meetings. City administration has recommended changes to the boundaries to remove parcels that have negative tax growth from the DDA base year and to add properties that have growth or development potential in the future. This will focus the DDA's attention to a more central core of the downtown area as well as stabilize the DDA financial outlook.

Currently, I am preparing an Amended and Restated Tax Increment Financing and Development Plan to present to the honorable Mayor and Council in the case that the board wishes to recommend the plan adoption. The Amended and Restated Plan will be ready in time for the board meeting. Basically, I am updating the financial projections, boundary references, changes to the enabling legislation, legal description and potential project list. With this amendment, there is no intention to seek an extension to the expiration date of the plan, which is tax year 2037.

Finally, in the ordinance that created the DDA in 1977, the references to the enabling legislation and the nomenclature for board members, as well as the number of board members, may be changed to reflect current state law and practices. The proposed clarifications are included with this packet.

# ACTION

The DDA Board may recommend that the City Council take action to amend the DDA Tax Increment Financing and Development Plan and to amend City Ordinance, Chapter 22, Article III.

# § 22-4. Definitions. [Amended 3-1-2004 by Ord. No. 04-002]

The terms used in this article shall have the same meaning given to them in Act 197 57 or as hereafter provided in this section, unless the context clearly indicates to the contrary. As used in this article:

AUTHORITY — The Monroe Downtown Development Authority established by this article.

BOARD AND BOARD OF TRUSTEES Directors— The Board of Trustees Directors of the Authority, the governing body of the Authority.

DOWNTOWN DISTRICT — The Downtown District referred to in this article as now existing or hereafter amended.

# § 22-5. Determination of necessity.

The City Council hereby determines that it is necessary for the best interests of the City to halt property value deterioration and increase property tax valuation where possible in the business district of the City, to eliminate the causes of that deterioration and to promote economic growth by establishing a Downtown Development Authority pursuant to Act 197 57.

# § 22-6. Establishment of authority.

There is hereby established, pursuant to Act 197 57, a Downtown Development Authority in and for the City. The Authority shall be a public body corporate and shall be known and exercise its powers under the title of "Monroe Downtown Development Authority." The Authority may adopt a seal, may sue and be sued in any court of this state and shall possess all of the powers necessary to carry out the purposes of its incorporation as provided in this article and Act 197 57.

The enumeration of a power in this article or in Act 197 57 shall not be construed as a limitation upon the general powers of the Authority.

# § 22-7. Board of Trustees Directors. [Added 2-5-1990 by Ord. No. 90-002; amended 3-1-2004 by Ord. No. 04-002]

The Authority shall be under supervision and control of a Board of Trustees consisting of the chief executive officer of the City and 12up to 11 members as provided in Act 197 57. The members shall be appointed by the chief executive officer subject to approval by the Council and shall hold office for the terms provided in Act 197 57. Every member shall hold office until the member's successor is appointed.

# § 22-8. Powers of authority.

- B. The Board of Trustees Directors shall annually prepare a budget and shall submit it to the Council on the same date that the proposed budget for the City is required by the City Charter to be submitted to the Council. The Board shall not finally adopt a budget for any fiscal year until the budget has been approved by the City Council. The Board may, however, temporarily adopt a budget in connection with the operation of any improvements which have been financed by revenue bonds where required to do so by the ordinance authorizing the revenue bonds.
- C. The Authority shall submit financial reports to the Council at the same time and on the same basis as departments of the City are required to submit reports. The Authority shall be audited annually by the same independent auditors auditing the City, and copies of the audit report shall be filed with the Council.

# § 22-10. Downtown development ad valorem tax authorized.

A. The Authority is hereby authorized by the City to impose an ad valorem tax on all taxable property in the Downtown District for the purposes provided in Act 197 57. The tax shall not exceed two

The amount of tax imposed shall not exceed the amount necessary as estimated in the budget and approved by the City Council. The Board shall certify to the proper tax assessing official of the City the amount so determined in the same manner and at the same time as general City taxes are certified for collection.
- C. The City shall collect the downtown development tax at the same time and in the same manner as other City taxes are collected. The tax shall be paid to the Treasurer of the Authority and credited to the general fund of the Authority for the purposes provided in Act 197 57.

### Re: TEMPORARY (ONE-YEAR) SUSPENSION OF PARKING COMMITTEE

### BACKGROUND

Two of the unexpected effects of the COVID-19 pandemic have been the reduction in utilization in public parking spaces and lots, as well as the elimination of the parking enforcement officers. Parking enforcement is being performed by cadets in the police department on a sporadic schedule.

Additionally, the opportunity to evaluate recommended changes to the parking system are challenged as current conditions do not represent what the downtown may experience during a period of normalcy. That is, if changes are made, there is no reliable method to measure desired effects.

Lastly, current chair Mackenzie Swanson wishes to focus her time and talent on the Riverwalk team and would seek a replacement from the board.

For these reasons, the Executive Committee recommends that the Parking Committee activities be suspended for a one-year period commencing immediately. The board may reinstate the Parking Committee if and when circumstances warrant. Routine issues with parking in the downtown may be resolved within the appropriate departments, including the City Clerk and the Police Department.

The Executive Committee wishes to express its gratitude to the membership of the Parking Committee for their time, effort and input.

# ACTION

Concur with recommendation of the Executive Committee to suspend the activity of the Parking Committee for a one-year period.
