

# GOLF TECHNICIAN II

---

Position Code: 1499

WC Code: 9102

FLSA Status: Non-Exempt

Pay Grade: 346

Location: Public Services

Approval Date: 2023

## **General Statement of Duties**

Performs skilled and semi-skilled golf course maintenance.

## **Distinguishing Features of the Class**

An employee in this class performs a variety of manual labor tasks in the maintenance of the golf course. Golf course maintenance includes mowing greens, tee boxes, roughs, and fairways, performing routine maintenance on mowers, and cleaning up trash. Work may include assisting with or performing routine and specialized maintenance and repair of equipment used. The employee must be able to perform manual labor, as well as skilled and semi-skilled duties, and abide by safety rules and regulations. Accuracy in equipment operation is essential to cut the golf course precisely, avoid damage and ensure citizens are not injured. Work may require serving on call. Work subjects the employee to inside and outside environmental conditions, noise, vibration, hazards associated with maintenance work, fumes, odors, dust, mists, and oils. In some jobs involving equipment, duties may expose the employee to human body fluids and thus the work is subject to level II of the OSHA requirements on bloodborne pathogens. Work is assigned daily by the Golf Crew Leader and is reviewed through observation, quality, and quantity of completed work and discussions.

## **Duties and Responsibilities**

Performs general golf course maintenance.

Assists in specialized turf maintenance.

Maintains lawn and flowerbeds. Cuts and trims trees and bushes.

Performs equipment maintenance as needed.

Sets up course for tournaments and events.

Safely operates equipment to accomplish maintenance tasks.

Required to work rotating weekends and holidays as assigned.

Performs pesticide application under the guidance and license of another employee.

Operates specialized equipment.

Performs other duties as assigned.

## **Recruitment and Selection Guidelines**

### **Knowledge, Skills, and Abilities**

Working knowledge of the methods involved in and skill in operating required equipment under conditions of a particular job.

Working knowledge of mechanical functions of equipment and methods for routine maintenance and repairs.

Working knowledge of tools, materials, and methods used in skilled, unskilled, and semi-skilled golf course maintenance work.

Ability to understand and follow oral and written instructions.

Ability to use varied equipment required in the performance of duties.

Ability to establish and maintain effective working relationships with other employees, supervisors, and the general public.

Ability to operate greens and tee mowers.

Familiarity with specialized equipment appropriate for position and assignment.

Basic computer use to include Microsoft Office and other applications as specified by supervisor.

### **Physical Requirements**

While performing the duties of this job, the employee is frequently required to reach with hands and arms, stand, sit, walk, use hands to grasp, handle, feel, or operate objects, tools, or controls

and talk or hear. Finger dexterity is needed to operate tools and equipment. The work consists of repetitive golf course tasks. This position involves heavy work requiring the employee to exert up to 100 pounds of force occasionally, and/or up to 50 pounds of force frequently; and/or up to 20 pounds of force constantly to move objects. Lifts and carries heavy equipment and/or materials (up to 50 pounds) to perform assignments.

Must possess the visual acuity necessary to read maps and diagrams, operate a vehicle and heavy construction equipment, and read and prepare records.

The employee may be exposed to hazardous physical conditions (including but not limited to noise, moving parts, uneven surfaces, and vibration) and poor atmospheric conditions (including but not limited to fumes, odors, dust, gases, and poor ventilation). In addition, the work will require seasonal exposure to extreme weather conditions, snakes, insects, and wildlife.

### **Minimum Education and Experience**

High School Diploma or GED and some directly related experience.

### **Special Requirements**

Possession of a valid North Carolina Driver's License
