SUMMER CAMP & SWIM LESSONS

Registration Begins March 13

Join us for an exciting summer as we celebrate the Town of Mooresville's 150th birthday with a wide range of camps and swim lessons. These activities provide campers with experiences they will remember far beyond this year of sesquicentennial celebrations. Register your child for one week or the entire summer.

Our camps and programs provide an array of active and passive activities that help campers socialize, grow, and have fun during their summer break. Scan the QR code to visit the camp section of our website to learn more and register. Don't delay as these camps always sell out!
