Town Website Update Coming

The Town of Mooreville's website will soon have a different look!

We heard our residents, who asked for a website that is clean, simple and easy to navigate, and we're delivering. Starting in April, you'll notice a fresh layout, with an easily scrollable page and large icons for items that we've found you search for the most, so you can find what you need fast. Our department pages will also be more tailored, with new, exciting apps and features to showcase the work we do in the community as well as upcoming events you can look forward to. You'll still be able to find us at www.mooresvillenc.gov, so stay tuned to see what we have in store for you!

In the meantime, we want to remind you that we have lots of ways for you to connect with us! Follow our social media accounts on Facebook, Twitter, NextDoor, and Instagram. We regularly make updates about Town events, projects and meetings. Also, don't forget to sign up for Blackboard Connect, which lets you choose whether we contact you by email, phone, or text to inform you about sanitation delays, road closures and more.

Liberty Park Groundbreaking

Phase 2 of the project kicks off in February with ceremony

Mooresville's Town Board, staff, and the community came out on February 10 for Liberty Park's Phase 2 groundbreaking event. The short ceremony marked the beginning of the park's second stage of revitalization and includes a three-tier playground, interactive fountain, picnic shelter, greenway connection to Center Avenue, new restrooms and concession stand, and a covered basketball court that may also be used for events like the seasonal Farmers' Market.

ESCAPE ROOM

Adults and teens, join us March 10 for a fun-filled 45 minutes and see if you can ESCAPE!

Registration required: Visit www.mooresvillelibrary.org for times and availability.

Grab your family or some friends for a quick adventure at your local library! Mooresville Public Library will host several sessions of their latest escape room on March 10. The themed rooms will have clues and puzzles to solve in order to get out, so put your knowledge and teamwork skills to the test. There are four available sessions to participate in, starting at 1 p.m., so sign up today at mooresvillelibrary.org, as space is limited!

Bright Star Theater

In honor of February's Black History Month and March's Women's History Month, please join the Mooresville Public Library for a production of "Black History Heroes, Soldiers & Spies," performed by Bright Star Touring Theatre on March 5.

Bright Star Touring Theatre is a national touring theatre company based in Asheville. The company performs for schools and community theaters to both educate and entertain. In this play, audiences will have the opportunity to experience, celebrate, and learn about some amazing people throughout Black History.

IMPORTANT NEWS

Consumer Confidence Report

The Town of Mooresville is committed to delivering high quality services to your household, including your drinking water. In order to ensure your tap water is safe to drink, the Town conducts regular in-house testing as well as third party testing. These tests ensure residents are receiving a quality product they can rely on.

Our Town water supply, which comes from Lake Norman, is routinely monitored for more than 150 potential contaminants before it is distributed to our customers. More than 50 samples from our distribution system are taken per month to check for any presence of contaminants.

The 2021 annual Drinking Water Quality Report for the Town of Mooresville shows there have been no significant detections of monitored contaminants set forth by both state and federal regulations.
