MISCELLANEOUS FEES				
<u>Refunds (See Resolution #2022-004-EH)</u>				
Upon written request, a refund of local fees will be made for up to one year from original payment, to those from whom a fee was received and deposited, <u>and</u> to whom the following circumstances apply. Qualifying circumstances: 1) a service was cancelled or not needed, <u>and</u> the service was not rendered by the health district; or 2) a double payment was made for the same service. Refunds must be approved by the Environmental Health Director, Fiscal Officer and the Health Commissioner. Refunds will be processed with a deduction of a 10% administrative fee. (2-2022)				
<u>Penalty (See Resolution #2022-004-EH)</u>				
A 25% late fee will be assessed to any license, permit, or registration fee (not including plumbing fees or refuse vehicle fees which have program specific late fees) that is received or postmarked by the U.S. Postal Service on or after the due date, or after the permitted activity has begun. Please Note: A private meter postmark on the envelope is not a valid postmark for establishing payment date. Exemption from the late fee may be granted for emergency well construction or alteration permits secured within two (2) business days. (2-2022)				
<u>Returned Checks (See Resolution #2019-040-ADM)</u>				
A \$25.00 fee will be charged for any check returned by a financial institution for insufficient funds. The individual or business who issued the returned check will have 2 business days to submit payment to the Health District using cash or money order. Note: The County Treasurer’s Office has an additional \$15.00 fee for returned checks. (8-2019)				

Please Note: State fees and lab fees are subject to change without notice. Any increase or decrease in fee will be passed on at the time the Morrow County Health District is notified by the state agency and may not be reflected in the total cost of the fee column.
