TO: NEDA

FROM: Deb Hill, City Administrator

DATE: June 2, 2022

SUBJECT: Rental and Code Enforcement Services - MNSPECT

**Background:** For over ten years, Cottage Grove has provided building/rental inspections along with code enforcement. Earlier this year we were informed that they would no longer perform these services. Rental inspections and code enforcement end on June 30, 2022 and building inspections on Dec. 31, 2022.

**Discussion:** Staff has been working with the City of West St. Paul to provide these services. They have informed us that they would not be ready until Jan.1 2023.

Staff has been working with MNSPECT to provide rental inspections and code enforcement – they service several communities in the metro area. The contract presented has been approved by out attorneys. In utilizing their services, we will bridge the six months and also be able to gauge their service in case the progress with West St. Paul does not work out.

**Recommendation:** Staff recommends the contract with MNSPECT.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section  ${\bf V}$  - Definitions.

#### **SECTION I - COVERAGES**

### COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY

#### 1. Insuring Agreement

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:
  - (1) The amount we will pay for damages is limited as described in Section III - Limits Of Insurance; and
  - (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments - Coverages A and B.

**b.** This insurance applies to "bodily injury" and "property damage" only if:

- (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";
- (2) The "bodily injury" or "property damage" occurs during the policy period; and
- (3) Prior to the policy period, no insured listed under Paragraph 1. of Section II Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.
- c. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section II Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:
  - (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer:
  - (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
  - (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.
- d. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".
- e. Incidental Medical Malpractice And Good Samaritan Coverage

"Bodily injury" arising out of the rendering of or failure to render the following health care services by any "employee" or "volunteer worker" shall be deemed to be caused by an "occurrence" for:

- (1) Professional health care services such as:
  - (a) Medical, surgical, dental, laboratory, xray or nursing services or treatment, advice or instruction, or the related furnishing of food or beverages;
  - **(b)** Any health or therapeutic service, treatment, advice or instruction; or
  - (c) The furnishing or dispensing of drugs or medical, dental, or surgical supplies or appliances; or
- (2) First aid services, which include:
  - (a) Cardiopulmonary resuscitation, whether performed manually or with a defibrillator; or
  - **(b)** Services performed as a Good Samaritan.

For the purpose of determining the limits of insurance, any act or omission together with all related acts or omissions in the furnishing of these services to any one person will be considered one "occurrence".

However, this Incidental Medical Malpractice And Good Samaritan Coverage provision applies only if you are not engaged in the business or occupation of providing any of the services described in this provision.

#### 2. Exclusions

This insurance does not apply to:

#### a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

#### b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorney fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:

- (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and
- (b) Such attorney fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

#### c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

- (1) Causing or contributing to the intoxication of any person;
- (2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in:

- (a) The supervision, hiring, employment, training or monitoring of others by that insured; or
- (b) Providing or failing to provide transportation with respect to any person that may be under the influence of alcohol;

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in Paragraph (1), (2) or (3) above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

#### d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

#### e. Employer's Liability

"Bodily injury" to:

This exclusion does not apply to liability assumed by the insured under an "insured contract".

    - (ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or
    - (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";

This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;
  - (ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or
  - (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire"; or
- (e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the

HG 00 01 09 16 Page 3 of 21

  - (b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this paragraph does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

"Bodily injury" or "property damage" arising out of the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft owned or operated by or rented or loaned to any insured. Use includes operation and "loading or unloading".

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" involved the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft that is owned or operated by or rented or loaned to any insured.

If we cover a claim or "suit" under this Coverage Part that may also be covered by other insurance available to an additional insured, such additional insured must submit such claim or "suit" to the other insurer for defense and indemnity.

However, this provision does not apply to the extent that you have agreed in a written contract or written agreement that this insurance is primary and non-contributory with the additional insured's own insurance.

# f. Knowledge Of An Occurrence, Offense, Claim Or Suit

Paragraphs **a.** and **b.** apply to you or to any additional insured only when such "occurrence", offense, claim or "suit" is known to:

- (1) You or any additional insured that is an individual;
- (2) Any partner, if you or the additional insured is a partnership;

HG 00 01 09 16 Page 15 of 21

- (3) Any manager, if you or the additional insured is a limited liability company;
- (4) Any "executive officer" or insurance manager, if you or the additional insured is a corporation;
- (5) Any trustee, if you or the additional insured is a trust; or
- **(6)** Any elected or appointed official, if you or the additional insured is a political subdivision or public entity.

This duty applies separately to you and any additional insured.

#### 3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- **b.** To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

#### 4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

#### a. Primary Insurance

This insurance is primary except when  ${\bf b}$ . below applies. If other insurance is also primary, we will share with all that other insurance by the method described in  ${\bf c}$ . below.

#### b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

#### (1) Your Work

That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

#### (2) Premises Rented To You

That is fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

#### (3) Tenant Liability

That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner;

#### (4) Aircraft, Auto Or Watercraft

If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Section I - Coverage A - Bodily Injury And Property Damage Liability;

# (5) Property Damage To Borrowed Equipment Or Use Of Elevators

If the loss arises out of "property damage" to borrowed equipment or the use of elevators to the extent not subject to Exclusion **j.** of Section **I** - Coverage **A** - Bodily Injury And Property Damage Liability;

### (6) When You Are Added As An Additional Insured To Other Insurance

Any other insurance available to you covering liability for damages arising out of the premises or operations, or products and completed operations, for which you have been added as an additional insured by that insurance; or

### (7) When You Add Others As An Additional Insured To This Insurance

Any other insurance available to an additional insured.

However, the following provisions apply to other insurance available to any person or organization who is an additional insured under this coverage part.

# (a) Primary Insurance When Required By Contract

This insurance is primary if you have agreed in a written contract or written agreement that this insurance be primary. If other insurance is also primary, we will share with all that other insurance by the method described in **c**. below.

#### (b) Primary And Non-Contributory To Other Insurance When Required By Contract

If you have agreed in a written contract, written agreement, or permit that this insurance is primary and non-contributory with the additional insured's own insurance, this insurance is primary and we will not seek contribution from that other insurance.

Page 16 of 21 HG 00 01 09 16

Paragraphs (a) and (b) do not apply to other insurance to which the additional insured has been added as an additional insured.

When this insurance is excess, we will have no duty under Coverages A or B to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

## c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

### 5. Premium Audit

- **a.** We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- **c.** The first Named Insured must keep records of the information we need for premium

computation, and send us copies at such times as we may request.

### 6. Representations

## a. When You Accept This Policy

By accepting this policy, you agree:

- (1) The statements in the Declarations are accurate and complete;
- (2) Those statements are based upon representations you made to us; and
- **(3)** We have issued this policy in reliance upon your representations.

### b. Unintentional Failure To Disclose Hazards

If unintentionally you should fail to disclose all hazards relating to the conduct of your business that exist at the inception date of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

## 7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- **b.** Separately to each insured against whom claim is made or "suit" is brought.

# 8. Transfer Of Rights Of Recovery Against Others To Us

## a. Transfer Of Rights Of Recovery

If the insured has rights to recover all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

# b. Waiver Of Rights Of Recovery (Waiver Of Subrogation)

If the insured has waived any rights of recovery against any person or organization for all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, we also waive that right, provided the insured waived their rights of recovery against such person or organization in a contract, agreement or permit that was executed prior to the injury or damage.

#### 9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the

HG 00 01 09 16 Page 17 of 21

nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

## **MEMO**

TO: NEDA

FROM: Deb Hill, City Administrator

DATE: June 2, 2022

SUBJECT: EPA Brownfields Assessment Grant Program

**Background:** The City of Newport is in the process of selling a parcel on Glen Road and will be demolishing the current two fire halls once the new city hall is completed. Staff was informed the prospective buyer of the Glean Road site was concerned about potential soil contaminants. Staff applied for an EPA Brownfields Assessment Grant Program to have above sites tested – we have been informed we have been approved.

**Discussion:** The City of Newport needs to grant site access so the County to for Stantec (the firm that will be conducting the testing) to begin the assessments. There isn't a cost to the city.

**Recommendation:** Staff recommends approval of the site access agreements.

:

## **Site Access Agreement**

  - b. Survey of asbestos-containing material and lead-based paint conditions.
  - c. On-Site observation and oversight of environmental investigation activities.
  - d. Disclosure of environmental information as required by law.
- 3. Upon completion of the investigation, Authorized Parties will restore the property as near as practicable to its condition immediately prior to the commencement of such activities.
- 4. The granting of this permission by the Owner is not intended, nor should it be construed, as an admission of liability on the part of the Owner or the Owner's successors and assigns for any contamination discovered on the Site.
- 5. Authorized Parties may enter the Site during normal business hours and may also make special arrangements to enter the Site at other times after agreement from the Owner.
- 6. Authorized Parties shall enter upon the Site at their own risk, and Owner shall not be held responsible or liable for injury, damage, or loss incurred by any Authorized Party arising out of or in connection with activities under this Agreement, except to the extent that any injury is caused due to the acts or omissions of Owner, any lessee of the Site, or any employee or agent of the Owner.
- 7. The Program will supply to Owner all information derived from the environmental investigation conducted at the Site. The Owner and the Agency may use such information for any purpose at the Agency's sole discretion. Information will be held in confidence except as instructed by the Owner, the Agency, the Program, or as required by law.

#### Phase I Environmental Site Assessment

To provide access to personnel from City of Newport and/or personnel from Stantec Consulting Services Inc. (Stantec) (the environmental consulting firm hired by the City of Newport to conduct an inspection of the property in accordance with the Phase I environmental site assessment (ESA) inspection criteria outlined in American Society for Testing and Materials (ASTM) Standard No. E-1527-05. It is anticipated that the property inspection will require 2 to 3 hours of time to complete. Access is required to both indoor and outdoor areas of the property. Photographs of site features will be taken as part of the inspection and included in the Phase I ESA report.

To provide a person meeting the definition of either an owner or operator of the facility, and having knowledge of current and/or past operations at the facility, and to make that person available for an interview to be conducted by City of Newport and/or Stantec personnel as part of the Phase I ESA. The interview is a required standard component of Phase I ESAs and will include general questions regarding past and/or current operations, with an emphasis of practices related to storage and/or use of hazardous materials and/or petroleum products.

To review a draft copy of the Phase I ESA report and to provide comments as appropriate to correct or clarify any portions of the report.

As the Phase I ESA is being paid for using a Federal Grant, copies of the report may be provided to the U.S. EPA and/or the Minnesota Pollution Control Agency (MPCA) as part of required submittals by the CDA and become public records. One complete electronic copy of the final report will be provided to you for your use upon completion of the final Phase I ESA Report.

The Phase I ESA report will be prepared for use by City of Newport. The Owner may also rely on the report to the extent defined in the Phase I ESA report. Letters of reliance for other parties will not be provided unless specifically agreed to in writing by the City of Newport and Stantec prior to completion of the Phase I ESA report.

## Phase II ESA and/or Environmental Site Investigations

To provide access to personnel from the City of Newport and/or personnel from Stantec (the environmental consulting firm hired by the City of Newport to conduct environmental assessment sampling activities on the property in accordance with the Phase II ESA criteria outlined in ASTM Standard No. E-1903-97, and/or environmental site investigation activities needed to further define the nature and extent of contamination documented during the Phase II ESA or during investigations conducted previously by others at the property. The specific scope of work for the Phase II ESA or environmental site investigation will be detailed in a Site-Specific Sampling and Analysis Plan (SSSAP) to be prepared by Stantec and submitted to and approved by the U.S. EPA to prior to commencement of on-site sampling activities. An electronic copy of the SSSAP will be provided to Owner concurrently with submittal to U.S. EPA, and generally 5 to 10 workdays before the scheduled start of on-site sampling activities. It is anticipated that the assessment activities will require 2 to 3 days of time to complete. Access is required to both indoor and outdoor areas of the property. Photographs of site features will be taken as part of the inspection and included in the Phase II ESA report.

Possible assessment activities could include but are not limited to:

**Soil Borings** – Soil borings will in most instances be performed using a hydraulic probe sampling system or a hollow stem auger drill rig and will be used to collect soil samples from the ground surface to a typical depth of 10 or 20 feet below ground surface. In paved areas, soil borings will typically result in the creation of a 4-inch to 12-inch diameter opening in the concrete or asphalt pavement in order to provide access to the underlying soil. Soil removed from the borings will need to be managed until a determination is made as to whether the soil is contaminated. Borings not completed as monitoring wells will be properly abandoned.

**Monitoring Wells** - "Permanent" or "temporary" groundwater monitoring wells consisting of 1- or 2-inch ID, Schedule 40 polyvinyl chloride (PVC) casing and screen may be installed in select soil borings. "Permanent" monitoring wells will be completed with a lockable, flush-mount protective cover, and will be

installed where: (a) unstable soil or other geologic conditions preclude installation of temporary wells, (b) wells constructed in accordance with MPCA standards are needed to confirm whether previously documented contaminants in groundwater exceed regulatory standards, or (c) it is anticipated that multiple rounds of groundwater sampling will be required to achieve assessment or investigation objectives. Temporary wells will be used in situations where the primary purpose at a sampling location is: (a) to confirm the presence/absence and/or general levels of contaminants in groundwater, (b) to document the depth to groundwater at locations where groundwater samples will not be collected, or (c) to provide the ability to collect groundwater samples at a later date at locations where only soil samples will be collected and analyzed as part of initial sampling activities.. Upon completion of investigation activities, the monitoring wells will be properly abandoned.

**Groundwater Sampling** - Groundwater samples will be obtained from the permanent or temporary groundwater monitoring wells. Groundwater removed from the wells will need to be managed until a determination is made as to whether the groundwater is contaminated.

**Soil Vapor Sampling** - Soil vapor monitoring may be performed at locations based on the results of the soil and groundwater samples. Permanent or temporary vapor probes may be installed to a typical depth of 10 or 20 feet below ground surface.

**Test Pits** – Test pits may be excavated using a backhoe at locations where: (a) buried objects of potential environmental significance such as underground storage tanks are known or suspected to be present, or (b) historic fill materials are known or suspected to be present which can be more effectively evaluated through observation of a broader exposure of material than is possible through sampling conducted via soil borings. Test pits will be conducted only in unpaved areas unless specifically proposed in other locations in the SSSAP and specifically permitted by the Owner. In general, test pits will be 2 to 4-feet in width, 10 to 15-feet in length, and 4 to 12-feet deep. Materials excavated from the test pits will be returned to the test pit on the date of excavation. The surface will not be restored beyond returning the excavated materials to the test pit, roughly smoothing the surface with the backhoe, and compacting the materials by driving over the returned soil with the tires of the backhoe. Due to expansion of soil that occurs upon excavation, mounding of the ground surface may be present following restoration.

Investigative wastes (i.e., soil and water) will be properly stored on the Property at a location to be identified by the Owner until such time as laboratory and other analyses are completed by which to determine disposal requirements, if any. The Owner is responsible for storage, management, and the proper disposal of that waste (if necessary). Funding <u>may</u> be available from the grant to pay for the proper disposal.

One complete electronic copy on CD of the final report will be provided to you for your use upon completion of the final Phase II ESA Report. As the Phase II ESA is being paid for using a Federal Grant, copies of the report may be provided to the U.S. EPA and/or the MPCA as part of required submittals by the County and become public records. The Owner should review the results contained in the final report and evaluate their reporting obligations to the U.S. EPA and/or MPCA resulting from the potential documentation of the presence of contaminants in soil, groundwater, soil vapor, or building materials at concentrations that exceed regulatory thresholds or standards.

## **Asbestos and Building Materials Inspection**

The asbestos inspection will be completed by a Minnesota licensed asbestos inspector. The inspection will identify homogenous sampling areas of suspected asbestos containing materials (ACMs) in the structure. Collect and submit samples for analysis using polarized light microscopy by a NVLAP-certified lab. The asbestos inspection standard is a destructive inspection technique to determine the presence of suspected ACMs hidden within wall chases and under flooring. The samples obtained are small but do require holes to be put into walls and ceilings. Repairs will not be made unless agreed to prior to the inspection. The building materials inspection will be performed for those building materials listed in MN Rule 7035.0805. One complete electronic copy of the final report will be provided to you for your use upon completion of the inspection.

Although efforts will be made to identify ACM, due to the nature of buildings, restricted access, etc. it is not always possible to fully identify or access all hazardous building materials in advance of demolition; therefore, the owner should secure the services of a qualified asbestos inspector to be on-site if the structure(s) are to be demolished or renovated.

## **Site Access Agreement**

This Site Access Agreement ("Agreement") is made by and between The City of Newport, Minnesota ("Owner"), and the Washington County Community Development Agency ("Agency") regarding the Owner's property located at 971 Glen Road and 825 Glen Terrace, Newport Minnesota ("Site"). The Agency requests permission to enter the Site for the exclusive purposes of conducting environmental investigation activities.

- 1. Owner hereby gives permission to the Agency, or the Agency's agents or assigns (including, but not limited to, Agency employees, authorized environmental consultants and/or contractors, including Stantec Consulting Services Inc.(Stantec), Environmental Protection Agency ("EPA") employees or contractors, Minnesota Pollution Control Agency ("MPCA") employees or contractors, or other designees authorized by the Agency (collectively, "Authorized Parties") to enter upon the Site to perform investigation activities at the Site. This permission is effective immediately upon the execution of this Agreement by Owner and the Agency.
- 2. The permission granted by Owner under this Agreement is contemplated to be used for the following activities that may be performed by Authorized Parties (detailed in Exhibit A):
  - a. Investigation of soil and groundwater, including, but not limited to, the installation of soil borings, test pits and/or groundwater monitoring wells, the use of geophysical equipment, the use of drilling equipment for collection of soil and sediment samples, the logging, gauging and sampling of existing wells, videotaping, preparation of site sketches, taking photographs, any testing or sampling of groundwater, soil, surface water, sediments, air, soil vapor or other material deemed appropriate by the EPA's Brownfield Assessment Program ("Program") and the like.
  - b. Survey of asbestos-containing material and lead-based paint conditions.
  - c. On-Site observation and oversight of environmental investigation activities.
  - d. Disclosure of environmental information as required by law.
- 3. Upon completion of the investigation, Authorized Parties will restore the property as near as practicable to its condition immediately prior to the commencement of such activities.
- 4. The granting of this permission by the Owner is not intended, nor should it be construed, as an admission of liability on the part of the Owner or the Owner's successors and assigns for any contamination discovered on the Site.
- 5. Authorized Parties may enter the Site during normal business hours and may also make special arrangements to enter the Site at other times after agreement from the Owner.
- 6. Authorized Parties shall enter upon the Site at their own risk, and Owner shall not be held responsible or liable for injury, damage, or loss incurred by any Authorized Party arising out of or in connection with activities under this Agreement, except to the extent that any injury is caused due to the acts or omissions of Owner, any lessee of the Site, or any employee or agent of the Owner.
- 7. The Program will supply to Owner all information derived from the environmental investigation conducted at the Site. The Owner and the Agency may use such information for any purpose at the Agency's sole discretion. Information will be held in confidence except as instructed by the Owner, the Agency, the Program, or as required by law.
- 8. In exercising its access privileges, Authorized Parties will take reasonable steps not to interfere with the Owner's operations on the Site.

- 9. Authorized Parties will give notice to the Owner at least one (1) week in advance of the start of field activities on the Site.
- 10. Owner ensures that Owner and any/all Site operators will give Authorized Parties access to the entire Site for the purposes set forth in this Agreement.
