Lockport NY 14094

**Cut at perforation and return this portion with your donation*
** All donations are tax deductible to the extent of the law*

We are pleased to provide you with our services. Programs for the Office for the Aging are funded by the Older Americans Act, New York State, Niagara County and your contributions.

There is no fee for services; however, in order to provide continued quality service, the Older Americans Act requires us to allow voluntary, confidential contributions from participants. Contribution rates have been established by the Niagara County Office for the Aging Advisory Council.

The rates listed are only suggested contribution amounts for participants aged 60 and older. No one over the age of 60 will be denied service if they do not contribute. Individuals with self-declared incomes at or above 185% of the federal poverty level (\$2,095 per month for a single person) are encouraged to contribute at levels based on the actual cost listed.

Our needs are always greater than available resources. The Niagara County Office for the Aging encourages financial contributions to help pay program costs and provide the much needed services to our seniors. If you have any questions or would like additional information, please feel free to contact us at 716-438-3030.

Best Regards,

Darlene S. DiCarlo

Director

Niagara County Office for the Aging
