The LEICC includes family members, service providers, service coordinators, the Early Intervention Official (EIO) and other interested parties. This council looks to determine the adequacy of the early intervention system, ensuring the availability of family-centered, coordinated services and links with other existing planning bodies that service young children and families.

If you have any questions or would like to know more about the committee please call your Service Coordinator or the Niagara County EIO-Stacy Lampman at 716-439-7463
