Dear County Executive or Administrator:

My name is Rocco Grassi, I am the Program Manager of the 'Veterans to Math Teachers' Scholarship Program at Mercy College. I work with Dr. William Farber, who is the Director of the program, a U.S. Navy Veteran (1968 – 1974), and a Professor of Mathematics Education at Mercy College.

Mercy College, located in New York is offering a wonderful scholarship opportunity to military veterans and reservists, to earn a **TUITION-FREE** Master of Science Degree in Mathematics Education and become a mathematics teacher. The scholarship is offered through the National Science Foundation (NSF).

YES, WE ARE LOOKING FOR U.S. VETERANS AND NEED YOUR HELP!!

We know that as a veteran liaison in your town, you are dedicated to a better vocation and education for all of our U.S. Veterans. I, therefore, would greatly appreciate your support for this important effort by **posting the following program flyer in your local newsletters and other social media networks:**

Also, please feel free to share the following YOU TUBE Video link (See Below), with your local contacts through social media.

Please accept my sincere appreciation for your support, collaboration, and consideration for this worthwhile veterans' initiative.

Wishing you health and safety!

Thank you,

Mr. Rocco Grassi
