Postmortem Fall Event VIRTUAL BUSINESS WORKSHOP LGBTQ+ issues in employment	Just three questions... What worked? What didn't work? What can we do differently next time?	<p>What worked: The topic, the presenter, the format. We had 46 attendees from business (managers, owners), education, and service providers!</p> <p>What didn't work: We ran out of time. But we really don't want to make these longer .</p> <p>What we can do differently: As this event was much better attended that the Spring event, we wonder how better to determine what topics are important for businesses. Ideas include reaching out to recent attendees, the WDB and survey or business in community. Some possible topics include new Americans breaking the language barrier, or other panel discussions. Please make suggestions for some topics as choice on a survey.</p>
Other, Other?	Diversity Spotlight, Diversity awards	Spotlight stories have been difficult to obtain. Small business awards seem to be on hold.
Next Meeting	Thursday, October 20 at 2pm via Webex.
