## ON THE JOB TRAINING

Please don't let your company miss out on Training dollars! Niagara County's Employment & Training, using Workforce Innovation and Opportunity Act (WIOA) Federal dollars, can potentially reimburse your company up to **\$5000 per new hire** through our On-the-job Training (OJT) program. At time of hire, the candidate has to be either unemployed, or working less than 30 hours p/w to qualify, and there has to be at least 4 weeks of training. You recruit, interview, hire, and train the candidate, and we reimburse. All paperwork has to be complete **before** candidate goes on payroll. Multiple companies across Niagara County have, and continue to, utilize these Federal funds, so please contact Mike at 278-8213 for more details.
