REQUIREMENTS FOR IRRIGATION METER:

- 1) The purchase of the Sensus meter and MXU system is the responsibility of the property owner and shall be purchased from the City of Norwalk, either \$320 for a ¾" meter or \$370 for a 1" meter.
- 2) A meter setting will be constructed at the property owner's expense in accordance with the existing plumbing codes of the City of Norwalk. Your plumber must be bonded and licensed by the City of Norwalk and possess the proper plumbing permits for this project. The fees associated with an irrigation meter installation include a \$50 plumbing permit, which can be applied for at the Community Development Office.
- 3) A plumbing inspection must be completed before the irrigation meter can be set by the Water Department. You can schedule an inspection with the Community Development Office at 981-9530. After the inspection is complete, arrangements need to be made to have the meter installed and the MXU connected. Contact City Hall to schedule at 981-0228, between the hours of 8:00 A.M. and 4:30 P.M., Monday through Friday.
