

AGENDA PLANNING AND ZONING MEETING Norwalk City Hall, 705 North Ave Monday, July 24, 2017 5:45 P.M.

- 1. Call meeting to order at 5:45 P.M.
- 2. Approval of Agenda
- 3. Approval of Minutes July 10, 2017
- 4. Chairperson Welcome of Guests
- 5. Public Comment 3-minute limit for items not on the agenda (No action taken)
- 6. New Business
 - a. Review of Pre-Annexation Agreement with Bedwell Gardens
 - b. Request from Windsor Windows & Doors to approve the Final Plat for Windsor Windows Plat 1
 - c. Request from Windsor Windows & Doors to approve the Site Plan for Windsor Windows at 901 Sunset Drive
 - d. Request from K&R Wholesale to approve a grading plan for the K&R Wholesale Site on Colonial Parkway
- 7. City Council Update Stephanie Riva, Planning and Zoning Commission Liaison
- 8. Economic Development Update Hollie Askey, Economic Development Director
- 9. Future Business Items
 - a. Stark Property
 - b. Platting & Site Plan for Certified Industrial Site
 - c. Sunset Crest Platting & Site Plans
 - d. Sunset Corner Site Plan
 - e. North Shore Preliminary Plat
 - f. Warrior Run Plat 2 Final Plat
 - g. Rolling Green Plat 6 Final Plat
 - h. Farms of Holland Plat 3 Final Plat
 - i. Affordable Housing Research
- 10. Next Meeting Date: August 7, 2017
- 11. Adjournment

REGULAR NORWALK PLANNING AND ZONING MEETING 07-10-2017

Call to order

The regular meeting of the Norwalk Planning and Zoning Commission was held at the Norwalk City Hall, 705 North Avenue, Monday, July 10, 2017. The meeting was called to order at 7:00 p.m. by Chairperson Judy McConnell. Those present at roll call were Barbara Belizzi, Donna Grant, John Fraser, Jim Huse and Judy McConnell. Absent: Elizabeth Thompson and Brandon Foldes.

Staff present included: Luke Parris, Community Development Director, Hollie Askey, Economic Development Director, and Hillarie Ramthun, Community Development Coordinator.

Approval of Agenda – 17-58

Motion by Fraser and seconded by Belizzi to approve the agenda. Approved 5-0.

Approval of Minutes - 17-59

Motion by Belizzi and seconded by Fraser to approve the minutes from the June 26th, 2017 meeting with the requested amendment. Approved 5-0.

Chairperson McConnell welcomed the 2 guests present. With no one wishing to discuss matters not on the agenda, the business portion of the meeting was opened.

New Business

Request from Michael and Tracy Carper to approve a Plat of Survey for Parcel "G"-17-60

Currently, Michael and Tracy Carper own 38.9 acres of land outside of the City limits north of Dakota Street. Since the property is within two miles of the City limits, the Carpers are required to go through the City approval process to ensure that the plan will coincide with the Future Land Use Plan. The Carpers are proposing a split of 2.38 acres from the 38.9 acres to create Parcel "G".

Tracy Carper, 4691 Dakota Street Norwalk, IA approached the dais to speak. Carper explained that the reason for the division is to separate the residence and vineyard from the production area. The four year old vines are ready for wine production and therefore, the Carpers are in the process of constructing a building and would like to separate the parcel to have a winery LLC. The winery/building would be located on the 2.38 acres with the remaining larger parcel of land left to Agricultural.

McConnell asked about the location and the road and access onto the property.

Belizzi inquired about other type of events that might take place on the property.

Carper stated that it is a potential in the future. At this point the only plan is to get the wine production up and running this fall.

A motion was made by Belizzi and seconded by Fraser. Approved 5-0.

Discussion regarding the August 14th Planning and Zoning meeting to be moved to August 7th

A request was made by Luke Parris to move the August 14th meeting up by one week due to the fact that he will be out of town the week of the normally scheduled Planning and Zoning meeting. No action necessary.

Future Business Items-

Stark Property Platting and site plan for Certified Industrial Site Sunset Crest Platting & Site Plans Sunset Corner Site Plan North Shore Preliminary Plat Warrior Run Plat 2 Final Plat Rolling Green Plat 6 Final Plat Farms of Holland Plat 3 Final Plat Affordable Housing Research

City Council Update-

Stephanie Riva, Planning and Zoning Commission Liaison, explained the two items that applied to the Planning and Zoning portion of the most recent City Council meeting.

O'Leary's Funeral Home has requested a vacation of Right of Way for the piece of property between O'Leary's and City State Bank and Ace Hardware. The outcome was that easements in that area is researched and that if vacated the property would need to be divided equally and not only going to one property owner.

Parkland dedication agreement for Blooming Heights was updated to allow parkland to be dedicated in the second phase of the development and language was added to say that the City has two options The City can ask for money in exchange for parkland or to make a contribution to the park fund in lieu of dedication in place of providing parkland. A contribution can be different from a monetary contribution; it could be a donation of some sort of service to the City by the developer.

Grant inquired again about Cort landing and Kelly Cortum's dedication of excavating and if it could go towards a sidewalk by McAninch Park.

Parris explained that the cost would exceed the amount that Cortum is required to dedicate. McConnell pointed out that there is now fresh eyes on the park planning and a new understanding of all that is needed to maintain or build City parks.

The final discussion from Council was in regards to the Stark Property and there was no agreement on what to do with the rezoning to the Comprehensive Land Use Plan. Since it is listed on the Future Business Items, it will be addressed again. The Council would like to open it up to public comment again.

Economic Development Update-

State of the City Address will be held on July 20th

SunsetCrest development has closed on a few of the properties; fence will be going up soon & demolition to begin at the end of July.

Sunset Corner, Council approved development so that will start soon

The Home Show will start on July 15th and continue each weekend through July

Elizabeth Holland Park Dedication will happen on July 26th at 4:30 p.m.

Beautification of the downtown area was a success, many helpers volunteered

Windsor Windows had their groundbreaking ceremony and Chambers was packed due to an amazing turn out of people and a little stormy weather

Rowat Granite and Concrete moving into Norwalk soon

Peoples Company have posted signs in SubArea 1

Norwalk has been featured in the news more than 10 times over the past month

Next meeting Date – July 24, 2017.

Adjournment – 17-61

Motion by Huse and seconded by Belizzi to adjourn the meeting at 7:42 p.m. Approved 5 -0.

PLANNING & ZONING COMMISSION AGENDA STATEMENT

For Meeting of 7-24-2017

ITEM TITLE:Consideration of a Pre-Annexation Agreement with Bedwell GardensCONTACT PERSON:Luke Nelson & Luke Parris

SUMMARY EXPLANATION & HISTORY:

The City was approached to consider the annexation of almost 80acres of land surrounding the Bedwell property. State law prevents the creation of an island when an annexation occurs. The State also provides for a City to annex land that is 20% or less of the area being voluntarily annexed. While not required for annexation, City staff has worked with Bedwell to establish a draft voluntary pre-annexation agreement for consideration by Council. The City Attorney has reviewed the agreement and has provided a redline version of the agreement (attached).

FUNDING:

There is no cost for this annexation beyond recording fees. However, there is a delay of tax revenues as part of the allowed graduated abatement. A ten-year graduated abatement of taxes is common when pursuing annexation. Bedwell's current annual County property tax is approximately \$3,600. According to the current City levy their property taxes would be \$4,800. The transition to the City levy will last over 10 years. The amount of tax abated over the ten-year transition is \$5,300 in total.

ALTERNATIVES:

- 1. Approve the attached resolution authorizing signature of the Pre-Annexation Agreement (with modifications as determined by Council).
- 2. Deny the pre-annexation Agreement and proceed with the annexation.
- 3. Ask Staff to conduct further research.
- 4. Take no action at this time.

RECOMMENDATION:

It is recognized that Bedwell Gardens is an important part of Norwalk. The terms within the draft agreement are requests by Bedwells. The redlines are suggestions by the City Attorney and based upon legal opinions. The terms of the agreement are comparable to other voluntary annexation agreements approved by the City. **Staff recommends Alternative 1.**

PRE-ANNEXATION AGREEMENT

This Pre-Annexation Agreement is entered into by and between the City of Norwalk, Iowa, a municipal corporation (hereinafter referred to as the "City") and Gayln W Bedwell and Diana J Bedwell, husband and wife, <u>Galen W. Bedwell, as trustee of the Galyn W. Bedwell Trust</u> and <u>Diana J. Bedwell, as Trustee of the Diana J. Bedwell Trust</u> (hereinafter, collectively referred to as "Owners").

WITNESSETH:

WHEREAS, Owners are the collective owners of record of that real property described in the attached Exhibit "A" (hereinafter referred to as the "Subject Property"); and

WHEREAS, the Subject Property is presently located entirely within Warren County, Iowa, and outside the corporate limits of any other city; and,

WHEREAS, the Subject Property adjoins the existing City boundaries; and,

WHEREAS, the owners desire to have the City annex the property into the Norwalk City limits; and,

WHEREAS, the City desires to annex the subject property.

NOW THEREFORE, in consideration of their mutual promise contained herein, and other good and valuable consideration, it is understood and agreed between the parties as follows:

- 1. **Consent**. The Owners, residents of the property and owners of a nursery and greenhouses located at the property; consent to have the subject property annexed into the City limits.
- 2. **Transitional Taxes**. The annexation application will provide for transition for the imposition of city property taxes in accordance to the maximum percentages allowed by Iowa Code Sections 368.7(5) and 368.11(3)(m).
- 3. **Zoning**. Upon annexation, the Subject Properties will be zoned as, A-R, Agriculture Reserve, pursuant to Section 17.10.020, Norwalk Zoning Ordinance. It is the intent of parties to this Agreement that the A-R zoning classification will allow for the continuation of all current uses being utilized on the respective properties property, including retail <u>nursery/garden/landscaping</u> sales on premise, by Owners until such time as <u>each respectivethe</u> property is rezoned in the future.

If a parcel from, or a portion of, the Subject Property is rezoned in the future at the request of an Owner of a specific parcel of property, then, upon such rezoning, the parcel or specific property rezoned shall conform with the permitted uses provided for in the new zoning district.

If, however, any of the Subject Property is rezoned as a result of the initiation by the City, all uses occurring on each portion of the Subject Property rezoned shall be presumptively deemed to be a legal nonconforming use under the provisions of applicable Iowa law. Attached hereto as Exhibit C and incorporated herein for the Subject Property is a description of the current use of the property. The purpose of such description is to memorialize the uses that will be permitted in the new A-R zoning classification for the Subject Properties and that will be deemed legal nonconforming uses in the event of a rezoning of any parcel of the Subject Properties.

It is the intent of the parties to this Agreement that the Annexation of the Subject Property or any subsequent rezoning by the City will not prevent the continued use of the property as outlined in the attached description contained in Exhibit C.

In addition, it is the intent of the parties to this Agreement that the Annexation of the Subject Property or any subsequent rezoning by the City will not prevent the expansion, enlargement or reconstruction of any structures necessary to continue the uses identified in Exhibit C that are currently constructed and in use on all property covered by this agreement. Such structures necessary to continue the uses identified in Exhibit C shall not be classified as non-conforming structures under Norwalk City Ordinance 17.04.140 and 17.04.150. There will be an irrefutable presumption that any structure provided for under this Agreement that is damaged can be reconstructed.

- 4. **Services.** The City will provide the following services upon completion of annexation:
 - A. Weekly <u>residential</u> solid waste pickup (property owner does not want this service);
 - B. Weekly <u>residential</u> recycling pickup (property owner does not want this service);
 - C. Weekly <u>residential</u> Compost-it pickup (available spring through fall) (property owner does not want this service);
 - D. Norwalk City Police coverage;
 - E. Norwalk City Fire and Rescue coverage;
 - F. Use of Parks and Recreation programs at city resident rates;
 - G. City road maintenance; and
 - H. City snow removal from city roadways.
 - I. City will work with adjacent owners during development to acquire easement for sanitary sewer tap
 - J. Sanitary Sewer Tap Fee shall be waived by the City (property owner is responsible for all installation costs)
 - K. City will work to acquire water rights for the property identified in Exhibit A.

L. City will waive Water Tap Fee and any charges for water meters (this is a one-time waiver for initial installation of City meters)

5. **Additional Provisions**.

- 6. **Waiver**. Owners waive their right to withdraw their consent pursuant to Section 368.7(1)(e).
- 7. **Agreement Binding**. This Agreement shall be binding on and shall inure to the benefit of all successors, assigns, executors, administrators and grantees of the parties.

Dated this _____ day of _____, 2017.

PLANNING & ZONING COMMISSION AGENDA STATEMENT

Item No. <u>6B</u> For Meeting of 07.24.2017

ITEM TITLE:	Request from Windsor Windows & Doors to approve the Final Plat for Windsor Windows Plat 1			
CONTACT PERSON:	Luke Parris, AICP – Community Development Director			
APPLICANT(S):	Windsor Windows & Doors 900 S 29 th Street West Des Moines, IA 50265	Snyder & Associates 2727 SW Snyder Blvd Ankeny, IA 50023		
GENERAL DESCRIPTION:	This request would create one 23.54 acre le development at the northwest corner of IA question was certified as an industrial site Authority in 2014.	28 and Delaware Street. The property in		
IMPACT ON NEIGHBORHOOD:	certified industrial site. Ground to the nort	is Ag land located in the City limits. Ground to ease in traffic will have an impact on		
VEHICULAR & PEDESTRIAN TRAFFIC:	Delaware Street will be paved with an urban cross section. A deceleration lane will be added to IA 28 for the truck traffic turning onto Delaware Street. The City is anticipating receiving a RISE grant from the Iowa DOT to assist in the paving of Delaware Street.			
TRAIL PLAN:	The plat shows 5' sidewalks along IA 28 and Delaware Street. The City is willing to waive the installation of these sidewalks at this time with the property owner has agreed to a petition and waiver for the sidewalks. This will allow for the City to assess the property owner for the cost of constructing the sidewalk at a future date when it is deemed necessary.			
ZONING HISTORY FOR SITE AND IMMEDIATE	This site is zoned in the M-1 General Industrial. Land to the west is zoned M-1 General Industrial as part of the certified industrial site. The land to the east is zoned A-R, Ag Reserve, and the land to the south is located outside of the City limits.			
VICINITY:	All of the surrounding ground is anticipated to be industrial land uses per the City's Comprehensive Plan.			

BUFFERS REQUIRED/ NEEDED:	Adjacent uses are A-R Ag Reserve that would typically require a buffer from M-1 developments. However, the adjacent ground is all proposed to be industrial per the future land use plan in the City's Comprehensive Plan. The developer has indicated they will provide a buffer and berm along Iowa Highway 28. The details of the buffer are shown on the site plan for the project.
DRAINAGE:	Drainage from the site is collect in a detention basin located on the western portion of the lot.
DEVELOPMENT HISTORY:	The area was certified as an industrial site through the Iowa Economic Development Authority in 2014. The City recently rezoned the property to M-1 General Industrial in April 2017.
FLOODPLAIN:	None of the proposed lots are located within a floodplain.
PARKLAND:	Industrial development does not require parkland dedication.
UTILITIES: WATER, SANITARY SEWER, STORM SEWER.	As part of the site certification process through the Iowa Economic Development Authority, the City has committed to providing water and sanitary sewer service to the site. The City's engineer is currently designing installation of a new sanitary sewer main and new water main that will serve the site. The City engineer and developer's engineer have coordinated design efforts to align utilities.
RELATIONSHIP TO COMPREHENSIVE LAND USE PLAN:	This area and the ground surrounding it is identified as industrial ground in the City future land use plan.
STAFF ANALYSIS – ZONING ORDINANCE:	The Preliminary Plat consists of 2 industrial lots, 23.54 acres and 0.85 acres respectively. 2.26 acres of land along IA 28 and Delaware Street will be dedicated to the City for Right-Of-Way purposes.
STAFF ANALYSIS – SUBDIVISION ORDINANCE:	The Subdivision Ordinance requires that Preliminary Plat submissions details on lot design, street layout, sanitary sewer layout, water main layout, grading, and storm water management. Many of the elements, such as street design, water main and sanitary sewer mains are being designed and constructed by the City and are not required on this preliminary plat. The grading will be completed through a separate grading permit.
STAFF RECOMMENDATION:	Staff recommends that the request for the Final Plat of Windsor Windows Plat 1 be approved with the following conditions:
	 That the applicant will or has provided all supporting documentation required within the Norwalk Subdivision Regulations prior to staff releasing this resolution and platting documents for recording at the County That any significant modifications to the final plat be reviewed and approved by the Planning & Zoning Commission and City Council.

DRAFT RESOLUTION NO.

A RESOLUTION APPROVING THE PRELIMINARY PLAT OF WINDSOR WINDOWS PLAT 1

WHEREAS, the Planning & Zoning Commission reviewed this request at their regular meeting on July 24, 2017 and recommends approval of the Final Plat; and

WHEREAS, that the applicant will or has provided all supporting documentation required within the Norwalk Subdivision Regulations prior to staff releasing this resolution and platting documents for recording at the County; and,

WHEREAS, that any significant modifications to the preliminary plat be reviewed and approved by the Planning & Zoning Commission and City Council; and

NOW, THEREFORE, BE IT RESOLVED: That the City Council does hereby approve the Final Plat for Windsor Windows Plat 1 as described and shown in Attachment "A" attached hereto and made a part thereof by reference.

PASSED AND APPROVED this 3rd day of August, 2017.

PLANNING & ZONING COMMISSION AGENDA STATEMENT

Item No. <u>6C</u> For Meeting of 07.24.2017

ITEM TITLE:	Request from Windsor Windows & Doors to approve the Site Plan for Windsor Windows at 901 Sunset Drive		
CONTACT PERSON:	Luke Parris, AICP – Community Development Director		
REQUEST:	Request from Windsor Windows & Doors to approve the site plan for the new Wi Windows facility at 901 Sunset Drive		
APPLICANT(S):	Windsor Windows & Doors 900 S 29 th Street West Des Moines, IA 50265	Snyder & Associates 2727 SW Snyder Blvd Ankeny, IA 50023	
GENERAL DESCRIPTION:	This request is for the developmen production facility, addressed as 90	t of the Windows Windows & Doors vinyl window D1 Sunset Drive.	
IMPACT ON NEIGHBORHOOD:	28 and Delaware Street. The area use is industrial that will increase c	cell/Knox certified site at the corner of Iowa Highway is currently agricultural with a few homes nearby. The ar and truck traffic to the area. The City has planned comprehensive Planning process and the State site	
VEHICULAR & PEDESTRIAN TRAFFIC:	temporary access drive is provided construction of Delaware Street. T 28 at Delaware Street. The City is a	k access are both provided off of Delaware Street. A north of the facility to allow for access during the City he facility will increase car and truck traffic on to Iowa currently working on a traffic study that will determine s along Iowa 28, particularly at the intersection of	
		he construction of Delaware Street. Traffic eceleration lane on southbound Iowa 28 for traffic aware Street.	
PARKING:	manufacturing. The City code requ	ility consists of multiple uses, office, warehouse, and ures different amounts of parking for each use type. In or the proposed facility. The site plan shows 167 ch exceeds the amount required.	

OPEN SPACE & BUFFER LANDSCAPING:	The site provides the minimum of 20% of open space required by the City code. The first phase of the site will have 69.5% open space and at full buildout of the facility, with all planned expansions, the site will have 36.2% open space.
	For landscaping, the full buildout of the facility is required to provide 142 trees and 213 shrubs. The site provides 76 trees and 103 shrubs with the first phase; the remaining buildout will have 66 trees and 110 shrubs. The final buildout will meet the City requirement for landscaping.
	The site plan shows a berm and buffer along Iowa Highway 28. The landscaping shown is for a 50 foot wide buffer. The plantings are shown on the western half of the berm area because the City requested a 15 foot water easement along Iowa Highway 28 and the City did not want the water main to be impacted by tree planted over top of it.
SIGNAGE:	A monument sign location is shown at the southeast corner of the property. The sign location meets required sign setbacks. The details of the monument sign and any building signs will be reviewed via the City's sign permitting process.
ARCHITECTURAL STANDARDS:	The City's architectural standards require that buildings in the M-1 district be composed of 20% class 1 or class 2 materials on the street facing façade; no more than 80% class 3 materials on the street facing façade, with any class 4 materials being no more than 10% of the street facing façade.
	The Windsor Windows facility has street facing façade on the east and south elevations. The submitted architectural elevation shows smooth concrete panels with three varying paint colors and windows that meet the requirements of the architectural standards.
DRAINAGE:	The site includes an on-site system to collect storm water runoff from the parking and building. The storm water system empties to an on-site detention basin to the west of the building. This basin was designed to hold the appropriate amount of runoff until it outlets into the planned City storm sewer along Delaware Street.
UTILITIES: WATER, SANITARY SEWER, STORM SEWER.	Adequate services are provided to the site and detailed on the site plan. The City will be constructing the water and sanitary sewer along lowa Highway 28 and Delaware Street. The City Engineer and the Developer Engineer are coordinating efforts to ensure that service connections are made in the proper locations.
STAFF ANALYSIS:	Overall the site plan meets or exceeds the City's requirements for development of an M-1 parcel. As noted, the developer has shown the landscaping for the buffer located along the western portion of the buffer berm area. This was done at the request of City staff due to concerns from the City Engineer related to a water main and easement through the area. Review of the buffer would indicate that it will still serve the buffering needs of the site.
	The site plan proposal at this time is for the first phase of the Windsor Windows & Doors facility. Windsor plans to expand the facility at some point in the future. Certain details, such as open space and buffering, are provided for this first phase and for the full buildout of the site. It should be noted that at this time that only the improvements related to phase one will be constructed and installed. Other improvements will be built/installed during development of future expansions, which will require further site plan review and approval by the City.

The staff recommends approval with the following conditions:

STAFF RECOMMENDATION:

- That the site development and building construction follow all City code regulations.
- That any significant modifications to the site plan be reviewed and approved by the Planning & Zoning Commission and City Council.

RESOLUTION NO.

A RESOLUTION APPROVING THE SITE PLAN FOR WINDSOR WINDOWS AT 901 SUNSET DRIVE

WHEREAS, the Planning & Zoning Commission reviewed this request at their regular meeting on July 24, 2017 and recommends approval of the Site Plan; and

WHEREAS, that the site development and building construction follow all City code regulations; and

WHEREAS, that any significant modifications to the site plan be reviewed and approved by the Planning & Zoning Commission and City Council; and

NOW, THEREFORE, BE IT RESOLVED: That the City Council does hereby approve the Site Plan for Windsor Windows at 901 Sunset Drive as described and shown in Attachment "A" attached hereto and made a part thereof by reference.

PASSED AND APPROVED this 3rd day of August, 2017.

Tom Phillips - Mayor

CP4 N=7442503.64 E=18508064.86 1/2" REBAR WITH RED CAP 2'SOUTH OF NORTH PROPERTY FENCE 60 WEST OF CHAIN LINK FENCE TO NORTH, NORTHWEST CORNER OF SITE.

CONTROL POINTS

BENCHMARKS

O. CONTRACTOR TO VERIFY ALL UTILITY CROSSINGS AND MAINTAIN MINIMUM 18" VERTICAL AND HORIZONTAL CLEARANCE BETWEEN UTILITIES. CONTRACTOR TO COORDINATE UTILITY ROUTING TO BUILDING AND VERIFY CONNECTION LOCATIONS AND INVERTS PRIOR TO CONSTRUCTION.

P. CONTRACTOR TO COORDINATE NATURAL GAS, ELECTRICAL, TELEPHONE AND ANY OTHER FRANCHISE UTILITY SERVICES WITH UTILITY SERVICE PROVIDER, THE CITY OF NORWALK, AND THE OWNER PRIOR TO CONSTRUCTION.

O. THE CONTRACTOR SHALL BE RESPONSIBLE FOR INSTALLING EROSION CONTROL MEASURES AS NECESSARY. CONTRACTOR SHALL ALSO BE RESPONSIBLE FOR MAINTAINING ANY EXISTING EROSION CONTROL MEASURES ON STAE AT THE TIME OF CONSTRUCTION. GRADING AND SOLIE FROSION CONTROL CODE REQUIREMENTS SHALL BE MET BY CONTRACTOR. A GRADING PERMIT IS REQUIRED FOR THIS PROJECT.

N. THE ADJUSTMENT OF ANY EXISTING UTILITY APPURTANENCES TO FINAL GRADE IS CONSIDERED INCIDENTAL TO THE SITE WORK.

M. THE CONTRACTOR IS RESPONSIBLE FOR CLEANING DIRT AND DEBRIS FROM NEIGHBORING STREETS, DRIVEWAYS, AND SIDEWALKS CAUSED BY CONSTRUCTION ACTIVITIES IN A TIMELY MANNER.

L. ALL PROPOSED CONTOURS AND SPOT ELEVATIONS SHOWN ARE FINISHED GRADES AND/OR TOP OF PAVING SLAB (GUTTER), UNLESS OTHERWISE NOTED.

K. CONTRACTOR TO STRIP AND STOCKPILE TOPSOIL FROM ALL AREAS TO BE CUT OR FILLED. RESPREAD TO MINIMUM 6" DEPTH TO FINISH GRADES.

J. CONTRACTOR TO LOAD AND TRANSPORT ALL MATERIALS CONSIDERED TO BE UNDESIRABLE TO BE INCORPORATED INTO THE PROJECT TO AN APPROVED OFF-SITE WASTE SITE.

I, DIMENSIONS, BUILDING LOCATION, UTILITIES AND GRADING OF THIS SITE ARE BASED ON AVAILABLE NORMATION AT THE TIME OF DESIGN. DEVIATIONS MAY BE NECESSARY IN THE FIELD. ANY SUCH CHANGES OR CONFLICTS BETWEEN THIS FLAVA AND FIELD CONTINGN ARE TO BE REPORTED THE ARCHITECT/ENGINEER PROR TO STARTING CONSTRUCTION. THE CONTRACTOR SHALL BE RESPONSIBLE FOR LAYOUT VERIFICATION OF ALL SITE IMPROVEMENTS PRIOR TO CONSTRUCTION.

H. ALL FIELD TILES ENCOUNTERED DURING CONSTRUCTION SHALL BE RECONNECTED AND NOTED ACCORDINGLY ON THE AS-BUILT DOCUMENTS.

G. IN THE EVENT OF A DISCREPANCY BETWEEN THE QUANTITY ESTIMATES AND THE DETAILED PLANS, THE DETAILED PLANS SHALL GOVERN.

F. CONSTRUCT MANHOLES AND APPURTENANCES AS WORK PROGRESSES. BACKFILL WITH SUITABLE MATERIAL AND COMPACT TO 95% MAXIMUM DENSITY.

E. NOTIFY OWNER, ENGINEER, AND THE CITY OF NORWALK AT LEAST 48 HOURS PRIOR TO BEGINNING

D. ALL TRAFFIC CONTROL SHALL BE PROVIDED IN ACCORDANCE WITH REQUERKENTS SET FORTH IN THE MARKA ON UNIFORM TRAFFIC CONTROL DEVICES (WULCDO). WHEN CONSTRUCTION ACTIVITIES OBSTRUCT PORTIONS OF THE ROADWAY, FLAGGERS SHALL BE PROVIDED. FLAGGERS SHALL CONFORM TO THE WITCO IN APPEARMACE, EQUIPMENT AND ACTIONS.

C. LENGTH OF UTILITIES SHOWN ON PLANS ARE DIMENSIONED FROM CENTERLINE OF STRUCTURE TO CENTERLINE OF STRUCTURE.

B. CONSTRUCTION OF ALL STREET AND UTILITY IMPROVEMENTS SHALL CONFORM TO 2017 SUDAS STANDARD SPECIFICATIONS FOR PUBLIC IMPROVEMENTS AND THE SOILS REPORTS PREPARED BY OTHERS.

PLANNING & ZONING COMMISSION AGENDA STATEMENT

Item No. <u>6D</u> For Meeting of <u>07.24.2017</u>

ITEM TITLE: Request from K&R Wholesale to approve a grading plan for the K&R Wholesale Site on Colonial Parkway

CONTACT PERSON: Luke Parris, AICP – Community Development Director

APPLICANT(S):Neumann Brothers, IncMcClure Engineering CompanyC.J. Morton1360 NW 121 st Street1435 Ohio StreetClive, IA 50325Des Moines, IA 50314Clive, IA 50325

GENERALMcClure Engineering Company has submitted a site plan to the City for a light industrialDESCRIPTION:site east of the Produce Innovations facility for the new location of K&R Wholesale, a
current Norwalk business located on Hakes Drive.

The developer and the City are currently in the middle of the site plan review process. The developer has requested the ability to begin site grading as soon as possible. The City only allows site grading in conjunction with an approved development plan or in conjunction with an approved grading plan. The developer has asked that the City approve the grading plan ahead of finalization of the site plan so that preliminary grading work can be completed starting at the beginning of August. Staff has the site plan approval scheduled for August 7th Planning Commission review and August 17th City Council approval.

Approval of the grading plan would allow the developer to start site grading on August 4th, following potential Council approval on August 3rd.

STAFF ANALYSIS: The grading plan shows proposed grading for a warehouse/distribution facility, loading dock area, parking area, and on-site detention for storm water. The grading is limited to the south half of the property where the first phase of the project is located. The land to the north will be ungraded and is for potential future expansion of the business.

The property is zoned IC Industrial Commerce and the proposed use is allowed in the district. The grading plan appears to be adequate for the proposed building, parking and loading areas, and storm water detention. The developer has submitted drainage calculations for the storm water detention area that were reviewed with no concerns.

STAFFThe staff recommends approval of the grading plan to allow the developer to startRECOMMENDATION:preliminary grading with the following conditions:

- That the site grading follows all City code regulations.
- That all proper storm water controls are installed and in place during all grading operations.
- That the site plan include the final grading plan for the project and that any changes to the final grading plan/site plan be incorporated into the site development.

DRAFT RESOLUTION NO.

A RESOLUTION APPROVING THE GRADING PLAN FOR THE K&R WHOLESALE SITE ON COLONIAL PARKWAY

WHEREAS, the Planning & Zoning Commission reviewed this request at their regular meeting on July 24, 2017 and recommends approval of the Grading Plat; and

WHEREAS, K&R Wholesale and McClure Engineering have submitted a Site Plan for the development of a wholesale/distribution facility at the same location and have requested advanced approval of a grading plan to allow for preliminary site grading to commence; and,

WHEREAS, the City can authorize site grading outside of an approved development plan through the submittal, review, and approval of a grading plan per City Code Chapter 145 Site Grading Regulations; and,

NOW, THEREFORE, BE IT RESOLVED: That the City Council does hereby approve the Grading Plan for the K&R Wholesale Site as described and shown in Attachment "A" attached hereto and made a part thereof by reference.

PASSED AND APPROVED this 3rd day of August, 2017.

Tom Phillips - Mayor
