

Commission on Disability Meeting  
December 16, 2021  
(Unofficial) Minutes of Meeting

The meeting of the Commission on Disability was held at 4:00 pm on Thursday, December 16, 2021 virtually using GoToMeeting. Attending the meeting were Laura Duran and Marcy Rossi. A quorum was not present.

Also in attendance was Travis Farley, Director of Norwood Recreation, and Jim West (potential new COD member).

A non-quorum subsection of the COD was present to listen a presentation that was given by the Recreation Director.

The Recreation Department is doing a pool feasibility study/meetings and Travis welcomed any feedback from the Commission on both pool projects.

The Rec Department is looking to increase adaptive rec programming and partner with Pappas Hospital in some capacity and eventually possibly find a certified therapeutic recreational counselor that could consult for the department.

The Rec Department showed plans for the playground they are proposing at the Municipal airport. Travis said that a letter of support for the project from the Commission would be appreciated.
