Hi Raymond.

I live at the end of Winfield Street in Norwood and I would like to file two complaints. I am bringing these to your attention so we can continue to make progress on redirecting the flights from the flight schools.

\*\*\*\*\*Wed. Feb 22, 2023. It started with 2 planes at 6am. Then the rest of the morning it varied, but there were flights that circled over my house at least 30 times. The earlier flights seem to not go over my house and varied their pattern somewhat. Over all the planes were continuous till about 1230pm, then occasional planes the rest of the afternoon.

\*\*\*\*\*Sunday Feb. 26 from 3 to 530pm the same plane over my house and neighborhood at least 30 times.

Thank you for working with us and please let me know if you need more specific information.
