1) Case and Contact Tracing activity

There has been an increase in total numbers; however the cases on week by week basis are on the decline.

The Town of Norwood, in partnership with Norwood Hospital, is providing COVID-19 testing for Norwood residents. Residents can call 781-278-4499 to register.

3) Re-opening Status/Planning

The Health Department will be the primary enforcement along with the Department of Labor Standards.

2b) Fall Flu Clinic Planning

Fall flu clinic planning has started, however, without more guidance from the State we are unsure of how it will look. Possibilities include appointment times or a drive thru clinic.

2c) Fall Hazardous Waste Day Sept. 26

Hazardous Waste Day is scheduled for Saturday September 26th. However, it will be conducted differently due to social distancing and the number of people allowed at a gathering. The Director is brainstorming different options to lessen the person to person exposure.
