Mr. Raymond: Sunday May 21 was no day of rest for the Winfield/Rock Streets neighborhood. Starting at 8:25am and continuing loudly off and on throughout the day for a total of over 60 overflights over our neighborhood. A number of neighbors complained to me. They complain to me, rather than contact the airport or the FAA, because they see the overflight situation getting worse. After almost a year of overflights, the total is now over 8,000 overflights. There were over 400 overflights alone from May 1 to May 21. Not very many diversions. We look forward to an update during the May Meeting of the Norwood Airport Commission. Thank you...Diane Wiffin
