RE: Airport Construction Update
TODAY' S DATE: August 16, 2023

Taxiway "C" Reconstruction/Realignment Project:

Paving operations have been canceled for August 17th 2023. Runway 17/35 will remain open on that day.

On August 19th 2023 construction activities will require closure of runway 10/28, taxiway "C" between runway 17/35 and the north/south taxilane, and taxiway "A" between runway 10/28 and taxiway "D". This is being done to accommodate paving on the new sections of taxiway "C". Both runway 10/28 and the aforementioned taxiways will close at 7:00 a.m. local time and will remain closed for most of the day. Please plan accordingly and check the NOTAM's for changes to airport conditions. This construction update will also be posted on the Town of Norwood website.

Please advise if you have any questions. I can best be reached by e-mail at: mraymond@norwoodma.gov

Thank you.
