RE: Construction - Norwood Airport Main Parking Lot, April – June 2023

To all airport tenants and users:

Please be advised that we're planning some construction for the airport's main parking lot. This is expected to start on April 10th and will involve installation of a new storm water drainage and filtration system, and repaving and striping of the parking lot.

The work will begin around 6 a.m. Monday, April 10th and will continue for approximately 6 to 8 weeks.

Throughout the work, part the lot will be cordoned off and 87 parking spaces will be unavailable for use. Please anticipate this construction and plan accordingly. Any questions can be directed to my attention at: mraymond@norwoodma.gov, or 781-255-5615. Thank you.

Sincerely,

Mark Raymond, Manager
Norwood Memorial Airport
