

## Application for Local Business Friday

Feature your business and show your civic pride for Norwood by participating in Local Business Friday.

### Purpose/Information

The purpose of Local Business Friday is to highlight businesses in Norwood and learn why their owner(s) chose Norwood. After a brief interview, interested business owners may have their business featured on the Town's social media platforms and website. Norwood Community Media (NCM), The Norwood public access channel, produces and records the interviews, shares the videos on social media, and broadcasts the interviews on TV as part of NCM's Living Local Series.

### Guidelines

- All photos and official statements obtained by Town staff or given to Town staff to conduct Local Business Friday belong to the Town of Norwood, and the Town may use them at its discretion.
- Town staff may, at its discretion, deny your request to participate in Local Business Friday for any reason.
- Featuring a business in Local Business Friday is in no way an official Town endorsement of the business or business owner.
