

## **Required Material for Site Plan Review**

The Planning Board requires the following for Site Plan Review:

- 4 Full Size (24" x 36") Site Plans
- 10 Tabloid Size (11" x 17") Site Plans
- 2 Drainage Reports
- 2 Copies of the application form
- Application Fee (see below)
- Additional materials may be requested (project specific)

The Planning Board requires the following for a Specials Permit(s)

- 2 Copies of the Abutters Request Form
- Application Fee(s) (see below)
- Additional materials may be requested (project specific)

(Often Special Permits will be requested in conjunction with Site Plan Review. In this case all of the aforementioned material is required)

The application fee for Site Plan Review is \$300, applying for a Special Permit is \$300 for each Special Permit applied for, and modification or extension of a Special Permit is \$100.
