

Germany Brook

Germany Brook originates in Westwood and travels two miles, emptying into Ellis Pond in Norwood.

This trail head at the Savage Center offers a few options. Easy: 0.2 mile loop on a gravel path towards the soccer fields. Loop back on a wide grassy path.

Easy-moderate: Secluded wooded trail on a raised berm meets up behind the soccer field. Continue on a wider grass trail where you will spot Germany Brook on your right.

Cross Winter Street to a wide, flat trail, which leads you past the landfill to the Willett School.

Take a detour midway on the trail to a 10 minute hike to the top of the landfill. Here, you will be rewarded with a panoramic view. Gaze south and you can spot Moose Hill and Gillette Stadium.

Wear proper footwear

Protect yourself against mosquitoes and ticks

Trail Information

Location: Savage Center, and Prospect St. to Willett Parkway.

Parking: Willett School, Savage Center.

Trails: Walking, Gravel, Paved, Natural.

Trail Rules and Etiquette

No motorized vehicles allowed on trails.

Dog owners must immediately pick up bag and properly dispose of all pet waste.

Pets are welcomed but must remain on leash.

No alcoholic beverages.

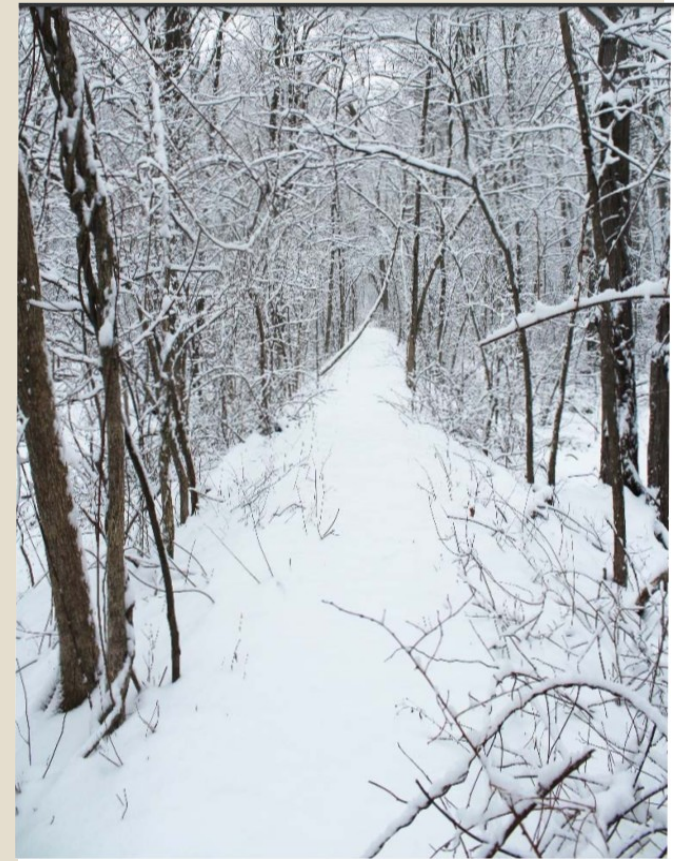

Please stay on the trail and respect private property.

Refer to onsite signs and the Parks & Recreation website for use of athletic fields and courts.

Many Norwood trails and water crossings are subject to flooding after rain events, limiting access. Wear appropriate footwear and travel at your own risk.

NORWOOD TRAILS ADVISORY COMMITTEE

Trails are maintained with the help of volunteers. For information on how you can help, or for more information on Norwood Trails, contact the main office at trails@norwoodma.gov.
