

## License Information

Licenses are issued by the Town Clerk at the Town Hall. To obtain a license the owner must provide proof of an up to date rabies vaccination.

License fees are \$15 for dogs that have been spayed / neutered, \$20 for dogs that have not been spayed / neutered. All dogs 6 months or older are required to be licensed. All dog licenses must be renewed by May 30th of each year. Licenses are available for renewal on January 1st each year.

**Important note:** After May 30th the Town imposes a \$25 late fee for any unlicensed dog. Continued failure to license a dog will also result in a citation from this department per MGL Ch140, Sec 137. Please license your dog in a timely manner to avoid these extra fees. If you have any questions you can call our office at (781)762-3159 or the Town Clerk's office at (781)762-1240.

## Lost/Found Dogs

If we find a dog and it is wearing a license tag we will notify the owner as soon as possible. It is our goal to get every lost animal back to his/her family. If we find an animal and we are unable to locate the owner, or the owner does not claim it in 10 days the dog/cat then becomes available for adoption. [Lost and Found Animals.](#)
