

Hennessey Field

Off Pleasant Street and Lenox Avenue and next to the Murphy Field Playground, is Hennessey Field. This park serves as a green oasis for the surrounding neighborhood.

In the mid-twentieth century, the Town of Norwood acquired several tracts of land, know locally as Hennessey Field. To date, the area remains open space with well maintained walking trails through deciduous woods.

At this location several types of trees and undergrowth can be seen including red maples, red and black oaks, and blueberries. Occasionally, deer and turkeys have been spotted.
