1. Welcome, Introductions, and Housekeeping

2. Panel Presentations

Introduction to the New Hampshire Uniform Healthcare Facility Discharge Data Set (UHFDDS) (10:10)

Jennifer Howley and Chiahui Chawla, New Hampshire Department of Health and Human Services

- *NHDHHS representatives will discuss the UHFDDS, one of the most useful and complete datasets available to public health officials and health care planners, who use the data for the purposes of assessing hospital utilization.*

JOURNEY TO HEALTH: An Analysis of Hospital Visits for the Greater Nashua & Milford, NH Region (10:30)

Sara Siskavich and John Goeman, NRPC

- *NRPC staff will review an analysis of UHFDDS data within the context of community-based transportation.*

Review and Discussion of the NRPC Locally Coordinated Transportation Plan (11:00)

Matt Waitkins, NRPC and RCC Members

- *Mr. Waitkins will review the Locally Coordinated Transportation Plan's main recommendations and lead a discussion on Next Steps for the RCC.*

3. Adjourn (11:30)
