Subject: **PRESS RELEASE** – Homicide 20-3521

On 4/6/20 at 0144hrs, Oak Park Officers were dispatched to the area of 15000 Miller on a report of a female that had been shot. Family of the woman transported her to a local hospital in their private vehicle as Oak Park Officers arrived on the scene.

Oak Park Officers were able to determine that a dispute over one group being loud escalated into an argument and physical confrontation. A 35 yr. old male, from Detroit, retreated into a residence and retrieved a firearm, ultimately firing the gun toward the other people, striking a 25 yr. old female, from Oak Park, multiple times and grazing a 29 yr. old male, from Oak Park, in his leg.

Oak Park Officers were able to locate the 35 yr. old male suspect shortly after the incident and place him into custody, the weapon was recovered.

After lifesaving measures were taken at the hospital, the 25 yr. old female succumbed to her injuries.

Oak Park Detectives are continuing their investigation and will present their case to the Oakland County Prosecutors Office for formal charges in the coming days.

Respectfully,

Lt. Troy T. Taylor
