The Friends of the Oak Park Library is a non-profit organization founded sixty years ago to provide “support of the library” and meet the needs of our community. This initial support included the purchase of the library’s furniture and equipment when it first opened in June 1958.

As the Oak Park Library’s role and the needs of our community have changed, the mission of the Friends of the Oak Park Library has changed to meet these needs. Each year we provide financial support for a wide variety of cultural programs and concert events, support reading programs, purchase equipment, books and other types of media for our library.

Since 1992 the Friends have given over \$50,000 to the library that has been used to fund a wide variety of programs, purchase items for the library, and to encourage the overall enjoyment of reading.

All of these were provided at **no cost** to the taxpayers of Oak Park! We raise funds to support the Oak Park Library through dues, donations and our annual book sale.

We invite you to join us as a partner. We need your help to support our library. Thank you in advance for your membership participation! The Friends meet the second Thursday of each month (except July & August) at 7:00 p.m. in Room 4 of the Community Center. ALL ARE WELCOME!

Detach and Return
