

CITY OF OAK PARK

DEPARTMENT OF
TECHNICAL AND PLANNING SERVICES

Commercial Property Appearance and Maintenance

**Chapter 18 of the City of Oak Park Code of Ordinances
Addresses Building Regulations and Property Maintenance**

A link to this section of the Code of Ordinances can be found below:

www.bit.ly/2QOaEMH

**“As a business owner, you play a vital role in
the appearance and maintenance of our
great city.”**

**- Robert Barrett,
Director of Technical and Planning Services**

What You Can Do To Help:

- Ensure that all trash/dumpster areas are cleaned and maintained regularly
- Remove all blight, litter, and overgrowth from the property
- Maintain parking lots and alleyways
- Promptly remove graffiti
- Keep all sidewalks and walkways clear from snow, ice, and other hazards
- Ensure adherence to sign and window signage requirements

**It's a
team effort
to keep Oak Park
a great place
to live, work,
and shop in!**

Please contact the Department of Technical and Planning Services with any questions, comments, or concerns at (248) 691-7450.
