Oak Park Public Library Updates Weekday Hours

The Oak Park Public Library will now only be open by appointment between the hours of 3 and 4 pm. The regular hours for the Library will remain as is, with this exception. This decision was made as a result of rising COVID cases and increased traffic during those hours, which requires additional staffing. As we continue to search for adequate staffing to ensure we can safely reopen the Library building between 3 and 4 pm, the following services will be available during those times:

- Information desk (by phone);
- Computers and study rooms (by appointment);
- Curbside pickup.

To make an appointment please call 248-691-7480.

Other measures the Oak Park Public Library is taking to protect patrons against the spread of COVID is:

- Requiring all patrons to wear masks;
- Hosting Library Board meetings virtually;
- Continuing to meet the requirements of the Emergency Declaration approved by the Oak Park City Council in September of 2021;
- Hosting events virtually.

We appreciate your patience and understanding and look forward to continuing to serve you.
