Snow Emergencies

WHAT YOU SHOULD KNOW

When is a Snow Emergency Declared?

In the City of Oak Park, the City Manager has the discretion to call a snow emergency when four or more inches of snow falls or other hazardous conditions necessitate. During a snow emergency, vehicles must be removed from curbside and parked off the street to facilitate safe and efficient snow removal on city streets.

What Should You Do During a Snow Emergency?

Until the Snow Emergency has been lifted by City Manager Erik Tungate, all vehicles must be removed from curbside and parked off the street. The City has eight areas within the City designated for overflow parking. They are:

- Eleven Mile Off-Street Parking Lots
- Victoria Park Parking Lots
- Shepherd Park Parking Lots
- City Complex Parking Lots

- Best Park Parking Lot
- Key Park Parking Lot
- Lessenger Park Parking Lot
- Dewey Park Parking Lot

For a map of available snow emergency parking locations within Oak Park, visit <http://bit.ly/OPSnowEmergencyMap>.

How Will You Know When a Snow Emergency Has Been Called?

As a general rule of thumb, if four inches of snow is anticipated, you should be prepared for a snow emergency to be called. If a significant snow event is anticipated, City Manager Erik Tungate will proactively call a Snow Emergency in advance to allow residents to properly prepare.

There are several ways in which residents can confirm that a Snow Emergency has been called. They include:

- **Website:** Log onto the City's website at <http://www.oakparkmi.gov/>. An alert will be posted in the lower right of your screen or at the bottom of your mobile device.
- **Community eBlast:** Enroll to receive Community eBlasts in your email account. To enroll, visit <http://bit.ly/OakParkSignUp>.
- **Robo Call Notification:** Enroll to receive robo calls on your landline or your cell phone. To enroll, visit <http://bit.ly/OakParkSignUp>.
- **Text Message Notification:** Enroll to receive text message notification, visit <http://bit.ly/OakParkSignUp>.
- **Social Media Posts:** Follow us on the City's Facebook or Twitter accounts @CityOfOakPark.
- **Cable:** Tune into the City's Comcast Cable TV15 and 16.
- **Local Television Stations:** The television stations that report the City's snow emergencies include: ABC, CBS, NBC and Fox2Detroit.*
- **Local Radio Stations:** Radio stations that report the City's emergencies include WWJ and WJR.*
- **Marquee:** The City makes a concerted effort to post snow emergencies to the City's digital boards, whenever possible. These boards are located on the northwest corner of Oak Park Blvd. and Coolidge and at Nine Mile Road and Coolidge.

*Please note, although the City reports snow emergencies to radio and television stations, it is the station's prerogative on whether or not (and when) they decide to post the City's announcement.

How is Roadway Snow Removal Prioritized?

During snow emergencies the Department of Public Works prioritizes the roadways. In general, the City crews treat and plow roadways in the following order:

- **Primary Roadways** - Primary routes are the first priority for plowing and de-icing. Primary routes include major streets, snow

- emergency routes, around schools, and to and from medical facilities. These roadways include the I-696 service drives, Greenfield, Coolidge, 11 Mile Road, and Nine Mile Road.
- **Secondary Roadways** - Secondary routes are main and heavily traveled thoroughfares. These include streets like Oak Park Boulevard, Scotia, Rosewood, Church, Capital, Lincoln, and Northfield.
- **Residential Intersections** - Tertiary priority is made to residential intersections so that vehicles can properly stop and proceed safely at intersection roadways. Residential roadways are plowed when appropriate; typically when four or more inches of snow is present, or other circumstances necessitate.

What are the City's Snow Removal Requirements?

The following are snow removal provisions contained in Chapter 66, Section 166-167 of the City's Code of Ordinance:

- Snow and ice must be removed from all sidewalks.
- When it stops snowing during daylight hours, snow and ice must be removed within 12 hours.
- When it stops snowing during night time, snow and ice must be removed by 6:00 p.m. the next day.
- It is considered a public nuisance to allow ice and snow to accumulate on sidewalks.
- Failure to remove snow and/or ice from all sidewalks within the time frames above may result in citations being issued or City removal at the homeowner's expense.

Be Prepared

SNOW EMERGENCIES AND EXTREME WEATHER

When winter is around the corner, it's never too early to prepare for snow and extreme cold weather. Winter storms can occur from early fall to spring. Here are some tips to help prepare for a snow storm or extreme cold weather:

Before Snow Arrives

- **Enroll in the City's Emergency Notification System** – Enroll to receive emergency alerts via email, text, or phone. To register, visit <http://bit.ly/OakParkSignUp>, or email ContactUs@OakParkMI.gov.
- **Download the FEMA Apps and Information** – Download FEMA's app for National Weather Alerts at <https://www.fema.gov/mobileapp> and helpful snow emergency guides at www.fema.gov and www.ready.gov.
- **Build a Home and Vehicle Kit** – Prepare an emergency kit that will last for at least three days of self-sufficiency. For helpful snow emergency guides, visit FEMA (www.fema.gov) and Ready.gov (<https://www.ready.gov/winter-weather>).
- **Winterize Your Home** – Insulate your home and have weather stripping, storm windows or window coverings on windows and doors. Check fireplaces, carbon monoxide detectors, fire extinguishers, and fire alarms yearly.
- **Prepare Your Vehicle** – Check windshield wipers, windshield wiper fluid, antifreeze, brakes, exhaust system, fuel and air filters, tires, battery, heater, defroster, jumper

cables, cell phone charger, hazard lights, and vehicle emergency kit.

- **Maintain Your Medical Equipment** – If you require power to maintain medical equipment, consider purchasing alternative sources of power, such as a generator.
- **Contract a Snow Removal Service** – If unable to remove snow, make arrangements for snow removal services. Sources of assistance include United Way 2-1-1, OLSHA, Area on Aging 1B offices, neighborhood groups, contractors, local churches, Red Cross, and family members.

During Snow Emergencies

- **Tune into the Weather Channel** – The National Weather Service provides active alerts and status updates during weather emergencies. Visit www.weather.gov online or KEC63 NOAA Weather Radio for more information.
- **Stay Informed by the City** – During emergencies, there are a number of ways in which the City provides emergency information. Simply, log onto the City's website (www.OakParkMI.gov); follow the City on social media (Facebook and Twitter @CityOfOakPark); and check for email eBlasts, robo calls, voicemails or text messages (if you have enrolled). Tune into your local television, cable or radio stations (ABC, CBS, NBC, Fox2Detroit and radio stations WWJ, WJR or Comcast OPTV 15) for snow emergency information. You can even call the Oak Park Weather Hotline at (248) 691-7418 for more information.
- **Follow Proper Snow Removal Guidelines** - It is a public nuisance to allow ice and snow to accumulate on sidewalks, therefore residents are required to remove snow and ice within 12 hours after snow stops falling during daylight hours, or by 6 p.m. the day after snow stops falling during night hours.
- **Stay Safe and Healthy** – Stay warm indoors during a storm and walk carefully on outside walkways.
- **Protect Pets** – Bring pets indoors, if possible. Keep outdoor pets safe by sheltering them from extreme weather. Make sure

pets have access to food and non-frozen drinking water.

- **Shovel Safely** – Wear appropriate warm clothing, mittens, boots, scarf, and hat. Avoid overexertion by taking breaks and pushing the snow, versus lifting it. Take proper precautions if you experience signs of frostbite, hypothermia or heart attack.
- **Drive Safely** – Drive only when necessary. Bring vehicle emergency kit and car scraper. Maintain safe fuel levels.

During Power Outages or for Shelter from Extreme Weather

- **City Warming Centers** – The City of Oak Park will open Warming Centers at the Community Center when the weather forecast calls for low temperatures, or a combination of precipitation, wind chill, wind, and temperatures that "feel like" they are 10 degrees or below. Enroll in the City's Emergency Notification System or visit the City's website for more information.
- **Sheltering Assistance Programs** – Consult with FEMA for emergency shelter options. Text SHELTER and a zip code to 43362 (4FEMA). Visit www.DisasterAssistance.gov and www.ready.gov/shelter for more information. If you have pets ask for a list of shelters that accept pets.

This list is meant to be helpful, but may not be all-inclusive. Visit www.FEMA.gov and www.Ready.gov for more information.

Weather Hotline (248) 691-7418

Did you ever wonder if the Oak Park Pool or a league sport is cancelled due to the weather? Occasionally, we close our facilities and cancel activities or events when we experience inclement weather. If you are ever in doubt on whether an event is cancelled or rescheduled, call our weather hotline at (248) 691-7418 for the latest updates.
