

Ogden's Annual Brush, Stump & Leaf Collection Schedule

Daniel S. Wolf, Highway Superintendent & Commissioner of Public Works for the Town of Ogden states, "We will now offer brush and stump pick-up from April through October only with leaf collection beginning in late October."

Clarification of the Town policy is detailed in the "do's & don'ts" list below:

- DO have ALL brush, stumps & raked leaves out to the curbside by 7:00am the Monday of the week of your quadrant. Leaves should be raked into a pile at the curbside. Leaves will be collected separately with our vacuum trucks. Leaves needing pick-up prior to November, may be put into biodegradable bags and put out with the brush.
- DO NOT place brush pile, stumps or raked leaf piles where they will be a sight distance problem for other motorists or your neighbors.
- DO stack brush parallel with the road.
- DO NOT place brush, stumps or raked leaves on anyone's property except for your own.
- DO NOT place brush, stumps or raked leaves in the roadway or on the road shoulder.
- DO NOT place brush, stumps or raked leaves under utility wires where our grapple truck cannot reach.
- DO NOT place ANY other debris with brush, stumps or raked leaves.
- DO NOT include brush or stumps from "lot clearing" for any construction activity. They will NOT be picked up.
- The Town DOES NOT pickup grass clippings.
- DO NOT pile stumps with brush or raked leaves. Please pile them separately as they will be picked up separately.
- All stumps must be 90% free of all dirt and stones and no more than 6" in diameter.
- Contractors are not permitted to bring in any stumps from another location. They will NOT be picked up.
