With winter here we all need to adhere to the Town of Ogden ordinances regarding driveway snow removal and parking on roadways or within the town right-of-way. Please do not park your vehicle or plow your snow onto the road, near the road shoulder, or near the gutter.

Local Law #5-2007

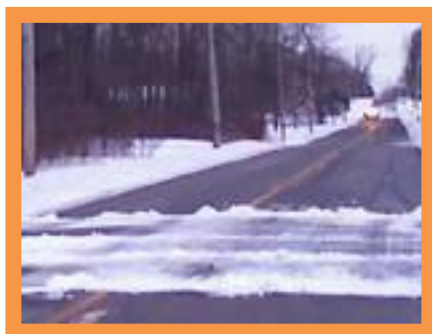

Town of Ogden winter parking ordinance number 197-24.1 states that the parking of vehicles is hereby prohibited on all highways and rights-of-way within the Town of Ogden between the hours of 7PM and 7AM from November 15th through April 15th of each year. Any vehicle found in violation of this statute shall be considered abandoned. Such vehicle shall be removed by or under the direction of the Police Department as provided in this Chapter.

Vehicles as shown in the pictures below that are parked too close to the roadway or that are parked in the roadway create a hazard for the plow trucks trying to get by. These situations can cause accidents which can result in damage to the illegally parked vehicle and/or the town vehicle. Damage costs to either vehicle would fall upon the owner of the illegally parked vehicle.

Town Code Section 169-1

Whether by plow, snow blower, shovel, hired contractor, or any other means, leaving snow or ice in the roadways creates a hazard for the traveling public. It is also against the law to do so. Section 169-1 of the town code allows for a \$250 fine plus labor costs imposed on the resident for leaving snow, ice, dirt, stones, garbage cans, recycling bins, or any other substances upon the highway, which includes pavement, shoulders, and ditches.

No matter the season, please keep the roadways and the right-of-ways clear. Thank you. The Town of Ogden Highway Department.
