

LOCAL LAW # 8-2023
A Local Law amending chapter 260-3 (Swimming Pools) of the Code
of the Town of Ogden

This Local Law proposes to amend chapter 260-3 of the Code of the Town of Ogden to read and provide as follows:

§ 260-3 Building lines

The building line of a pool shall be considered to be the inside face of the pool wall at the normal level of the water surface. Such building line shall be not less than 15 feet from the rear lot line, not less than 20 feet from each side lot line and not nearer to the front line than 60 feet. All swimming pools shall have a minimum of 10 feet setback from all structures, excluding decks which shall have a minimum of 4 feet setback from swimming pools. All measurements shall be to the waters edge.
