Planning Board
Town of Peterborough
1 Grove Street
Peterborough, NH 03458

Dear Members of the Planning Board,

Our neighbors, David Humphrey and Diane Crossman Hall who reside at 215 Spring Road are requesting a variance to build an addition to their existing home. Because of the location of their existing structure, they are requesting both height and setback variances.

We are writing this letter to inform the Peterborough planning board that we support Mr. Humphrey's and Ms. Hall's request for height and setback variances. My wife Kathryn and I urge the planning board to act favorably on their application.

Please feel free to reach out to us with any questions at irvrichardson@hotmail.com or at 603-924-8750.

Sincerely,

Irving Richardson
