

Beautification Committee Meeting Minutes

May 13, 2021

ZOOM

Claiborne, Janine, Candice, Brooke and Charles in attendance.

Charles has asked for feedback from vTTB 2021 of SDPC. NO response yet, will follow up this week.

Suggest we include Lakes & Bridges in providing vTTB e- information, etc. to these students. We can provide material now if they operate in summer.

Ideas for next 30 days in this budget year:

NEED rocks for (large size) rain garden and native flower beds delivered to PCBEAC education building.

BE thinking of projects for 2021/2022 budget year starting on 7/1/21.
