The Chairman of the County Council and the County Administrator, or either one of them acting alone, are hereby

authorized to execute and deliver on behalf of the County all deeds and other certificates and documents as they deem necessary, upon advice of counsel, to accomplish the foregoing.

By proper action, the County Council has duly authorized the execution and delivery of the Documents to which the County is a party and has taken all such action as is necessary to permit the County to enter into and fully perform the transactions required of it under the Documents.

(b) Neither the execution and delivery of the Documents, nor the consummation and performance of the transactions described in the Documents, violate, conflict with or will result in a breach of any of the material terms, conditions or provisions of any agreement, restriction, law, rule, order or regulation to which the County is now a party or by which it is bound.

(c) There is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any judicial or administrative court or agency, public board or body, pending or threatened, against or affecting the County, wherein an unfavorable decision, ruling or finding may or would materially adversely affect the validity or enforceability of the Documents, the County's obligations hereunder, or the consummation of the transactions described in the Documents.

(d) Neither the existence of the County nor the rights of any members of County Council to their offices is being contested and none of the proceedings taken to authorize the execution, delivery and performance of such of the Documents as require execution, delivery and performance by the County has been repealed, revoked, amended or rescinded.

(e) All consents, authorizations and approvals required on the part of the County, State and all other Applicable Governmental Bodies in connection with the execution, delivery and performance by the County of such of the Documents as require execution, delivery and performance by the County have been obtained and remain in full force and effect as of the date hereof or will be obtained.

(f) The Project constitutes a "project" within the meaning of the Act.

(g) By due corporate action, the County has agreed that, subject to compliance with applicable provisions of the Fee Act, each item of real and personal property comprising the Project shall be considered Economic Development Property.

(h) The Documents to which the County is a party are (or, when executed, will be) legal, valid and binding obligations of the County enforceable against the County under present law in accordance with their respective terms, except as such terms may be limited by laws affecting creditors' rights generally.

SECTION 3.2. *Covenants by the County*. The County covenants with the Companies as follows:

(a) The County agrees to do all things deemed reasonably necessary as requested by any Company in writing in connection with the Project including but not limited to the execution, delivery and performance of its obligations in the Documents and in accordance with the Act, all for the purposes of promoting industrial development, developing trade, and utilizing and employing the manpower and natural resources of the County and the State.

(b) To the extent permitted by law, any Company may request of the County, and the County may approve in its sole discretion, an extension of the Investment Period in accordance with and up to the limits permitted under Section 12-44-30(13) of the Fee Act; provided, however, any such request by the Real Property Owner shall, during the term of any lease or similar agreement between the Operating Company and the Real Property Owner, require the prior written consent of the Operating Company. The grant of any such extension by the County may be approved by a resolution of County Council. Upon the granting of any such extension the County agrees to, at the Companies' expense, cooperate with the Companies in assisting the Companies to file with the DOR a copy of documentation evidencing such extension within thirty days of the date of execution thereof by the County.

SECTION 3.3. *Representations and Warranties of the Operating Company.* The Operating Company makes the following representations and warranties to the County:

(a) The Operating Company is a [_____] authorized or to be authorized to transact business in the State. The Operating Company has full power to execute the Documents to which it is a party and to fulfill its obligations described in such Documents and, by proper action, has authorized the execution and delivery of the Documents to which it is a party.

(b) Neither the execution and delivery of the Documents to which the Operating Company is a party, nor the consummation and performance of the transactions described in such Documents violate, conflict with, or will, to its knowledge, result in a material breach of any of the material terms, conditions or provisions of any agreement, restriction, law, rule, order or regulation to which the Operating Company is now a party or by which it is bound.

(c) There is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any judicial or administrative court or agency, public board or body, pending or threatened, against or affecting the Operating Company wherein an unfavorable decision, ruling or finding would adversely and materially affect the consummation of the transactions described in the Documents to which the Operating Company is a party.

(d) All consents, authorizations and approvals required on the part of the Operating Company in connection with the execution, delivery, and performance by the Operating Company of Documents to which the Operating Company is a party and the transactions contemplated thereby and the acquisition, construction and installation of its respective portion of the Project have been obtained and remain in full force and effect or will be obtained.

(e) The Documents to which the Operating Company is a party are (or, when executed, will be) legal, valid and binding obligations of the Operating Company enforceable against the Operating Company in accordance with their respective terms, except as such terms may be limited by laws affecting creditors' rights generally.

SECTION 3.4. *Representations and Warranties of the Real Property Owner*. The Real Property Owner makes the following representations and warranties to the County:

(a) The Real Property Owner is a [_____] authorized or to be authorized to transact business in the State. The Real Property Owner has full power to execute the Documents to which it is a party and to fulfill its obligations described in such Documents and, by proper action, has authorized the execution and delivery of the Documents to which it is a party.

(b) Neither the execution and delivery of the Documents to which the Real Property Owner is a party, nor the consummation and performance of the transactions described in such Documents violate, conflict with, or will, to its knowledge, result in a material breach of any of the material terms, conditions or provisions of any agreement, restriction, law, rule, order or regulation to which the Real Property Owner is now a party or by which it is bound.

(c) There is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any judicial or administrative court or agency, public board or body, pending or threatened, against or affecting the Real Property Owner wherein an unfavorable decision, ruling or finding would adversely and materially affect the consummation of the transactions described in the Documents to which the Real Property Owner is a party.

(d) All consents, authorizations and approvals required on the part of the Real Property Owner in connection with the execution, delivery, and performance by the Real Property Owner of Documents to which the Real Property Owner is a party and the transactions contemplated thereby and the acquisition, construction and installation of its respective portion of the Project have been obtained and remain in full force and effect or will be obtained.

(e) The Documents to which the Real Property Owner is a party are (or, when executed, will be) legal, valid and binding obligations of the Real Property Owner enforceable against the Real Property Owner in accordance with their respective terms, except as such terms may be limited by laws affecting creditors' rights generally.

ARTICLE IV

COMMENCEMENT AND COMPLETION OF THE PROJECT

SECTION 4.1. *The Project.* The Companies and, as applicable, any Sponsor Affiliate(s), have acquired, leased, constructed and/or installed or made plans for the acquisition, lease, construction and/or installation of certain real property, real property improvements, including, without limitation, the Improvements, and machinery, equipment, and other personal property, including, without limitation, the Equipment, which comprise the Project and are anticipated to create, or cause the creation of, 277 full-time jobs, in the aggregate, at the Project. The Parties agree that Project property shall consist of such property and any additional real and/or personal property as may be identified by any Company, Affiliates, or other third parties that have entered into any financing, lease, license or other access arrangement with any Company or any Affiliates with respect to Project property tax or fee in lieu of tax forms, including any schedules thereto (as such filings may be amended or supplemented from time to time), for each year within the Investment Period and, with respect to Replacement Property, for each year thereafter during the term of this Fee Agreement.

Pursuant to the Fee Act, the Companies and the County hereby agree that to the extent that the property comprising the Project is Economic Development Property, it will remain Economic Development Property so long as such property meets the requirements of the Fee Act.

Notwithstanding any other provision of this Fee Agreement, any Company or Sponsor Affiliate may place property into service, without any limit as the amount thereof, at any time under this Fee Agreement, but such property may only qualify as Economic Development Property if it is placed in service during the Investment Period, including any additional extension period, or is Replacement Property.

All investment in the Project by any Company, by any of its Affiliates, and by any third party to the extent that any Company or any of its Affiliates utilizes the property funded by such third party pursuant to any financing, lease, license, or other access arrangement shall, to the extent permitted by law, count toward any investment requirement or threshold specified in this Fee Agreement including, without limitation, the Contractual Minimum Requirement and the Statutory Minimum Requirement. Any Sponsor Affiliate shall hereby be entitled, to the extent permitted by the Fee Act, to all rights and benefits set forth in this Fee Agreement including, without limitation, the Negotiated Payments-in-Lieu-of-Taxes arrangement specified in Section 5.1 hereof and shall be bound by all of the terms and provisions of this Fee Agreement related thereto, except as provided otherwise in any separate written agreement, all with respect to each such entity's portion of the Project. The Companies shall notify DOR in writing of all such entities to benefit from the Negotiated Payments-in-Lieu-of-Taxes arrangement in accordance with Section 12-44-130(B) of the Fee Act. Any other entity to whom any Company intends to extend the benefits of the Negotiated Payments-in-Lieu-of-Taxes arrangement may, at the request of such Company, be approved by a resolution passed by the County Council, in its sole discretion; provided, however, any such request by the Real Property Owner shall, during the term of any lease or similar agreement between the Operating Company and the Real Property Owner, require the prior written consent of the Operating Company.

SECTION 4.2. *Diligent Completion.* The Companies agree to use commercially reasonable efforts to cause the acquisition, construction and installation of the Project by the end of the Investment Period; however, notwithstanding anything contained in this Fee Agreement to the contrary, the Companies shall not be obligated to complete, or cause the completion of, the acquisition, construction, and installation of the Project and any Company may terminate this Fee Agreement with respect to all or a portion of its respective portion of the Project as set forth in Article X herein; provided, however, any such termination by the Real Property Company shall require the prior written consent of the Operating Company.

SECTION 4.3. *Modifications to Project*. Any Company may make, or cause to be made, from time to time any additions, modifications or improvements to its respective portion of the Project that it may deem desirable for its business purposes.

SECTION 4.4. *Payment of Administration Expenses.* The Companies shall reimburse, or cause to be reimbursed, the County, from time to time, for the County's Administration Expenses incurred in the fulfillment of its obligations hereunder, or in the implementation of this Fee Agreement's terms and provisions, with respect to the Companies, promptly upon written request therefor, but in no event later than sixty days after receiving written notice from the County specifying the nature of such expense and requesting the payment of the same. The County acknowledges that it imposes no charges in the nature of impact fees or recurring fees in connection with the Project or the incentives authorized hereby, and aside from the attorneys' fees set forth below, the County anticipates no out of pocket expenses in connection with this Fee Agreement and the transactions contemplated hereunder. The parties understand that legal counsel to the County has estimated its fees and other expenses for the review of the Inducement Resolution, this Fee Agreement, the Multi-County Park Agreement, and all resolutions, ordinances and other documentation related thereto at \$2,500, and, absent unforeseen circumstances, such fees shall not exceed \$3,000. The Companies shall pay, or cause the payment of, such amount to the County within 30 days of the execution of this Fee Agreement.

SECTION 4.5. *Reports, Filings.* In accordance with Section 12-44-90 of the Fee Act, the Companies shall cause a copy of this Fee Agreement, as well as a copy of the completed Form PT-443 of DOR, to be filed with the County Auditor, the County Assessor, the County Treasurer and DOR within thirty days after the date of execution and delivery hereof and shall also cause a copy of this Fee Agreement to be filed with the County Auditor and the County Assessor of Oconee County, South Carolina. In addition, for each year during the Fee Term, each Company shall provide the County Auditor, the County Assessor, and the County Treasurer with a copy of all annual filings made by such Company to DOR with respect to its respective portion of the Project, pursuant to this Fee Agreement and the Fee Act.

ARTICLE V

NEGOTIATED PAYMENTS-IN-LIEU-OF-TAXES; DISPOSITION OF NEGOTIATED PAYMENTS-IN-LIEU-OF-TAXES

SECTION 5.1. *Negotiated Payments-in-Lieu-of-Taxes.* The parties acknowledge that under Article X, Section 3 of the Constitution of the State, the Project is exempt from *ad valorem*

property taxes. However, each Company and any Sponsor Affiliates shall be required to make, or cause to be made, Negotiated Payments-in-Lieu-of-Taxes with respect to its respective portion of the Economic Development Property comprising the Project as provided in this Section 5.1. In accordance with the Fee Act, and unless this Fee Agreement is sooner terminated, each Company and any Sponsor Affiliates shall make, or cause to be made, annual Negotiated Payments-in-Lieu-of-Taxes with respect to its respective portion of the Economic Development Property comprising the Project, said payments being due and payable and subject to penalty assessments in the manner prescribed by the Fee Act. Such amounts shall be calculated and payable as follows:

(a) Subject to the provisions of Section 5.4 hereof, the County has agreed to accept, and each Company has agreed to make, or cause to be made, annual Negotiated Payments-in-Lieu-of-Taxes with respect to its respective portion the Economic Development Property comprising the Project in an amount equal to the property taxes that would be due with respect to such property, if it were taxable, but using (i) an assessment ratio of 6%; (ii) a millage rate which is fixed at 262.1 mills; and (iii) the fair market value of such property which shall be determined in accordance with Section 12-44-50(A)(1)(c) of the Fee Act as follows:

(i) for real property if such real property is constructed for the fee or is purchased in an arm's length transaction, by utilizing the original income tax basis for South Carolina income tax purposes without regard to depreciation, reassessment, or other diminution in value, which value shall remain fixed for the Fee Term; and

(ii) for personal property, using the original income tax basis for South Carolina income tax purposes less depreciation, reassessment, or other diminution in value, allowable for property tax purposes, except that the Companies are not entitled to extraordinary obsolescence.

(b) The Negotiated Payments-in-Lieu-of-Taxes shall be made on the basis that the Economic Development Property comprising the Project, if it were otherwise subject to *ad valorem* property taxes, would be allowed all applicable exemptions from those taxes, except the five-year exemption from County taxes allowed for certain manufacturing, distribution, corporate headquarters and research and development facilities pursuant to Section 3(g) of Article X of the Constitution of the State and Sections 12-37-220(B)(32) and (34) of the Code.

(c) Each Company and any Sponsor Affiliate shall make, or cause to be made, Negotiated Payments-in-Lieu-of-Taxes for each year during the term hereof beginning with the property tax year following the year Project property consisting of Economic Development Property is first placed in service. The Negotiated Payments-in-Lieu-of-Taxes shall be made to the County Treasurer on the due dates which would otherwise be applicable for *ad valorem* property taxes for the Project, with the first payment being due on the first date following the delivery of this Fee Agreement when, but for this Fee Agreement, such taxes would have been paid with respect to the Project.

(d) Any Economic Development Property placed in service as part of the Project during the Investment Period shall be included in the calculation of payments pursuant to paragraphs

(a), (b) and (c), above, for a period not exceeding the Fee Term as provided for in Section 5.3 herein. Pursuant to and subject to the Fee Act: (i) Replacement Property shall be included (using its income tax basis) in the calculation of payments pursuant to paragraphs (a), (b) and (c), above, but only up to the original income tax basis of property which is being disposed of in the same property tax year; (ii) Replacement Property shall be deemed to replace the oldest property subject to the Negotiated Payments-in-Lieu-of-Taxes which is disposed of in the same property tax year that the Replacement Property is placed in service; (iii) more than one piece of Replacement Property can replace a single piece of property; (iv) Replacement Property does not have to serve the same function as the Project property it is replacing; (v) to the extent that the income tax basis of the Replacement Property exceeds the original income tax basis of the Project property which it is replacing, the portion of such property allocable to the excess amount shall be subject to annual payments calculated as if the exemption for Economic Development Property were not allowed; and (vi) Replacement Property is entitled to Negotiated Payments-in-Lieu-of-Taxes pursuant to this Section 5.1 hereof for the remaining portion of the Fee Term hereof applicable to the property which it is replacing.

SECTION 5.2. Disposal of Property; Replacement Property.

(a) In any instance where any Company or any Sponsor Affiliate in its sole discretion determines that any item or items of property included in its respective portion of the Project have become, in whole or in part, inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, such Company or such Sponsor Affiliate may remove such item (or such portion thereof as such Company or such Sponsor Affiliate shall determine) or items and sell, trade in, exchange or otherwise dispose of it or them (as a whole or in part) without any responsibility or accountability to the County. The loss or removal from the Project of any property, or any portion thereof, as a result of fire or other casualty or by virtue of the exercise or threat of the power of condemnation or eminent domain shall be deemed to be a disposal of such property, or portion thereof, pursuant to this Section 5.2. Subject to the provisions of Section 5.4 hereof with regard to the maintenance of certain investment levels, and this Section 5.2 with respect to Replacement Property, the Negotiated Payments-in-Lieu-of-Taxes required by Section 5.1 hereof shall be reduced by the amount thereof applicable to any property included in the Project, or part thereof, disposed of, or deemed disposed of, pursuant to this Section 5.2.

(b) Any Company or any Sponsor Affiliate may, in its sole discretion, replace, renew or acquire and/or install other property in substitution for, any or all property or portions thereof disposed of, or deemed disposed of, pursuant to Sections 5.1(d) and 5.2(a) hereof. Any such property may, but need not, serve the same function, or be of the same utility or value, as the property being replaced.

SECTION 5.3. *Fee Term*. The applicable term of this Fee Agreement shall be measured for each Stage beginning from the last day of the property tax year in which such Stage of the Project is placed in service through the last day of the property tax year which is the nineteenth year following such year; provided, that the maximum term of this Fee Agreement shall not be more than twenty years from the end of the last year of the Investment Period. This Fee Agreement shall terminate, as to the Negotiated Payments-in-Lieu-of-Taxes arrangement, with respect to the Project or any Stage or part thereof, upon the earlier to occur of (a) payment of the

final installment of Negotiated Payments-in-Lieu-of-Taxes pursuant to Section 5.1 hereof, or (b) exercise by any Company of its option to terminate pursuant to Section 10.1 hereof; provided, however, any such termination by the Real Property Company shall require the prior written consent of the Operating Company.

SECTION 5.4. Failure to Achieve or Maintain Investment Requirements.

(a) In the event that the Contractual Minimum Requirement is not satisfied by the end of the Investment Period, then the Negotiated Payments-in-Lieu-of-Taxes shall revert retroactively to *ad valorem* property taxation and the County shall terminate this Fee Agreement. In the event that the County terminates this Fee Agreement pursuant to the provisions of this Section 5.4, within one hundred eighty days of the end of the Investment Period, each Company and any Sponsor Affiliate shall make, or cause to be made, payments to the County in an amount equal to the difference between the Negotiated Payments-in-Lieu-of-Taxes theretofore made and the amount of *ad valorem* property taxes which would otherwise have been due, subject to Section 5.4(c) hereof, provided, however, that notwithstanding the foregoing provisions of this Section 5.4(a), as long as the Statutory Minimum Requirement is nevertheless satisfied by the end of the Investment Period, upon request of any Company, the County may by resolution of County Council, in its sole discretion, elect to waive any or all of the differential payment to the County otherwise required by this Section 5.4(a).

(b) If, during the remainder of the Fee Term following the end of the Investment Period, aggregate investment in the portion of the Project consisting of Economic Development Property, without regard to depreciation, reassessment, or other diminution in value, falls below \$24,063,000, or such lower level as may hereafter be agreed to by the County, then the portion of the Project consisting of Economic Development Property shall prospectively be subject to *ad valorem* property taxation or payments-in-lieu-of-taxes pursuant to the Multi-County Park Act, as the case may be, subject to Section 5.4(c) hereof, provided, however, that notwithstanding the foregoing provisions of this Section 5.4(b), as long as the Statutory Minimum Requirement is nevertheless maintained, upon request of any Company, the County may by resolution of County Council, in its sole discretion, elect to waive any or all of the increased payments-in-lieu-of-taxes to the County otherwise required by this Section 5.4(b).

(c) In the event that any Company or any Sponsor Affiliate is required to make, or to cause to be made, any differential payment to the County or is no longer eligible for Negotiated Payments-in-Lieu-of- Taxes, pursuant to paragraphs (a), or (b) of this Section, in calculating any such differential payment or prospective *ad valorem* property tax or payments-in-lieu-of-taxes pursuant to the Multi-County Park Act due from such Company or Sponsor Affiliate, such Company or Sponsor Affiliate shall be entitled: (1) to enjoy the five-year exemption from *ad valorem* property taxes (or fees in lieu of property taxes) provided by Article X, Section 3 of the Constitution of the State, and any other property tax exemption that would have been available to such Company or Sponsor Affiliate; (2) to enjoy all allowable depreciation; and (3) to receive all other tax credits which would be due if such Company or Sponsor Affiliate were obligated to pay *ad valorem* property taxes hereunder or under the Fee Act.

(d) Notwithstanding anything herein to the contrary, including without limitation the provisions of Section 9.2 hereof, the remedies stated in this Section 5.4 hereof shall be the County's sole remedies for failure to meet any required investment, or, if applicable, job creation or retention, level hereunder or under the Fee Act.

SECTION 5.5. Multi-County Park Designation.

(a) The County agrees to include, if not already so included, and to maintain, the Project and the Site in a Multi-County Park, pursuant to the Multi-County Park Provision and the Multi-County Park Act, on terms which provide any additional job tax credits afforded by the laws of the State for projects located within multi-county industrial or business parks for all full-time jobs created at the Site and the Project during the Fee Term, and to undertake and execute those procedures, instruments, ordinances, resolutions and documents as may be reasonably required to accomplish same.

(b) [Reserved]

SECTION 5.6. *Leased Equipment.* To the extent that applicable law allows or is revised or construed to allow the benefits of the Fee Act, in the form of Negotiated Payments-in-Lieu-of-Taxes as described in Section 5.1 hereof, to be applicable to personal property to be installed at the Project and leased to but not purchased by any Company or, as applicable, any Sponsor Affiliate, from at least one third party, under any form of lease, then that personal property, at such Company's or Sponsor Affiliate's sole election, will become subject to Negotiated Payments-in-Lieu-of-Taxes to the same extent as the Equipment under this Fee Agreement, upon proper application of the law and applicable procedures by such Company or, as applicable, such Sponsor Affiliate and so long as the values of such leased assets are reported by such Company or, as applicable, such Sponsor Affiliate on their respective SCDOR PT-300.

ARTICLE VI

PROPERTY TAX EXEMPTION AND ABATEMENT

SECTION 6.1. *Protection of Tax Exempt Status of the Project*. In order to insure that the Project is not and will not become subject to *ad valorem* property taxes under the laws of the State or any political subdivision thereof, the County and the Companies covenant that:

(a) all rights and privileges granted to any Party under this Fee Agreement or any other Documents shall be exercised so that if any conflict between this Section 6.1 and any other provision in any document shall arise, then in that case, this Section 6.1 shall control;

(b) the County and the Companies have not knowingly committed or permitted and will not knowingly commit or permit (as to any act over which either has control) any act which would cause the Project to be subject to *ad valorem* property taxes by the County or other political subdivision of the State in which any part of the Project is located; and

(c) the Companies will maintain the identity of the Project as a "project" in accordance with the Act.

ARTICLE VII

EFFECTIVE DATE

SECTION 7.1. *Effective Date*. This Fee Agreement shall become effective as of the date first written above.

ARTICLE VIII

SPECIAL COVENANTS

SECTION 8.1. Indemnification Covenants.

(a) The Companies shall and agree to hold the County and its County Council members, officers, agents and employees (collectively, the "*Indemnified Parties*") harmless from pecuniary liability in connection with those reasons set forth in (i) or (ii) of Section 8.1(b) hereof.

(b) Notwithstanding the fact that it is the intention of the Parties that neither the County nor any of its members, officers, agents and employees shall incur any pecuniary liability to any third party (i) by reason of the terms of this Fee Agreement or the undertakings of the County required hereunder, or (ii) by reason of the performance of any act in connection with the entering into and performance of the transactions described in the Documents, if any of the Indemnified Parties should incur any such pecuniary liability, then, in that event the Companies shall indemnify and hold harmless the Indemnified Parties against all pecuniary claims by or on behalf of any Person, arising (i) by reason of the terms of this Fee Agreement or the undertakings of the County required hereunder, or (ii) by reason of the performance of any act in connection with the entering into and performance of the transactions described in the Documents, and all reasonable costs and expenses, including reasonable attorney's fees, incurred in connection with defending against any such claim, and upon notice from the County, the Companies at their own expense shall defend the Indemnified Party in any such action or proceeding. An Indemnified Party may not avail itself of the indemnification provided in this Section unless it provides the Companies with prompt written notice, reasonable under the circumstances, of the existence or threat of any claim or liability, including, without limitation, copies of any citations, orders, fines, charges, remediation requests, or other claims or threats of claims, in order to afford the Companies written notice, reasonable under the circumstances, within which to defend or otherwise respond to a claim.

The Companies are entitled to manage and control the defense of or response to any claim, charge, lawsuit, regulatory proceeding or other action, for themselves and the Indemnified Party; provided the Companies are not entitled to settle any matter at the separate expense or liability of any Indemnified Party without the consent of that Indemnified Party. To the extent any Indemnified Party desires to use separate counsel for any reason, other than a conflict of interest, that Indemnified Party is responsible for its independent legal fees.

(c) Notwithstanding the foregoing, the Companies shall not be obligated to indemnify any Indemnified Party for expenses, claims, losses or damages arising from the intentional or willful misconduct or negligence of the County or any of its individual members, officers, agents or employees.

SECTION 8.2. Assignment and Leasing. Subject to and pursuant to the Fee Act, including Section 12-44-120 thereof, with the County's consent, which shall not be unreasonably withheld, any or all of any Company's interest in the Project and/or this Fee Agreement may be transferred or assigned by such Company or any assignee to any other entity; provided, however, any such transfer or assignment by the Real Property Company shall require the prior written consent of the Operating Company; provided further, however, that such consent is not required in connection with financing-related transfers or any other transfers not requiring the consent of the County under the Fee Act. The County hereby expressly consents to any transfer or assignment by any Company of any or all of its interest in the Project and/or this Fee Agreement to any Affiliates of such Company and to any transfer or assignment of any or all of such interest among other such Affiliates. Except as otherwise required by the Fee Act or this Fee Agreement, a transaction or an event of sale, assignment, leasing, transfer of an interest herein, disposal, or replacement of all or part of the Project shall not be a termination of this Fee Agreement in whole or in part or a basis for changing the fee payments due under Section 12-44-50 of the Fee Act. Notwithstanding any provision of this Section 8.2 to the contrary, if and to the extent that the future consent of the County is required in connection with a transfer, assignment or other action referenced in this Section, the County hereby expressly agrees that, to the extent permitted by the Fee Act, such approval may be provided by a letter or other writing executed by the Chair or the County Administrator, and each of those two officials are hereby expressly authorized to provide such consent on behalf of the County. If, notwithstanding the foregoing sentence, any Company elects to obtain additional action by County Council indicating such consent, a resolution passed by County Council shall be sufficient to indicate such additional County Council consent.

SECTION 8.3. *Commensurate Benefits.* The Parties acknowledge the intent of this Fee Agreement, in part, is to afford the Companies the benefits specified in Article V hereof in consideration of the Companies' decision to locate the Project within the County, and this Fee Agreement has been entered into in reliance upon the enactment of the Fee Act and the County's compliance with the requirements thereof. In the event that a court of competent jurisdiction holds that the Fee Act is unconstitutional or this Fee Agreement, the Multi-County Agreement or agreements similar in nature to this Fee Agreement or the Multi-County Park Agreement are invalid or unenforceable in any material respect, or should any Company determine there is a reasonable doubt as to the validity or enforceability of this Fee Agreement in any material respect, then at the request of any Company, the County agrees to extend to such Company the intended benefits of this Fee Agreement and agrees, if requested, to enter into a lease purchase agreement or similar arrangement with such Company pursuant to Section 12-44-160 of the Fee Act, under Title 4, Chapter 29 or Title 4, Chapter 12 of the Code, as applicable, and to take such other steps as may be appropriate to extend to such Company the intended benefits of this Fee

Agreement, including, without limitation, the provision of a special source revenue credit which is commensurate to the benefits which would otherwise accrue to such Company under the Fee Agreement.

SECTION 8.4. Confidentiality. The County acknowledges and understands that the Companies may have and maintain at the Project certain confidential and proprietary information. The County agrees that neither the County nor any employee, agent or contractor of the County: (i) shall request or be entitled to receive any such confidential or proprietary information, or (ii) shall request or be entitled to inspect the Project or any property associated therewith. To the extent that any Company has heretofore provided confidential and proprietary information regarding the Project in the County which has been provided under written designation of such Company as "Confidential," the County shall not knowingly and intentionally disclose or otherwise divulge any such confidential or proprietary information to any other person, firm, governmental body or agency, or any other entity unless specifically required to do so by State law. In the event that the County is required to disclose any confidential or proprietary information obtained from any Company to any third party, the County agrees to provide such Company with maximum possible advance notice of such requirement before making such disclosure, and to cooperate with any attempts by such Company to obtain judicial or other relief from such disclosure requirement, at the expense of such Company.

ARTICLE IX

EVENT OF DEFAULT AND REMEDIES

SECTION 9.1. *Events of Default Defined.* The occurrence of any one or more of the following events shall be an "Event of Default" under this Fee Agreement:

(a) If any Company shall fail to make, or cause to be made, any Negotiated Paymentsin-Lieu-of-Taxes or any other amount required under this Fee Agreement and such failure shall continue for thirty days after receiving written notice of default from the County; or

(b) If any Company shall fail to observe or perform any covenant, condition or agreement required herein to be observed or performed by such Company (other than as referred to in Section 9.1(a) hereof), and such failure shall continue for a period of thirty days after written notice of default has been given to such Company by the County; provided if by reason of "force majeure" as hereinafter defined, such Company is unable in whole or in part to carry out any such covenant, condition or agreement or if it takes longer than thirty days to cure such default and such Company is diligently attempting to cure such default, there shall be no Event of Default during such inability. The term "force majeure" as used herein shall mean circumstances not reasonably within the control of the parties, such as without limitation, acts of God, strikes, lockouts or other industrial disturbances; war; acts of public enemies; mobilization or military conscription on a large scale; order of any kind of the government of the United States or any State, or any civil or military authority other than the County Council or other County authority; insurrections; riots; landslides; earthquakes; fires; lightning; storms; droughts;

floods; requisitions, confiscation, or commandeering of property; fuel restrictions; general shortages of transport, goods, or energy; or

(c) If any material representation or warranty on the part of any Company or the County made in the Documents furnished in connection with the Documents or the transactions described in the Documents shall have been false or misleading in any material respect.

(d) Anything herein to the contrary notwithstanding, failure to meet any investment requirements set forth herein shall not be deemed to be an Event of Default under this Fee Agreement, the sole remedy for which is set forth in Section 5.4 hereof.

SECTION 9.2. *Remedies on Default*. Whenever any Event of Default by any Company ("Defaulting Entity") shall have happened and be subsisting beyond all applicable notice and cure periods, the County, after having given written notice to the Defaulting Entity of such default and after the expiration of a thirty (30) day cure period, may, as to the Defaulting Entity only, (i) terminate this Fee Agreement; or (ii) take whatever action at law or in equity may appear legally required or necessary or desirable to collect the payments and other amounts then due or to enforce performance and observance of any obligation, agreement or covenant of the Defaulting Entity, under the Documents. Although the Parties acknowledge that the Project is exempt from *ad valorem* property taxes, the County and any other taxing entity affected thereby may, without limiting the generality of the foregoing, exercise the remedies provided by general State law (Title 12, Chapter 49 and Title 12, Chapter 51) and any act relating to the enforced collection of taxes. The County's right to receive Negotiated Payments-in-Lieu-of-Taxes shall have a first priority lien status pursuant to Section 12-44-90 of the Fee Act and Title 12, Chapters 4 and 54 of the Code. Upon the default of the County in the performance of any of its obligations hereunder, any Company or any Sponsor Affiliate may take whatever action at law or in equity as may appear necessary or desirable to enforce its rights under this Fee Agreement, including, without limitation, a suit for mandamus or specific performance.

Each right, power, and remedy of the County or the Companies or any Sponsor Affiliate provided for in this Fee Agreement shall be cumulative and concurrent and shall be in addition to every other right, power, or remedy provided for in this Fee Agreement or now or hereafter existing at law or in equity, in any jurisdiction where such rights, powers, and remedies are sought to be enforced; and the exercise by the County or any Company or any Sponsor Affiliate of any one or more of the rights, powers, or remedies provided for in this Fee Agreement or now or hereafter existing at law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise by the County or any Company or any Sponsor Affiliate of any or all such other rights, powers, or remedies.

SECTION 9.3. *No Additional Waiver Implied by One Waiver*. In the event any warranty, covenant or agreement contained in this Fee Agreement should be breached by any Company, any Sponsor Affiliate, or the County and thereafter waived by the other parties to this Fee Agreement, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach.

RECITALS

WHEREAS, Oconee County and Pickens County are contiguous counties which, pursuant to Ordinance No. 2023-17, enacted by Oconee County Council on October 17, 2023, and Ordinance No. [], enacted by Pickens County Council on [] [], 2023, have each determined that, to promote economic development and thus encourage investment and provide additional employment opportunities within both counties, there should be developed, initially, in Oconee County only, a joint county industrial and business park ("<u>Park</u>"), to be located upon property more particularly described in Exhibit A; and

WHEREAS, because of the development of the Park, property comprising the Park and all property having a situs therein is exempt from ad valorem taxation to the extent provided in Article VIII, Section 13(D) of the South Carolina Constitution, but the owners or lessees of such property shall pay annual fees in an amount equivalent to the property taxes or other in-lieu-of payments that would have been due and payable except for such exemption.

NOW, THEREFORE, in consideration of the mutual agreement, representations, and benefits contained in this Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Binding Agreement. This Agreement serves as a written instrument setting forth the entire agreement between the parties and shall be binding on Oconee County and Pickens County, and their successors and assigns.

2. Authorization. Article VIII, Section 13(D) of the South Carolina Constitution provides that counties may jointly develop an industrial or business park with other counties within the geographical boundaries of one or more of the member counties, provided that certain conditions specified therein are met and further provided that the General Assembly of the State of South Carolina provides by law a manner in which the value of property in such park will be considered for purposes of bonded indebtedness of political subdivisions and school districts and for purposes of computing the index of taxpaying ability pursuant to any provision of law which measures the relative fiscal capacity of a school district to support its schools based on the assessed valuation of taxable property in the district as compared to the assessed valuation of taxable property in all school districts in South Carolina. The Code of Laws of South Carolina, 1976, as amended ("Code") and particularly, Section 4-1-170 thereof, satisfies the conditions imposed by Article VIII, Section 13(D) of the South Carolina Constitution and provides the statutory vehicle whereby a joint county industrial or business park may be created.

3. Location of the Park.

(A) As of the original execution and delivery of this Agreement, the Park consists of property that is located in Oconee County and which is now or is anticipated to be owned and/or operated by Books for Less, LLC and Miles 302 Palmer, LLC, collectively and previously known as "Project Galt" ("Company"), as more particularly described in Exhibit A. From time to time, the Park may consist of non-contiguous properties within each county. The boundaries of the Park may be enlarged or diminished from time to time

as authorized by ordinances of the county councils of both Oconee County and Pickens County. If any property proposed for inclusion in the Park is located, at the time such inclusion is proposed, within the boundaries of a municipality, then the municipality must give its consent prior to the inclusion of the property in the Park.

(B) In the event of any enlargement or diminution of the boundaries of the Park, this Agreement shall be deemed amended and there shall be attached a revised Exhibit A related to property located in Oconee County, or a revised Exhibit B related to property located in Pickens County, which shall contain a legal or other description of the parcel(s) to be included within the Park within Oconee County or Pickens County, as the case may be, as enlarged or diminished, together with a copy of the ordinances of Oconee County Council and Pickens County Council pursuant to which such enlargement or diminiution was authorized.

(C) Prior to the adoption by Oconee County Council and by Pickens County Council of ordinances authorizing the diminution of the boundaries of the Park, separate public hearings shall first be held by Oconee County Council and Pickens County Council. Notice of such public hearings shall be published in newspapers of general circulation in Oconee County and Pickens County, respectively, at least once and not less than 15 days prior to such hearing. Notice of such public hearings shall also be served in the manner of service of process at least 15 days prior to such public hearing upon the owner and, if applicable, the lessee of any property which would be excluded from the Park by virtue of the diminution.

(D) Notwithstanding anything in this paragraph 3 to the contrary, in the event that a tract or site of land located in the Park is purchased and developed by a person or business enterprise whose employees, because of the nature of their employment, do not qualify for the corporate income tax credit provided in Section 12-6-3360 of the Code ("Non-Qualifying Site"), the Host County (defined below) may unilaterally remove by ordinance, the Non-Qualifying Site from the Park, so long as, and to the extent that such removal does not adversely impact any financing or other incentive then in effect.

The owners or lessees of any property situated in the Park shall pay in accordance with this Agreement an amount (referred to as fees in lieu of ad valorem taxes) equivalent to the ad valorem taxes or other in-lieu-of payments that would have been due and payable but for the location of such property within the Park.

Section 1. Findings of Fact. The recitals set forth above are hereby adopted as the County Council's initial findings of fact in support of the moratorium established by this Ordinance. Council also finds that this

ordinance will:

(A) Provide the County with an opportunity to consider the input of an additional Public Hearing, provide time to consider input from the Public Hearing, and consider the amendments to the UDSO.

(B) Temporarily prevent submission of new development projects that may ultimately be in conflict with the adopted UDSO and the County Comprehensive Plan.

(C) This moratorium shall have no effect upon approvals or permits previously issued or submitted prior to the introduction of this Ordinance or the pending of this Ordinance on the Council agenda. The provisions of this Ordinance shall not affect the issuance of permits or site plan reviews that have received preliminary or final plat approval by the Commission or Department.

(D) This moratorium shall also operate as a stay on the time period requirements for the reconsideration of any denied permits

Section 3. Vested Rights. The moratorium imposed in Section 2 of this Ordinance shall not apply to any rights that have vested prior to the effective date of this Ordinance.

Section 4. Invocation of the Pending Ordinance Doctrine. Council hereby invokes the pending ordinance doctrine recognized under South Carolina law, effective immediately upon first reading approval. For the type of developments addressed in this ordinance, construction permits that might have been issued in the absence of a moratorium may not be issued.

Section 5. Severability. The provisions of this moratorium ordinance are intended to be severable, and if a court of competent jurisdiction should hold any part of this ordinance invalid, unconstitutional, or otherwise unlawful, such ruling shall not affect the remainder of the ordinance, which shall remain in full force and effect.

Local Accommodations Request Parks, Recreation & Tourism Department

PRT is requesting funds to install nine (9) new gateway signs around Pickens County. These funds would come from the Local Accommodations Fee fund collections, 50% of which are eligible to be used for tourism related activities in the following fiscal year. Advertisements and promotions related to tourism development are specifically outlined as a use for these funds by the State of South Carolina. With Council's approval, PRT will work with local vendors to design and install nine (9) new entrance signs that reflect the updated branding and provide consistency across the county.

In an effort to promote collaboration where possible, Pickens County is partnering with the City of Clemson for two (2) of the nine (9) signs in the locations where we share a border with Oconee and Anderson counties. The total estimated cost of the project is \$200,000.

Sign renderings are included on the following pages.

Thank you for your consideration.
