February Minutes

February 8, 2021

Meeting called to action at 3:54pm

Present at meeting: Ginger Hicks, Daniel James, Allison Fowler

- Daniel gave the financial report and noted no expenditures or credits since the last meeting.
- Daniel updated the board on the progress with the “Doodleville” exhibit and gave a quick video tour. There was discussion about what was the next phase and how Ginger’s students are going to help with painting scenery.
- Daniel presented the upcoming art shows which were: Youth Arts, Susan Lenz, and the SC Watermedia Society’s juried show.
- Ginger discussed where the PC School District stood with Youth Arts. The district had not approved nor disapproved of our plan, so Ginger expressed the need to push the issue forward and remind the SDPC of our success with handling the Juried Arts Show during the pandemic. There was further discussion of the plan to have middle and high school artwork physically here at the museum and to provide a virtual elementary exhibit online. Ginger planned to get in touch with the SDPC the next day.

Meeting adjourned: 4:18pm
