5

8 Eugen Kenneth Trust. *TMS# 5059-09-06-8947.*
9

10 Developer James Curtis and Joe Metters with Ridgewater Engineering spoke about the project.
11

12 There was discussion about adding a secondary/emergency entrance. The developer said that due to limited
13 frontage on Fish Trap there was not going to be a second entrance there but the potential for one was being
14 designed at the end of one of the cul-de-sacs.
15

16 The developer confirmed that all lighting would be dark sky compliant.
17

18 There was discussion about sidewalks and the developer was not sure if they had them in this plan or not but when
19 they do install them they are usually on one side of the street.
20

21 There was discussion about whether the entire site would be clear cut and the developer said that due to the
22 topography most of the site would be clear cut with a fair amount of grading. However, the areas near the creek and
23 stream would leave a 90' buffer.
24

25 There was discussion about the roadway ownership and the role of the HOA. The developer said they typically used
26 a third party entity to run their HOA.
27

28 There was discussion of home size and cost and the current target is 1800-2600 square foot homes in the high
29 \$200's to low \$300's.
30

31 Mr. Stancell asked if anyone else would like to speak or if there were any other questions or concerns related to this
32 project. Hearing none Mr. Stancell called for a motion.
33

34 Mr. Ballentine made a motion to approve the project with the following conditions:
35

36 Approval as presented with the provision of a secondary emergency entrance (or the potential for
37 one), to add sidewalks to one side of the street, for all street lighting to be Dark Sky Compliant, for
38 there to be a buffer of some sort between North Fish Trap Road and the rear of the nine lots abutting
39 North Fish Trap Road, to commit to planting a minimum of 200-2.5" caliper canopy trees, and to have
40 participation in an HOA to be included as part of the deed.
41

42 Mr. Cox seconded the motion. Mr. Stancell called for discussion. There was none so he called for a vote. The motion
43 passed unanimously (5-0).

48 The subject property is located on Horsepasture Road. The applicant is Heritage Forest, LLC. The property
49 owner of record is Heritage Forest, LLC. *TMS# 4124-00-93-5181*
50

51 Mr. James Anthon and Roy Costner were present to speak on behalf of the project.
52

53 The applicant addressed the concern about fire protection stating that the Vineyards has assured them they were in a
54 position to provide fire protection and that the sites were all within 1200' of a hydrant.
55

1 There was discussion about the ownership of the road and Mr. Anthony clarified that this was not a DNR road but a
2 private road.
3
4 There was clarification that lots 2A, 4A, and 5A were not buildable lots and were designated septic drain fields for lots
5 2, 4, and 5.
6

15 **New Business:** Consideration of renaming the Pickens County Law Enforcement Center located at 216 C
16 David Stone Rd. to the C. David Stone Pickens County Law Enforcement Center.
17
18 There were no public comments.
19
20 Mr. Steadman read the notes from Council that stated that under the advice of County Attorney Les Hendricks, and
21 per Rule 5.9 in Council Rules, that the renaming of the Law Enforcement Center to the C. David Stone Pickens
22 County Law Enforcement Center would need to go to the Planning Commission to be approved and then
23 come back to Council for a public hearing and a vote. This decision to remand the matter to the Planning
24 Commission received unanimous support by Council.
25
26 Mr. Cox made a motion and Mr. Ballentine made a second. Mr. Stancell called for discussion.
27
28 Mr. Smith questioned why this was before the Commission. Staff said all they knew was that Council and the
29 County Attorney had said this was the correct procedure.
30
31 Mr. Smith stated his position that this was not necessary and should not be voted on. There was further
32 debate on this matter.
33
