Public Hearing

Mr. Clark opened the public hearing portion of the meeting.

Resolution for Recommendation of the Draft, 5 Year Update to the
2010-2030 Pickens County Comprehensive Plan.

There being no one present wishing to speak, Mr. Clark closed the public hearing.

Mr. Brink explained that the draft plan and accompanying resolution is the culmination of almost nine (9) months of work by the Planning Commission; that as discussed during that process, the draft plan will be sent to County Council without the Economic Development element being

included, as permissible by the Planning Act; that once the draft plan has been submitted to County Council, work on the Economic Development element will be started.

Mr. Brink recommended, since not all Planning Commissioners are present, that consideration and action on the Resolution be tabled until the next meeting.

Mr. Ballentine motioned that action on the resolution be placed on the table until the next meeting of the Planning Commission. The motion was seconded by Mr. Reinert. The motion passed unanimously.
