- (m) UNHEALTHY OR INSANITARY CONDITION - Any condition or situation which renders a structure or any part thereof insanitary, unhealthy and unfit for human habitation, occupancy, or use, or renders any property insanitary or unhealthy.

- (n) OTHER - Any other situation determined to meet the definition of a Public Nuisance as set forth in Section 1.01 (j) of this ordinance.
- (4) Investigation of Possible Public Nuisances - The Pierce County Health Officer or designated representative shall investigate all potential public nuisances and shall determine whether or not a public nuisance exists.
- (5) Abatement, Correction and Enforcement- Abatement, correction and enforcement of public nuisances will be according to the provisions in Section 1.10 of this ordinance.

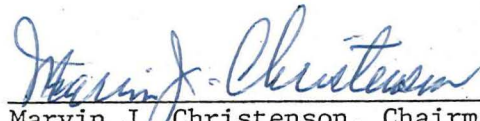

1.10 ENFORCEMENT

- (1) Written Order - When a violation of this ordinance is encountered the Pierce County Health Officer shall issue the violator a written order. This order shall specify the following:
 - (a) The nature of the violation and the steps needed to abate and/or correct it.
 - (b) The time period in which the violation must be corrected and/or abated. (Usually 1 to 5 days or 10 to 30 days depending on the nature of the violation).
 - (c) The penalty or penalties the violator would be subject to if the apparent violation is not abated and/or corrected within the given time period, see subsection (3) and (4) below.
- (2) Exceptions to Written Order - In extreme cases where a violation poses an immediate health hazard as determined by the Pierce County Health Officer or in the case of repeating occurrences of the same violation by the same person, the action(s) specified in subsection (3) below may be initiated immediately.
- (3) Noncompliance With Order - If a person does not comply with a written order from the Pierce County Health Officer, the person may be subject to one or more of the following actions and/or penalties:
 - (a) The issuance of a citation.
 - (b) Commencement of legal action against the person seeking a court imposed forfeiture and/or imprisonment, (see subsection (5) below).
 - (c) Commencement of legal action against the person seeking an injunction to abate the violation and/or correct the damage created by the violation.
 - (d) Any other action authorized by this ordinance or by other applicable laws as deemed necessary by the Pierce County Health Officer.
 - (e) The initiation of one action or penalty under this Section does not exempt the apparent violator from any additional actions and/or penalties listed in this Section.
- (4) Ordered Abatement of Certain Nuisances - Where a nuisance as defined in this ordinance and Wisconsin Statutes Section 146.14 is encountered which may require ordered abatement and/or correction as per Section 146.14 of the Wisconsin Statutes, the Pierce County Health Officer shall serve upon the responsible person a written order as per subsection (1) of this Section. A copy of this order shall be forwarded to the local governing body. If the nuisance is not abated and/or corrected within the time period specified in the order, the local governing body shall enter upon the property and abate and/or correct the nuisance or cause

it to be abated and/or corrected. If the local governing body fails to abate and/or correct the nuisance or cause it to be abated and/or corrected, the County may enter on the property and do the same. The cost of such abatement and/or correction is to be recovered, by the local governing body and if not the local governing body, the County, either directly from the responsible person or as a special tax assessment on the property as per Sections 146.14 (2) and (5) of the Wisconsin Statutes.

- (5) Penalties - Any person who violates any of the provisions of this ordinance shall, upon conviction, forfeit not more than five hundred dollars for each violation, and costs of prosecution, and upon failure to pay said forfeiture and costs, shall be imprisoned in the county jail until said forfeiture and costs are paid, but not to exceed ninety days. In the case of court imposed forfeitures, a separate offense shall be deemed committed during each 10 day period during or upon which a violation occurs or continues. In cases where the violation poses an immediate health hazard as determined by the Pierce County Health Officer, this 10 day period can be reduced to 24 hours with written notice of such reduction given to the violator.
- (6) Initiation of Legal Action - Legal Action shall be initiated against a violator, as requested by the Pierce County Health Officer in accord with the following:
- (a) The County Corporation Counsel shall be responsible for all cases where an injunction to correct and/or abate a violation is being sought.
- (b) The County District Attorney shall be responsible for all cases where a court imposed forfeiture is being sought.

Adopted this 28 day of June, 1984.

ORDINANCE NO. 84-4

The County Board of Supervisors of the County of Pierce, does hereby ordain that Chapter 17.28 - Dedication of Land, of Title 17, Subdivisions, of the Pierce County Code, is amended as follows:

17.28.050 - Payment in Lieu of Dedication - is amended to read:

"Upon approval of a certified survey map by the Zoning Administrator and/or Committee, a fee of \$100.00 per lot, for those lots which do not contain an existing habitable dwelling, shall be paid by the subdivider to the County Treasurer, to be held in trust for use in providing and maintaining county parks. Provided, however, that the subdivider shall not be required to pay the \$100.00 per lot park fee if the certified survey map approved by the Zoning Administrator and/or Zoning Committee contains no more than one undeveloped lot."

Adopted this 14th day of November, 1984.

AN ORDINANCE PROVIDING PREFERENCE TO FORMER OWNERS TO REPURCHASE TAX DEEDED LANDS

To grant rights of preference, pursuant to Section 75.35(3), Wisconsin Statutes, to former owners in the repurchase of tax deeded lands acquired by Pierce County,

THE COUNTY BOARD OF SUPERVISORS OF THE COUNTY OF PIERCE DOES ORDAIN AS FOLLOWS:

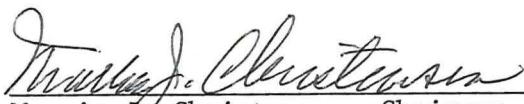

SECTION I. At the option of the County, former owners or surviving spouses or minor children of former owners may be granted the right to repurchase lands to which Pierce County has taken title through delinquent tax enforcement collection, by payment of (1) all delinquent taxes together with interest and penalties thereon to the date of payment, (2) a prorata share of the costs of the proceedings, and (3) an additional sum equal to ten percent (10%) of the foregoing delinquent taxes. Any sale made under the provisions of this Ordinance shall be exempt from all of the requirements of Section 75.69 of the Wisconsin Statutes.

SECTION II. This Ordinance is passed pursuant to Section 75.35(3) of the Wisconsin Statutes and is merely permissive. At any time after proceedings for publication and sale of such lands, pursuant to Section 75.69 of the Wisconsin Statutes, have been begun, the County may at his option grant former owners the right to repurchase land pursuant to this Ordinance, or, at its option, the County may refuse to grant the privilege of repurchase provided by Section I of this Ordinance.

SECTION III. Any other ordinance or resolution or parts thereof inconsistent or conflicting with this Ordinance that have been previously enacted by the Pierce County Board of Supervisors are hereby repealed.

SECTION IV. This Ordinance shall be in full force and effect from and after its passage and publication.

PIERCE COUNTY
SHORELAND ZONING ORDINANCE

1.0 STATUTORY AUTHORIZATION, FINDING OF FACT, STATEMENT OF PURPOSE
AND TITLE

1.1 STATUTORY AUTHORIZATION. This ordinance is adopted pursuant to the authorization in sections 59.97, 59.971, 87.30 and 144.26, Wisconsin Statutes.

1.2 FINDING OF FACT. Uncontrolled use of the shorelands and pollution of the navigable waters of Pierce County would adversely affect the public health, safety, convenience, and general welfare and impair the tax base. The legislature of Wisconsin has delegated responsibility to the counties to further the maintenance of safe and healthful conditions; prevent and control water pollution; protect spawning grounds, fish and aquatic life; control building sites, placement of structures and land uses; and to preserve shore cover and natural beauty, and this responsibility is hereby recognized by Pierce County, Wisconsin.

1.3 PURPOSE. For the purpose of promoting the public health, safety, convenience and welfare, this ordinance has been established to:

1.31 FURTHER THE MAINTENANCE OF SAFE AND HEALTHFUL CONDITIONS AND PREVENT AND CONTROL WATER POLLUTION THROUGH:

(1) Limiting structures to those areas where soil and geological conditions will provide a safe foundation.

(2) Establishing minimum lot sizes to provide adequate area for private sewage disposal facilities.

(3) Controlling filling and grading to prevent serious soil erosion problems.

1.32 PROTECT SPAWNING GROUNDS, FISH AND AQUATIC LIFE THROUGH:

(1) Preserving wetlands and other fish and aquatic habitat.

(2) Regulating pollution sources.

(3) Controlling shoreline alterations, dredging and lagooning.

1.33 CONTROL BUILDING SITES, PLACEMENT OF STRUCTURES AND LAND USES THROUGH:

(1) Separating conflicting land uses.

- (2) Prohibiting certain uses detrimental to the shoreland area.
- (3) Setting minimum lot sizes and widths
- (4) Regulating side yards and building setbacks from roadways and waterways.

1.34 PRESERVE SHORE COVER AND NATURAL BEAUTY THROUGH:

- (1) Restricting the removal of natural shoreland cover.
- (2) Preventing shoreland encroachment by structures.
- (3) Controlling shoreland excavation and other earth moving activities.
- (4) Regulating the use and placement of boathouses and other structures.
- (5) Controlling the use and placement of signs.

1.4 TITLE. Shoreland Zoning Ordinance for Pierce County, Wisconsin.

2.0 GENERAL PROVISIONS.

2.1 Areas to be regulated. Areas regulated by this Ordinance shall include all the lands (referred to herein as shorelands) in the unincorporated areas of Pierce County which are:

2.11 Within one thousand (1,000) feet of the ordinary highwater mark of navigable lakes, ponds or flowages. Lakes, ponds or flowages in Pierce County shall be presumed to be navigable if they are listed in the Wisconsin Department of Natural Resources publication "Surface Water Resources of Pierce County" or shown on the United States Geological Survey quadrangle maps.

2.12 Within three hundred (300) feet of the ordinary highwater mark of navigable rivers or streams, or to the landward side of the floodplain, whichever distance is greater. Rivers and streams in Pierce County shall be presumed to be navigable if they are designated as either continuous or intermittent waterways on the United States Geological Survey quadrangle maps. Flood Hazard Boundary Maps, Flood Insurance Rate Maps, Flood Boundary-Floodway Maps, County Soil Survey Maps or other existing county floodplain zoning maps used to delineate floodplain areas which have been adopted by Pierce County, shall be used to determine the extent of the floodplain of navigable rivers or streams in Pierce County.

2.13 Determinations of navigability and ordinary highwater mark shall initially be made by the zoning administrator. When questions arise, the zoning administrator shall contact the appropriate district office of the Department for a final determination of navigability or ordinary highwater mark.

2.14 Where a use or activity which requires a permit under this Ordinance also requires a permit from the Department under Chapters 30 or 31, Wisconsin Statutes, the applicant will not be required to obtain a permit under this Ordinance if substantive provisions of this Ordinance are complied with.

2.2 COMPLIANCE. The use of any land or water, the size, shape and placement of lots, the use, size, type and location of structures on lots, the installation and maintenance of water supply and waste disposal facilities, the filling, grading, lagooning, dredging of any lands, the cutting of shoreland vegetation, the subdivision of lots, shall be in full compliance with the terms of this ordinance and other applicable local, state or federal regulations. (However, see Section 7.0 for standards applicable to nonconforming uses.) Buildings, signs, private water supply, land use and sewage disposal systems shall require a permit unless otherwise expressly excluded by a provision of this ordinance. Property owners, builders and contractors are responsible for building code and ordinance compliance and reasonable care in construction.

2.3 STATE AGENCIES AND MUNICIPALITIES REGULATED. Unless specifically exempted by law, all cities, villages, towns, and counties are required to comply with this Ordinance and obtain all necessary permits. State agencies are required to comply when section 13.48(13), Wisconsin Statutes, applies. The construction, reconstruction, maintenance and repair of state highways and bridges by the Wisconsin Department of Transportation are exempt when section 30.12(4)(a), Wisconsin Statutes, applies.

2.4 ABROGATION AND GREATER RESTRICTIONS. The shoreland provisions of this Ordinance supersede all the provisions of any county zoning ordinance adopted under s. 59.97, Wisconsin Statutes, which relate to shorelands. However, where

an ordinance adopted under a statute other than s. 59.97, Wisconsin Statutes, is more restrictive than this Ordinance, that ordinance shall continue in full force and effect to the extent of the greater restrictions, but not otherwise.

2.41 This ordinance shall not require approval or be subject to disapproval by any town or town board.

2.42 If an existing town ordinance relating to shorelands is more restrictive than this ordinance or any amendments thereto, the town ordinance continues in all respects to the extent of the greater restrictions but not otherwise, except that uses in shoreland-wetland districts shall be uniform.

2.43 This ordinance is not intended to repeal, abrogate or impair any existing deed restrictions, covenants or easements. However, where this ordinance imposes greater restrictions, the provisions of this ordinance shall prevail.

2.5 INTERPRETATION. In their interpretation and application, the provisions of this chapter shall be held to be minimum requirements and shall be liberally construed in favor of the County and shall not be deemed a limitation or repeal of any other powers granted by the Wisconsin Statutes. Where a provision of this ordinance is required by a standard in chapter NR 115, Wisconsin Administrative Code, and where the ordinance provision is unclear, the provision shall be interpreted in light of the chapter NR 115 standards in effect on the date of the adoption of this ordinance or in effect on the date of the most recent text amendment to this ordinance.

2.6 SEVERABILITY. If any portion of this ordinance is adjudged unconstitutional or invalid by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby.

3.0 DIMENSIONS OF BUILDING SITES.

3.1 LOTS NOT SERVED BY PUBLIC SANITARY SEWER.

3.11 Minimum area and width for each main building. The minimum lot area shall be 20,000 sq. ft. and the minimum average lot width shall be 100 feet with at least 100 feet of frontage at the OHWM.

3.12 Side Yards. There shall be a side yard for each main building. The minimum width of one side yard shall be 10 feet. The minimum aggregate width of both side yards shall be 25 feet.

3.2 LOTS SERVED BY PUBLIC SANITARY SEWER.

3.21 Minimum Area and Width for Each Main Building. The minimum lot area shall be 10,000 sq. ft. and the minimum average lot width shall be 65 feet with at least 65 feet of frontage at the OHWM.

3.22 Side Yard for Each Main Building Required. The minimum width of one side yard shall be 8 feet. The minimum aggregate width of both side yards shall be 20 feet.

3.3 SUBSTANDARD LOTS.

3.31 Substandard Lots Served by a Public Sanitary Sewer. A substandard lot served by a public sanitary sewer which is at least 7,500 sq. ft. in area and is at least 50 feet in width at the building setback line and at least 50 feet in width at the OHWM may be used as a building site for a single family dwelling upon issuance of a zoning permit by the zoning administrator if it meets all of the following requirements:

(1) Such use is permitted in the zoning district.

(2) The lot was on record in the county Register of Deeds office prior to the effective date of this ordinance.

(3) The lot was in separate ownership from abutting lands prior to the effective date of this ordinance. If abutting lands and the substandard lot were owned by the same owner as of the effective date of this ordinance, the substandard lot shall not be sold or used without full compliance with the terms of this ordinance, including minimum area and width requirements found in Section 3.1 and 3.2.

(4) All the dimensional requirements of this ordinance (including side yard and setback requirements) will be complied with in so far as practical.

3.32 Substandard Lots Not Served by Public Sanitary Sewer. A substandard lot not served by public sanitary sewer which is at least 10,000 sq. ft. in area and at least 65 feet in width at the building setback line and at least 65 feet in width at the OHWM may be used as a building site upon issuance of a zoning permit by the zoning administrator if it meets all of the requirements in Section 3.31(1)-(4).

3.33 Other Substandard Lots. Except for lots which meet the requirements of Section 3.31 or 3.32, a building permit for the improvement of a lot having lesser dimensions than those stated in Sections 3.1 and 3.2 shall be issued only after granting of a variance by the Board of Adjustment.

3.4 Lots in Cluster Subdivisions. Lots in cluster subdivisions not served by public sanitary sewers may be reduced to the minimum allowed by the county private sewage system ordinance.

4.0 SETBACKS.

4.1 SETBACKS FROM THE WATER

4.11 Lots that Abut on Navigable Waters. All buildings and structures, except piers, boat hoists and, boathouses which may require a lesser setback, shall be set back at least 75 feet from the ordinary high-water mark of navigable waters.

4.12 The use of a boathouse for human habitation and the construction or placing of a boathouse below the ordinary highwater mark of any navigable waters is prohibited. The highest point of the roof elevation of the boathouse shall not be more than 10 feet vertical measurement above the ordinary high-water mark. Railings may be placed on top of the boathouse in excess of the 10-foot height standard provided the railing is not solid in appearance and not greater than 3.5 feet in height. Boathouses shall not be established where the existing slope is more than 20%.

4.2 REDUCED BUILDING SETBACKS. A setback of less than that required by Section 4.1 may be permitted by the zoning administrator where there is at least one main building on either side of the applicant's lot, within 200 feet of the proposed site that is built to less than the required setback. In such case, the setback shall be the average of the setbacks of the nearest building on each side of the proposed site or, if there is an existing main building on only one

side, the setback shall be the average of the existing buildings and the required setback. Any other setback may be permitted by the Board of Adjustment, according to Section 11.51(4) upon a written finding of unnecessary hardship.

5.0 REMOVAL OF SHORE COVER.

5.1 PURPOSE. The purpose of tree and shrubbery cutting regulations applicable to the shoreland area is to protect scenic beauty, control erosion and reduce effluent and nutrient flow from the shoreland. These provisions shall not apply to the removal of dead, diseased or dying trees or shrubbery at the discretion of the landowner, or to silvicultural thinning upon recommendation of a forester.

5.2 SHORELINE CUTTING. Tree and shrubbery cutting in a strip paralleling the shoreline and extending 35 feet inland from all points along the ordinary high-water mark of the shoreline shall be limited in accordance with the following provisions.

5.21 No more than 30 feet in any 100 feet, as measured along the ordinary high-water mark, shall be clear cut to the depth of the 35 foot strip.

5.22 Natural shrubbery shall be preserved as far as practicable and, where removed, it shall be replaced with other vegetation that is equally effective in retarding runoff, preventing erosion and preserving natural beauty.

5.3 PATHS. Any path, road or passage within the 35 foot strip shall be constructed and surfaced as to effectively control erosion.

5.4 CUTTING PLAN. As an alternative to Section 5.2, a special cutting plan allowing greater cutting may be permitted by the Board of Adjustment by issuance of a special exception permit, under Section 11.4. In applying for such a permit, the Board shall require the lot owner to submit a sketch of his lot, including the following information: location of parking, gradient of the land, existing vegetation, proposed cutting, and proposed replanting. The Board may grant such a permit only if it finds that such special cutting plans:

5.41 Will not cause undue erosion or destruction of scenic beauty, and

5.42 Will provide substantial shielding from the water of dwellings, accessory structures and parking areas. Where the plan calls for replacement plantings, the Board may require the submission of a bond which guarantees the performance of the planned tree or shrubbery planting by the lot owner.

5.5 CUTTING MORE THAN 35 FEET INLAND. From the inland edge of the 35 foot strip to the outer limits of the shoreland, the cutting of trees and shrubbery shall be allowed when accomplished using accepted forest management practices and sound soil conservation practices which protect water quality.

6.0 FILLING, GRADING, LAGOONING, DREDGING, DITCHING AND EXCAVATING.

6.1 GENERAL STANDARDS. Filling, grading, lagooning, dredging, ditching or excavating which does not require a permit under Section 6.2 is permitted in the shoreland area provided that:

6.11 Only filling, grading, lagooning, dredging, ditching or excavating that is done in a manner designed to minimize erosion, sedimentation and impairment of fish and wildlife habitat may be permitted;

6.12 Filling, grading, lagooning, dredging, ditching or excavating in a shoreland-wetland district meets the requirements of sections 9.32 and 9.33 of this Ordinance;

6.13 A state or federal permit is obtained, in addition to a permit under this Ordinance, if state or federal laws are applicable to the filling, grading, lagooning, dredging, ditching or excavating that is proposed; and

6.14 Any filling or grading in the shoreland area is protected against erosion by the use of rip-rapping, vegetative cover or a bulkhead.

6.2 PERMIT REQUIRED. Except as provided in Section 6.3, a special exception permit is required:

6.21 For any filling or grading of the bed of a navigable body of water;

6.22 For any filling or grading of any area which is within 300 feet of the ordinary high-water mark of a navigable water and which has surface drainage toward the water and on which there is either:

(1) Any filling or grading on slopes of 20% or more.

(2) Filling or grading of more than 1,000 sq. ft. on slopes of 12%-20%.

(3) Filling or grading of more than 2,000 sq. ft. on slopes of less than 12%; and

6.23 Before constructing, dredging or commencing work on any artificial waterway, canal, ditch, lagoon, pond, lake or similar waterway which is within 300 feet of the ordinary high-water mark of a navigable body of water or where the purpose is the ultimate connection with a navigable body of water.

6.3 SOIL CONSERVATION PRACTICES. Soil conservation practices, such as terraces, runoff diversions and grassed waterways, which are used for sediment retardation shall not require a permit under Section 6.2 if they have been approved by the Land Conservation Department.

6.4 PERMIT CONDITIONS. In granting a special exception permit under Section 6.2, the Board of Adjustment may consult with the Land Conservation Department and shall attach the following conditions, where appropriate, in addition to those provisions specified in Sections 11.42 and 11.43.

6.41 The smallest amount of bare ground shall be exposed for as short a time as feasible.

6.42 Temporary ground cover (such as mulch) shall be used and permanent cover (such as sod) shall be planted.

6.43 Diversion, silting basin, terraces and other methods shall be used to trap sediment.

6.44 Lagooning shall be conducted in such a manner as to avoid creation of fish trap conditions.

6.45 Fill shall be stabilized according to accepted engineering standards.

6.46 Fill shall not restrict a floodway or destroy the storage capacity of a floodplain.

6.47 Sides of a channel or artificial water course shall be stabilized to prevent slumping.

6.48 Sides of channels or artificial watercourses shall be constructed with slopes (side) of 2 units horizontal distance to one unit vertical or flatter, unless bulkheads or rip-rapping are provided.

7.0 NON-CONFORMING USES.

7.1 The lawful use of a building, structure or property existing at the time this Ordinance or an amendment to this ordinance takes effect, which is not in conformity with the provisions of this Ordinance including the routine maintenance of such a building or structure, may be continued subject to the following conditions:

7.11 If such use is discontinued for twelve (12) consecutive months, any future use of the building, structure or property shall conform to this Ordinance.

7.12 The maintenance and repair of non-conforming boathouses which are located below the ordinary highwater mark of any navigable waters shall comply with the requirements of section 30.121 of the Wisconsin Statutes.

7.13 Uses which are nuisances shall not be permitted to continue as non-conforming uses.

7.14 No structural alteration, addition or repair to any nonconforming building or structure, over the life of the building or structure, shall exceed 50 percent of its estimated fair market value at the time of its becoming a nonconforming use, unless it is permanently changed to a conforming use.

7.15 If the alteration, addition or repair of an existing nonconforming building or structure is prohibited because it is in excess of 50 percent of the estimated fair market value, the property owner may still make the proposed alteration, addition or repair if:

(1) The nonconforming building or structure is permanently changed to a conforming use:

(2) The property owner appeals the determination of the Zoning Administrator, and either the County Board of Adjustment or the Circuit Court find in the property owner's favor under section 59.99(4) or 59.99(10), Wisconsin Statutes; or

(3) The property owner successfully petitions to have the property rezoned under section 59.97(5)(e), Wisconsin Statutes, and section NR 115.05(2)(e), Wisconsin Administrative Code, if applicable.

8.0 SHORELAND ZONING DISTRICT BOUNDARIES.

8.1 SHORELAND ZONING DISTRICTS. The shorelands of Pierce County are hereby divided into the following districts:

- (a) Shoreland-Wetland District.
- (b) Recreational-Residential District.
- (c) General Purpose District.

8.2 OFFICIAL SHORELAND ZONING MAPS. The following maps are hereby adopted and made a part of this ordinance and are on file in the office of the Zoning Administrator for Pierce County.

(a) Wisconsin Wetland Inventory Maps for Pierce County, stamped "FINAL" on May 18, 1983.

(b) Pierce County Soil Survey Maps.

(c) United States Geological Survey Quadrangle Maps Listed:

- | | |
|-----------------------|----------------------|
| 1. Bay City | 9. Nerike Hill |
| 2. Diamond Bluff East | 10. Plum City |
| 3. Diamond Bluff West | 11. Prescott |
| 4. Ellsworth | 12. Red Wing |
| 5. El Paso | 13. River Falls East |
| 6. Hastings | 14. River Falls West |
| 7. Maiden Rock | 15. Spring Valley |
| 8. Martell | 16. Waverly |

9.0 SHORELAND-WETLAND DISTRICT.

9.1 DESIGNATION. This district shall include all shorelands within the jurisdiction of this Ordinance which are wetlands of 5 acres or more shown on the Wisconsin Wetland Inventory maps adopted in section 8.2 of this Ordinance. That portion of a wetland located in the shoreland area that extends across the corporate limits of a municipality, across the county boundary or across the shoreland boundary in the unincorporated area of the county shall be included in

this district if the total contiguous wetland area is 5 acres or more.

9.11 Locating shoreland-wetlands boundaries. Where an apparent discrepancy exists between the shoreland-wetland district boundary shown on the Wisconsin Wetland Inventory maps and actual field conditions at the time the maps were adopted, the zoning administrator shall contact the appropriate district office of the Department to determine if the shoreland-wetland district boundary as mapped is in error. If the Department staff concur with the zoning administrator that a particular area was incorrectly mapped as a wetland, the zoning administrator shall have the authority to immediately grant or deny a land use or building permit in accordance with the regulations applicable to the correct zoning district. In order to correct wetland mapping errors shown on the Wisconsin Wetland Inventory maps, the zoning administrator shall be responsible for initiating a shoreland-wetland map amendment within a reasonable period of time.

9.2 PURPOSE. The Shoreland-Wetland District is created to maintain safe and healthful conditions, to prevent water pollution, to protect fish spawning grounds and wildlife habitat, to preserve shore cover and natural beauty and to control building and development in wetlands whenever possible. When development is permitted in a wetland, the development shall occur in a manner that minimizes adverse impacts upon the wetland.

9.21 Wetlands are seldom suitable as building sites for the following reasons:

- (1) Septic tank systems will not function because of high groundwater.
- (2) Water supplies are often polluted by septic tank wastes that have not been adequately absorbed by the soil.
- (3) Foundations and roads crack due to poor support capabilities and frost action.
- (4) Flooding is common in spring and other times of high water.

9.22 Wetlands provide fish spawning grounds and wildlife habitat, and the natural plant and animal communities found in wetlands provide ecological balance to a watercourse. Wetlands help to prevent water pollution and flooding problems.

9.3 PERMITTED USES. The following uses shall be allowed, subject to general shoreland zoning regulations in sections 9 through 10 of this Ordinance, the provisions of Chapters 30 and 31 of the Wisconsin Statutes, and the provisions of other state and federal laws, if applicable:

9.31 Activities and uses which do not require the issuance of a zoning permit provided that no filling, flooding, draining, dredging, ditching, tiling or excavating is done:

- (1) Hiking, fishing, trapping, hunting, swimming and boating;
- (2) The harvesting of wild crops, such as marsh hay, ferns, moss, wild rice, berries, tree fruits and tree seeds, in a manner that is not injurious to the natural reproduction of such crops;
- (3) The pasturing of livestock;
- (4) The cultivation of agricultural crops;
- (5) The practice of silviculture including the planting, thinning and harvesting of timber; and
- (6) The construction and maintenance of duck blinds.

9.32 Uses which do not require the issuance of a zoning permit that may include limited filling, flooding, draining, dredging, ditching, tiling or excavating but only to the extent specifically provided below:

- (1) In the practice of silviculture, temporary water level stabilization measures which are necessary to alleviate abnormally wet or dry conditions that would have an adverse impact on silvicultural activities if not corrected;
- (2) The cultivation of cranberries including flooding, dike and dam construction and ditching for the purpose of growing and harvesting cranberries;

(3) Ditching, tiling, dredging, excavating or filling done to maintain or repair existing agricultural drainage systems only to the extent necessary to maintain the level of drainage required to continue the existing agricultural use and only where permissible under Section 30.20, Wisconsin Statutes. This includes the minimum filling necessary for disposal of dredged spoil adjacent to the drainage system, provided that dredged spoil is placed on existing spoil banks where possible and such filling is permissible under Chapter 30, Wisconsin Statutes;

(4) For the pasturing of livestock, limited excavating and filling necessary for the construction and maintenance of fences.

(5) The construction and maintenance of piers, docks and walkways built on pilings including limited excavating and filling necessary for such construction and maintenance; and

(6) The maintenance, repair, replacement and reconstruction of existing town and county highways and bridges including limited excavating and filling necessary for such activities.

9.33 Uses which require the issuance of a zoning permit that may include limited filling, flooding, draining, dredging, ditching, tiling or excavating but only to the extent specifically provided below:

(1) The construction and maintenance of roads which are necessary to conduct silvicultural activities or are necessary for agricultural cultivation, provided that:

(a) The road cannot, as a practical matter, be located outside the wetland;

(b) The road is designed and constructed to minimize the adverse impact upon the natural functions of the wetland;

(c) The road is designed and constructed with the minimum cross-sectional area practical to serve the intended use;

(d) Road construction activities are carried out in the immediate area of the roadbed only; and

(e) Any filling, flooding, draining, dredging, ditching, tiling or excavating must be necessary for the construction or maintenance of the road;

(2) The construction and maintenance of nonresidential buildings, provided that:

(a) The building is essential for and used solely in conjunction with a use permitted in the shoreland-wetland district;

(b) The building cannot, as a practical matter, be located outside the wetland;

(c) Such building is not designed for human habitation and does not exceed 500 square feet in floor area; and

(d) Only limited excavating and filling necessary to provide structural support for the building is allowed;

(3) The establishment and development of public and private parks and recreation areas, natural and outdoor education areas, historic and scientific areas, wildlife refuges, game bird and animal farms, fur animal farms, shooting preserves, public boat launching ramps and access roads used in conjunction with a public boat launching ramp, provided that:

(a) Any private wildlife habitat area must be used exclusively for the permitted use and the applicant has received a permit or license under Chapter 29, Wisconsin Statutes, where applicable;

(b) Filling and excavating necessary for the construction and maintenance of public boat launching ramps and access roads is allowed only where such construction meets the criteria under section 9.33(1); and

(c) Ditching, excavating, dredging, and dike and dam construction in wildlife refuges, game bird and animal farms, fur animal farms and shooting preserves must be for the purpose of improving wildlife habitat or to otherwise enhance wetland values;

(4) The construction and maintenance of electric, gas, telephone, water and sewer transmission and distribution lines, and related facilities, by public utilities and cooperative associations organized for the purpose of producing or furnishing heat, light, power or water to their members, provided that:

(a) The transmission and distribution lines and related facilities cannot, as a practical matter, be located outside the wetland; and

(b) Such construction or maintenance is done in a manner designed to minimize the adverse impact upon the natural functions of the wetlands;

(c) Only limited filling or excavating necessary for such construction or maintenance is allowed;

(5) The construction and maintenance of railroad lines, provided that:

(a) The railroad lines cannot, as a practical matter, be located outside the wetland; and

(b) Such construction or maintenance is done in a manner designed to minimize the adverse impact upon the natural functions of the wetland.

9.4 Prohibited Uses. Any use not listed in sections 9.31, 9.32 or 9.33 is prohibited, unless the wetland or a portion of the wetland has been rezoned by amendment of this Ordinance in accordance with section 59.97(5)(e), Wisconsin Statutes, chapter NR 115, Wisconsin Administrative Code, and section 9.5 of this Ordinance.

9.5 Rezoning of Lands in the Shoreland-Wetland Zoning District.

9.51 For all proposed text and map amendments to the shoreland-wetland district, the appropriate district office of the Department shall be provided with the following:

(1) A copy of every petition for a text or map amendment to the shoreland-wetland district, within 5 days of the filing of such petition with the County Clerk;

(2) Written notice of the public hearing to be held on a proposed amendment, at least 10 days prior to such hearing;

(3) A copy of the County Zoning Agency's findings and recommendations on each proposed amendment, within 10 days after the submission of those findings and recommendations to the County Board; and

(4) Written notice of the County Board's decision on the proposed amendment, within 10 days after it is issued.

9.52 A wetland, or a portion thereof, in the shoreland-wetland district shall not be rezoned if the proposed rezoning may result in a significant adverse impact upon any of the following:

- (1) Storm and flood water storage capacity;
- (2) Maintenance of dry season stream flow, the discharge of groundwater to a wetland, the recharge of groundwater from a wetland to another area, or the flow of groundwater through a wetland;
- (3) Filtering or storage of sediments, nutrients, heavy metals or organic compounds that would otherwise drain into navigable waters;
- (4) Shoreline protection against soil erosion;
- (5) Fish spawning, breeding, nursery or feeding grounds;
- (6) Wildlife habitat; or
- (7) Areas of special recreational, scenic or scientific interest, including scarce wetland types.

9.53 If the Department has notified the County Zoning Agency that a proposed amendment to the shoreland-wetland district may have a significant adverse impact upon any of the criteria listed in section 9.52 of this Ordinance, that amendment, if approved by the County Board, shall contain the following provision: "This amendment shall not take effect until more than 30 days have elapsed since written notice of the County Board's approval of this amendment was mailed to the Department of Natural Resources. During that 30-day period the Department of Natural Resources may notify the County Board that it will adopt a superseding shoreland ordinance for the county under section 59.971(6) of the Wisconsin Statutes. If the Department does so notify the County Board, the effect of this amendment shall be stayed until the section 59.971(6) adoption procedure is completed or otherwise terminated."

10.0 RECREATIONAL-RESIDENTIAL DISTRICT.

10.1 DESIGNATION. This district includes all shorelands subject to regulation under Section 2.1 which may be designated on the shoreland zoning maps listed in Section 8.2 adopted by the County Board.

10.2 PURPOSE. The purpose of the Recreational-Residential District is to protect waters by providing for safe and orderly shoreland development. Recreational-residential shorelands are particularly suited for residential and recreational uses. In this district, residential, recreational and conservancy uses are permitted, and a limited number of commercial uses serving recreational needs are allowed as special exceptions. These uses are consistent with maximum recreational use of the water and its shorelands. All permitted uses or special exceptions are subject to the general provisions of this ordinance, and all other applicable laws and regulations.

10.3 PERMITTED USES.

10.31 Any use permitted under Section 9.3.

10.32 Year-round single family dwellings for owner occupancy, rent or lease.

10.33 Seasonal single family dwellings for owner occupancy, rent or lease.

10.34 Accessory uses.

10.35 Signs of the following type, size and location, provided that any sign intended to be read from the water shall be set back 75 feet from the ordinary high-water mark, shall be attached to a building and shall not exceed 30 sq. ft. in gross area. No sign shall be located, erected, moved, reconstructed, extended, enlarged or structurally altered until a zoning permit has been issued, except that signs listed in paragraphs (2), (3), and (6) shall not require a permit:

(1) Directory signs advertising a business or activity conducted, an area of interest or a service available at a specific location within the county. Such signs shall not be more than 12 sq. ft. in gross area. There shall not be more than 2 such signs relating to any one use in the approaching direction along any one highway. No such sign shall be more than 10 miles away from the

location to which it relates or within 300 feet of an existing residence. Such signs may be placed at the right-of-way line of the highway.

(2) Signs advertising a customary home occupation or professional office. Such signs shall not exceed 6 sq. ft. in gross area, shall be attached to the building and if illuminated, shall be indirectly lighted.

(3) Signs advertising the sale, rent or lease of the property on which the sign is placed or other temporary signs. Such sign shall not exceed 8 sq. ft. in gross area and may be placed at the right-of-way line of the highway.

(4) Signs attached to commercial and industrial buildings advertising a business conducted or a service available on the premises. No sign shall exceed 40 sq. ft. in gross area, be higher than 4 feet above the top of the roof line and exceed the maximum height limitation permitted in the district.

(5) On-premise signs advertising a public or semi-public use. Such signs shall not exceed 12 sq. ft. in gross area. There shall be no more than one sign for each highway upon which the property faces. Such signs may be placed at the right-of-way line of the highway.

(6) Recreational directory signs indicating the direction to a cottage, resort, residence or similar use. Such signs shall not be more than 4 sq. ft. in gross area. Where a common posting standard is provided, all such signs shall be attached to the standard. Recreational directory signs may be placed on the right-of-way line of the highway.

(7) Larger signs or a greater number of signs may be permitted upon the issuance of a special exception permit by the Board of Adjustment under Section 10.48.

(8) Prohibited Characteristics of Signs:

(a) No sign shall be so placed as to interfere with the visibility or effectiveness of any official traffic sign or signal, or with driver vision at any access point or intersection.

(b) No sign shall contain, include or be illuminated by a flashing light or by any light directed toward a neighboring residence or toward the water.

(c) No sign shall contain, include or be composed of any conspicuous animated part.

10.4 SPECIAL EXCEPTIONS. The following uses are permitted upon the issuance of a special exception permit according to the procedure set forth in Section 14.4. Unless a greater distance is specified, any structure shall be at least 100 feet from a residence other than that of the owner of the establishment, his agent or employee, 75 feet from a residential property line or 25 feet from any lot line.

10.41 Hotels, resorts (including 2 or more seasonal single family dwellings for rent or lease), motels, restaurants, dinner clubs, taverns and other private clubs.

10.42 Institutions of a philanthropic or educational nature.

10.43 Recreational camps and campgrounds, provided all buildings shall be more than 100 feet from the side lot line. Recreational camps shall conform to chapter HSS 175, Wisconsin Administrative Code, mobile home parks shall conform to chapter HSS 177, Wisconsin Administrative Code, and campgrounds shall conform to chapter HSS 178, Wisconsin Administrative Code.

10.44 Gift and specialty shops customarily found in recreational areas.

10.45 Marinas, boat liveries, sale of bait, fishing equipment, boats and motors, fish farms, forest industries.

10.46 Mobile home parks, provided that:

- (1) The minimum size of mobile home parks shall be 5 acres.
- (2) The maximum number of mobile homes shall be 8 per acre.
- (3) Minimum dimensions of a mobile home site shall be 50 feet wide by 100 feet long.

(4) All drives, parking areas and walkways shall be hard surfaced or graveled, maintained in good condition, have natural drainage and the driveways shall be lighted at night.

(5) In addition to the requirements of Section 4.0, there shall be a minimum setback of 40 feet from all other lot lines.

(6) The park shall conform to the requirements of chapter HSS 177, Wisconsin Administrative Code.

(7) No mobile home site shall be rented for a period of less than 30 days.

(8) Each mobile home site shall be separated from other mobile home sites by a yard not less than 15 feet wide.

(9) There shall be 2 surfaced automobile parking spaces for each mobile home.

(10) Unless adequately screened by existing vegetation cover, the mobile home park shall be screened by a temporary planting of fast growing material, capable of reaching a height of 15 feet or more, the individual trees to be of such a number and so arranged that, within 10 years, they shall have formed a screen equivalent in screening capacity to a solid fence or wall. Such permanent planting shall be grown or maintained to a height of not less than 15 feet.

(11) The mobile home park site shall meet all applicable town and county subdivision regulations.

(12) Any mobile home site shall not have individual onsite soil absorption sewage disposal systems unless it meets the minimum lot size specifications as stated in Section 3.1.

10.47 Travel trailer parks, provided that:

(1) The minimum size of a travel trailer park shall be 5 acres.

(2) The maximum number of travel trailers shall be 15 per acre.

(3) Minimum dimensions of a travel trailer site shall be 25 feet wide by 40 feet long.

(4) Each travel trailer site be separated from other travel trailer sites by a yard not less than 15 feet wide.

(5) There shall be 1-1/2 automobile parking spaces for each trailer site.

(6) In addition to the requirements of Section 4.0, there shall be a minimum setback of 40 feet from all other exterior lot lines.

(7) The park shall conform to the requirements of chapter HSS 178, Wisconsin Administrative Code.

(8) The screening provisions for mobile home parks shall be met.

(9) The travel trailer park site shall meet all applicable town and county subdivision regulations.

10.48 Signs which are larger or in greater number than are permitted in Section 10.35, provided that such signs are found to be necessary to adequately inform the public.

10.49 Boathouses, provided they meet the standards in Section 4.22.

10.5 SHORE COVER REGULATIONS. Shore cover regulations set forth in Section 5.0 shall apply to the Recreational-Residential District.

11.0 ADMINISTRATIVE PROVISIONS.

11.1 ZONING ADMINISTRATOR. The zoning administrator shall have the following duties and powers:

11.11 Advise applicants as to the provisions of this ordinance and assist them in preparing permit applications and appeal forms.

11.12 Issue permits and inspect properties for compliance with this ordinance, and upon request from permit holder issue certificate of compliance.

11.13 Keep records of all permits issued, inspections made, work approved and other official actions.

11.14 Have access to any structure or premises between 8:00 a.m. and 6:00 p.m. for purpose of performing these duties.

11.15 Provide written notice to the appropriate district office of the Department of Natural Resources at least 10 days prior to hearings on proposed shoreland variances, special exceptions (conditional uses), appeals for maps or text interpretations, and map or text amendments.

11.16 Provide copies of decisions on shoreland variances, special exceptions (conditional uses), appeals for map or text interpretations, and map or text amendments to the appropriate district office of the Department of Natural Resources within 10 days after they are granted or denied.

11.17 Investigation and report violations of this ordinance to the appropriate county zoning committee and the (District Attorney) or (Corporation Counsel).

11.2 ZONING PERMITS.

11.21 When Required. Except where another section of this ordinance specifically exempts certain types of development from this requirement (as in Sections 9.31 and 9.32 and 2.3), a zoning permit shall be obtained from the zoning administrator before any new development, as defined in Section 14.2(2), or any change in the use of an existing building or structure is initiated.

11.22 Application. An application for a zoning permit shall be made to the zoning administrator upon forms furnished by the county and shall include, for the purpose of proper enforcement of these regulations, the following data:

(1) Name and address of applicant and property owner.

(2) Legal description of the property and type of proposed use.

(3) A sketch of the dimensions of the lot and location of buildings from the lot lines, center line of abutting highways and the high-water mark of any abutting watercourses and watermark at the day of the sketch.

(4) Whether or not a private water or sewage system is to be installed.

11.3 CERTIFICATES OF COMPLIANCE.

11.31 Upon written request from the owner, the zoning administrator shall issue a certificate of compliance for any building or premises existing at the time of the adoption of this ordinance, certifying after inspection, the extent and type of use made of the building or premises and whether or not such use conforms to the provisions of this ordinance.

11.4 SPECIAL EXCEPTION PERMITS.

11.41 Application for a Special Exception Permit. Any use listed as a special exception in this ordinance shall be permitted only after an application

has been submitted to the zoning administrator and a special exception permit has been granted by the Board of Adjustment.

11.42 Standards Applicable to All Special Exceptions. In passing upon a special exception permit, the Board of Adjustment shall evaluate the effect of the proposed use upon:

- (1) The maintenance of safe and healthful conditions.
- (2) The prevention and control of water pollution including sedimentation.
- (3) Existing topographic and drainage features and vegetative cover on the site.
- (4) The location of the site with respect to floodplains and floodways of rivers or streams.
- (5) The erosion potential of the site based upon degree and direction of slope, soil type and vegetative cover.
- (6) The location of the site with respect to existing or future access roads.
- (7) The need of the proposed use for a shoreland location.
- (8) Its compatability with uses on adjacent land.
- (9) The amount of liquid wastes to be generated and the adequacy of the proposed disposal systems.
- (10) Location factors under which;
 - (a) Domestic uses shall be generally preferred;
 - (b) Uses not inherently a source of pollution within an area shall be preferred over uses that are or may be a pollution source;
 - (c) Use locations within an area tending to minimize the possibility of pollution shall be preferred over use locations tending to increase that possibility.

11.43 Conditions Attached to Special Exceptions. Upon consideration of the factors listed above, the Board of Adjustment shall attach such conditions, in addition to those required elsewhere in this ordinance, as are necessary to further the purposes of this ordinance. Violations of any of these conditions

shall be deemed a violation of this ordinance. Such conditions may include specifications for, without limitation because of specific enumeration: type of shore cover; increased setbacks and yards; specific sewage disposal and water supply facilities; landscaping and planting screens; period of operation; operational control; sureties; deed restrictions; location of piers, docks, parking and signs; and type of construction. To secure information upon which to base its determination, the Board of Adjustment may require the applicant to furnish, in addition to the information required for a zoning permit, the following information:

(1) A plan of the area showing contours, soil types, ordinary high-water marks, ground water conditions, bedrock, slope and vegetative cover.

(2) Location of buildings, parking areas, traffic access, driveways, walkways, piers, open space and landscaping.

(3) Plans of buildings, sewage disposal facilities, water supply systems and arrangement of operations.

(4) Specifications for areas of proposed filling, grading, lagooning or dredging.

(5) Other pertinent information necessary to determine if the proposed use meets the requirements of this ordinance.

11.44 Notice and Public Hearing. Before passing upon an application for a special exception permit, the Board of Adjustment shall hold a public hearing. Notice of such hearing, specifying the time, place and matters to come before the Board, shall be given as a Class 2 notice under Chapter 985, Wisconsin Statutes, and notice shall be mailed to the appropriate district office of the Department of Natural Resources at least 10 days prior to the hearing. The Board shall state in writing the grounds for refusing a special exception permit.

11.45 Fees. General. The County Board may, by resolution, adopt fees for the following:

- (1) Land use permits.
- (2) Building permits.
- (3) Certificates of Compliance.

- (4) Planned Residential Unit Development reviews.
- (5) Public hearings.
- (6) Legal notice publications.
- (7) Special exception permits.

11.46 Recording. When a special exception permit is approved, an appropriate record shall be made of the land use and structures permitted and such permit shall be applicable solely to the structures, use and property so described. A copy of any decision on a special exception permit shall be mailed to the appropriate district office of the Department of Natural Resources within 10 days after they are granted or denied.

11.47 Revocation. Where the conditions of a special exception permit are violated, the special exception permit shall be revoked by the Board of Adjustment.

11.5 BOARD OF ADJUSTMENT. The Chairman of the County Board shall appoint a Board of Adjustment under section 59.99, Wisconsin Statutes, consisting of 5 members, and the County Board shall adopt such rules for the conduct of the business of the Board of Adjustment as required by section 59.99(3), Wisconsin Statutes.

11.51 Powers and Duties. (1) The Board of Adjustment shall adopt such additional rules as it deems necessary and may exercise all of the powers conferred on such boards by section 59.99, Wisconsin Statutes.

(2) It shall hear and decide appeals where it is alleged there is error in any order, requirements, decision or determination made by an administrative official in the enforcement or administration of this ordinance.

(3) It shall hear and decide applications for special exception permits.

(4) No variance from the terms of this Ordinance shall be granted which is contrary to the public interest. A variance may be granted where, owing to special conditions, a literal enforcement of the provisions of this Ordinance will result in unnecessary hardship. The granting of a variance shall not have the effect of granting or increasing any use of property which is prohibited in that zoning district by this Ordinance.

(a) For the purposes of this section, "unnecessary hardship" means any unique and extreme inability to conform to the requirements of this ordinance due to a special condition affecting a particular property, which was not self-created and is not solely related to economic gain or loss. Unnecessary hardship is present only where, in the absence of variance, no feasible use can be made of the property.

11.52 Appeals to the Board. (1) Appeals. Appeals to the Board of Adjustment may be taken by any person aggrieved or by an officer, department, board or bureau of the county affected by any decision of the zoning administrator or other administrative officer. Such appeal shall be taken within a reasonable time, as provided by the rules of the Board, by filing with the officer from whom the appeal is taken, and with the Board of Adjustment, a notice of appeal specifying the ground thereof. The zoning administrator or other officer from whom the appeal is taken shall forthwith transmit to the Board all the papers constituting the record upon which the action appeal from was taken.

11.53 Hearing Appeals. (1) The Board of Adjustment shall fix a reasonable time for the hearing of the appeal. The Board shall give public notice thereof by publishing a Class 2 under chapter 985, Wisconsin Statutes, specifying the date, time and place of hearing and the matters to come before the Board, and shall mail notices to the parties in interest and the appropriate district office of the Department of Natural Resources at least 10 days prior to the public hearing.

(2) A decision regarding the appeal shall be made as soon as practical and a copy shall be submitted to the Department of Natural Resources within 10 days after the decision issued.

(3) The final disposition of an appeal or application to the Board of Adjustment shall be in the form of a written resolution or order signed by the chairman and secretary of the Board. Such resolution shall state the specific

facts which are the basis of the Board's determination and shall either affirm, reverse, vary or modify the order, requirement, decision or determination appealed, in whole or in part, dismiss the appeal for lack of jurisdiction or prosecution or grant the application.

(4) At the public hearing, any party may appear in person or by agent or by attorney.

12.0 CHANGES AND AMENDMENTS. The County Board may from time to time, alter, supplement or change the boundaries of use, districts and the regulation contained in this ordinance in accordance with the requirements of section 59.97(5)(e), Wisconsin Statutes, and Section 9.5, where applicable.

12.1 Amendments to this ordinance may be made on petition of any interested party as provided in section 59.97(5)(e)1, Wisconsin Statutes.

12.2 Every petition for a text or map amendment filed with the County Clerk shall be referred to the county zoning agency. A copy of each petition shall be mailed to the appropriate district office of the Department of Natural Resources within 5 days of the filing of the petition with the county clerk. Written notice of the public hearing to be held on a proposed amendment shall be mailed to the appropriate district office of the Department of Natural Resources at least 10 days prior to the hearing.

12.3 A copy of the County Board's decision on each proposed amendment shall be forwarded to the appropriate district office of the Department of Natural Resources within 10 days after the decision is issued.

13.0 ENFORCEMENT AND PENALTIES. Any development, any building or structure constructed, moved or structurally altered, or any use established after the effective date of this ordinance in violation of the provisions of this ordinance, by any person, firm, association, corporation (including building contractors or their agents) shall be deemed a violation. The zoning administrator or the county zoning agency shall refer violations to (District Attorney) or (Corporation

Counsel) who shall expeditiously prosecute violations. Any person, firm, association, or corporation who violates or refuses to comply with any of the provisions of this ordinance shall be subject to a forfeiture of not less than ten (\$10.00) dollars nor more than two hundred (\$200.00) dollars per offense, together with the taxable costs of action. Each day of continued violation shall constitute a separate offense. Every violation of this ordinance is a public nuisance and the creation thereof may be enjoined and the maintenance thereof may be abated by action at suit of the county, the state, or any citizen thereof pursuant to section 87.30(2), Wisconsin Statutes.

14.0 DEFINITIONS.

14.1 For the purpose of administering and enforcing this ordinance, the terms or words used herein shall be interpreted as follows: Words used in the present tense include the future; words in the singular number include the plural number; and words in the plural number include the singular number. The word "shall" is mandatory, not permissive. All distances unless otherwise specified shall be measured horizontally.

14.2 The following terms used in this ordinance mean:

(1) "Accessory structure or use" means a detached subordinate structure or a use which is clearly incidental to, and customarily found in connection with, the principal structure or use to which it is related, and which is located on the same lot as that of the principal structure or use.

(2) "Boathouses" means any structure designed solely for the purpose of protecting or storing boats for noncommercial purposes.

(3) "County Zoning Agency" means that committee or commission created or designated by the County Board under section 59.97(2)(a), Wisconsin Statutes, to act in all matters pertaining to county planning and zoning.

(4) "Department" means the Department of Natural Resources.

(5) "Development" means any man-made change to improved or unimproved real estate, including, but not limited to, the construction of buildings, structures or accessory structures; the construction of additions or substantial alterations to buildings, structures or accessory structures; the placement of mobile homes; ditching, lagooning, dredging, filling, grading, paving, excavation or drilling operations; and the deposition or extraction of earthen materials.

(6) "Drainage system" means one or more artificial ditches, tile drains or similar devices which collect surface runoff or groundwater and convey it to a point of discharge.

(7) "Floodplain" means the land which has been or may be hereafter covered by flood water during the regional flood. The floodplain includes the floodway and the flood fringe as those terms are defined in Chapter NR 116, Wisconsin Administrative Code.

(8) "Navigable waters" means Lake Superior, Lake Michigan, all natural inland lakes within Wisconsin and all streams, ponds, sloughs, flowages, and other waters within the territorial limits of this state, including the Wisconsin portion of boundary waters, which are navigable under the laws of this state. Under section 144.26(2)(d), Wisconsin Statutes, notwithstanding any other provision of law or administrative rule promulgated thereunder, shoreland ordinances required under section 59.971, Wisconsin Statutes., and Chapter NR 115, Wisconsin Administrative Code, do not apply to lands adjacent to farm drainage ditches if:

- (a) Such lands are not adjacent to a natural navigable stream or river;
- (b) Those parts of such drainage ditches adjacent to such lands were not navigable streams before ditching; and
- (c) Such lands are maintained in nonstructural agricultural use.

" (9) "Ordinary highwater mark" means the point on the bank or shore up to which the presence and action of surface water is so continuous as to leave a distinctive mark such as by erosion, destruction or prevention of terrestrial vegetation, predominance of aquatic vegetation, or other easily recognized characteristics.

(10) "Regional flood" means a flood determined to be representative of large floods known to have generally occurred in Wisconsin and which may be expected to occur on a particular stream because of like physical characteristics, once in every 100 years.

(11) "Shorelands" means lands within the following distances from the ordinary highwater mark of navigable waters: 1,000 feet from a lake, pond or flowage; and 300 feet from a river or stream or to the landward side of the floodplain, whichever distance is greater.

(12) "Shoreland-wetland zoning district" means the zoning district, created as a part of this Shoreland Zoning Ordinance, comprised of shorelands that are designated as wetlands on the wetlands maps which have been adopted and made a part of this Ordinance.

(13) "Special exception (conditional use)" means a use which is permitted by this Ordinance provided that certain conditions specified in the Ordinance are met and that a permit is granted by the Board of Adjustment or, where appropriate, the Planning and Zoning Committee or County Board.

(14) "Unnecessary hardship" means that circumstance where special conditions, which were not self-created, affect a particular property and make strict conformity with restrictions governing area, setbacks, frontage, height or density unnecessarily burdensome or unreasonable in light of the purposes of this Ordinance.

(15) "Variance" means an authorization granted by the Board of Adjustment to construct or alter a building or structure in a manner that deviates from the dimensional standards of this Ordinance.

(16) "Wetlands" means those areas where water is at, near or above the land surface long enough to be capable of supporting aquatic or hydrophytic vegetation and which have soils indicative of wet conditions.

ORDINANCE NO. 84-11

AN ORDINANCE PROVIDING PROCEDURE FOR THE SALE OF REAL ESTATE OWNED BY PIERCE COUNTY, WISCONSIN

The County Board of Supervisors of the County of Pierce does ordain as follows:

Whenever any Department of Pierce County, Wisconsin, desires to sell real estate which is owned by Pierce County, Wisconsin, and which has a fair market value of at least \$5000.00, the following procedures shall apply:

1. The supervising committee of the Department shall formally make a recommendation to the Finance Committee that the real estate be sold.
2. As soon as practicable after receipt by the Finance Committee of the recommendation of the supervising committee, the Finance Committee shall consider the recommendation of the supervising committee.
3. After consideration by the Finance Committee of the recommendation of the supervising committee, the Finance Committee shall make a recommendation and shall forward its recommendation to the County Board of Supervisors.
4. If the County Board of Supervisors determines that the best course of action is to retain the real estate, no further action shall be taken.
5. If the County Board of Supervisors determines that the best course of action is to sell the real estate, it shall delegate to the Finance Committee the responsibility to execute the following duties:
 - A. Immediately cause the real estate to be appraised by at least two qualified real estate appraisers; and,
 - B. Proceed to offer the real estate for sale, in such manner or manners as the Finance Committee in its sole discretion determines. Such manner or manners of offering the real estate for sale may include advertising the real estate for sale in newspapers and other publications, advertising for the submission of sealed written bids and listing the real estate for sale with a licensed real estate broker.
6. If the Finance Committee receives either an offer to purchase or a written bid for the real estate, which the Finance Committee considers appropriate, the Finance Committee shall then recommend to the County Board of Supervisors by written resolution, that the County Board of Supervisors direct the County Clerk to sell the real estate. The written resolution shall set forth the terms upon which the sale is to be made, and the manner by which the County Clerk is to convey the property.

This ordinance shall be in full force and effect from and after its passage and publication.

RESOLUTION NO. 84-6

TO THE HONORABLE BOARD OF SUPERVISORS
FOR PIERCE COUNTY, WISCONSIN

GENTLEWOMEN AND GENTLEMEN:

WHEREAS, the position of Law Clerk was created on February 22, 1984; and,

WHEREAS, at the time of the creation of the position of Law Clerk, no formal standards by which the Law Clerk is to conduct himself or herself were established; and,

WHEREAS, the Personnel Committee has recommended the establishment of formal standards by which the Law Clerk is to conduct himself or herself; and,

WHEREAS, the Personnel Committee has recommended that such formal standards be set forth in a Code Of Conduct For Law Clerk; and,

SO, NOW, THEREFORE, BE IT RESOLVED, that ADDENDUM III. of the Pierce County Personnel Code is hereby created to read as follows:

CODE OF CONDUCT FOR LAW CLERKS

Section I. A Law Clerk should uphold the integrity and independence of the judiciary and his/her office.

An independent and honorable judiciary is indispensable to justice in our society. A law clerk should observe high standards of conduct so that the integrity and independence of the judiciary may be preserved. The provisions of this Code should be construed and applied to further that objective. The standards of this Code shall not affect or preclude other more stringent standards required by law, by court order, or by direction of the supervising judge.

Section II. A Law Clerk should avoid impropriety and appearance of impropriety in all his/her activities.

A law clerk should not engage in any activities which would put into question the propriety of his/her conduct in carrying out the duties of the office. He/she should not allow his/her family, social, or other relationships to influence his/her official conduct or judgement. He/she should not lend the prestige of his/her office to advance the private interests of others; nor should he/she convey or permit others to convey the impression that they are in a special position to influence him/her.

Section III. A Law Clerk should perform the duties of his/her office impartially and diligently.

The official duties of a law clerk take precedence over all his/her other activities. His/her official duties include all the duties of his office prescribed by law,

and by the Job Description Sheet for the position. In the performance of these duties, the following standards apply:

- A. A law clerk should respect and comply with the law and should conduct himself/herself at all times in a manner that promotes public confidence in the integrity and impartiality of the judiciary and of his/her office.
- B. A law clerk should maintain professional competence in his/her profession. He/she should be dignified, courteous, and fair to all persons with whom he/she deals in his/her official capacity. He/she should diligently discharge the responsibilities of his/her office. He/she should bear in mind his/her obligation to treat fairly and courteously the general public as well as the legal profession.
- C. The relationship between judge and law clerk is essentially a confidential one. A law clerk should abstain from public comment about a pending or impending proceeding in the court in which he/she serves. He/she should never disclose to any person any confidential information received by him/her in the course of his/her duties, nor should he/she employ such information for his/her personal gain. This subsection does not prohibit a law clerk from making public statements in the course of his/her official duties to the extent authorized by the supervising judge.

Section IV. A Law Clerk may engage in activities to improve the law, the legal system, and the administration of justice.

A law clerk, subject to the proper performance of his/her official duties, may engage in the following law-related activities:

- A. He/she may speak, write, lecture, teach, and participate in other activities concerning the law, the legal system, and the administration of justice.
- B. He/she may serve as a member, officer, or director of an organization or governmental agency devoted to the improvement of the law, the legal system, or the administration of justice. He/she may assist such an organization in raising funds and may participate in their management and investment but should not personally participate in public fund-raising activities. He/she may make recommendations to public and private fund granting agencies on projects and programs

concerning the law, the legal profession, and the administration of justice.

Section V. A Law Clerk should regulate his/her extra-official activities to minimize the risk of conflict with his/her official duties.

- A. Avocational activities. A law clerk may write, lecture, teach, and speak on non-legal subjects and engage in the arts, sports, and other social and recreational activities, if such avocational activities do not detract from the dignity of his/her office or interfere with the performance of his/her official duties.
- B. Civic and charitable activities. A law clerk may participate in civic and charitable activities that do not detract from the dignity of his/her office or interfere with the performance of his/her official duties. A law clerk may serve as an officer, director, trustee, or non-legal advisor of an educational, religious, charitable, fraternal, or civic organization and solicit funds for any such organization subject to the following limitations:
 - (1.) He/she should not use or permit the use of the prestige of his/her office in the solicitation of funds.
 - (2.) He/she should not solicit court personnel to contribute to or participate in any civic or charitable activity.
 - (3.) He/she should not solicit funds from lawyers or persons likely to come before the court in which he/she serves.
- C. Financial activities.
 - (1.) A law clerk should refrain from financial and business dealings that tend to detract from the dignity of his/her office, interfere with the proper performance of his/her official duties, exploit his/her position, or involve him/her in frequent transactions with individuals likely to come in contact with him/her or the court in which he/she serves. During his/her clerkship, a law clerk may seek and obtain employment to commence after the completion of his/her clerkship; if any law firm, lawyer, or entity with whom a law clerk has been employed or is seeking or has obtained future employment appears in any matter pending before the

supervising judge, the law clerk should promptly bring this fact to the attention of the supervising judge, and the extent of the law clerk's performance of duties in connection with such matter should be determined by the supervising judge.

- (2.) Neither a law clerk nor a member of his/her family residing in his/her household should accept a gift, bequest, favor, or loan from any person whose interests have come or are likely to come before the court in which he/she serves or from any other person under circumstances that might reasonably be regarded as influencing the performance of his/her official duties.

D. Practice of Law. A law clerk should not practice law. A law clerk should ascertain and observe any limitations imposed by the supervising judge or the court on which the supervising judge serves concerning the practice of law by a former law clerk before the judge or the court.

RESOLUTION AMENDING CHAPTER 8.40 OF THE PIERCE COUNTY CODE

TO THE HONORABLE BOARD OF SUPERVISORS
FOR PIERCE COUNTY, WISCONSIN

GENTLEWOMEN AND GENTLEMEN:

WHEREAS, on August 26, 1975, the Pierce County Board of Supervisors adopted Resolution Number 75-12, which was codified as Chapter 8.40 Alternate Sewage Treatment Project, of the Pierce County Code; and,

WHEREAS, Resolution Number 75-12, as adopted on August 26, 1975, and as codified in Chapter 8.40 Alternate Sewage Treatment Project, of the Pierce County Code, permitted Mounds as an alternate system, but restricted their use by Section 8.40.010 Agreement (F), set forth as follows:

"F. No alternate systems shall be allowed within the boundaries of the proposed Kinnikinnic Park between the city of River Falls and County Trunk F. No alternate system shall be allowed to be installed within 500 feet from any existing recreational area or 500 feet from any potential recreational area and canoe route in accordance with the county outdoor recreational plan of 1971."

WHEREAS, Section ILHR 83.06 of the Wisconsin Administrative Code is now in full force and effect and allows Mounds as an alternate sewage system and further requires Pierce County to adopt an ordinance governing private sewage system which conforms to Chapter ILHR 83 of the Wisconsin Administrative Code, as set forth as follows:

"ILHR 83.06 County administration. (1) PRIVATE SEWAGE SYSTEM ORDINANCE. (a) Adoption of ordinance. Every county shall adopt an ordinance governing private sewage systems which conforms with this chapter. The ordinance shall apply to the entire area of the county."

WHEREAS, Chapter 8.40 Alternate Sewage Treatment Project, of the Pierce County Code, is not now in conformity with Chapter ILHR 83 of the Wisconsin Administrative Code, in that Section 8.40.010 Agreement (F), as set forth above, does not allow the use of Mounds in the entire area of Pierce County, Wisconsin, as required by Section ILHR 83.06 of the Wisconsin Administrative Code.

SO, NOW, THEREFORE, BE IT RESOLVED, That the Pierce County Code is hereby amended by deleting from Chapter 8.40 thereof, Section 8.40.010 Agreement (F), as set forth as follows:

"F. No alternate systems shall be allowed within the boundaries of the proposed Kinnikinnic Park between the city of River Falls and County Trunk F. No alternate system shall be allowed to be installed within 500 feet from any existing recreational area or 500 feet from any potential recreational area and canoe route in accordance with the county outdoor recreational plan of 1971."

WHEREAS, the Wisconsin Supreme Court is considering a proposal to create
Supreme Court Rule 70.35;

WHEREAS, the proposed Supreme Court Rule 70.35 would prohibit any county from
remodeling or constructing new "court facilities" unless the plans for the project
are approved by the Director of State Courts;

WHEREAS, the promulgation of proposed Supreme Court Rule 70.35 will result in
a loss of control by the county of the cost and nature of courthouse remodeling
and construction projects;

SO, NOW, THEREFORE, BE IT RESOLVED, That the Pierce County Board of Supervisors
hereby strongly urges the Wisconsin Supreme Court to decline to promulgate the
proposed Supreme Court Rule 70.35.

SO, NOW, THEREFORE, BE IT FURTHER RESOLVED, That David E. Sorenson, Pierce County
Clerk, is hereby authorized and directed to mail a certified copy of this Resolution
to Marilyn Graves, Clerk, Wisconsin Supreme Court, 231 East, State Capitol, Madison,
Wisconsin 53702.

RESOLUTION NO. 84-37

PURCHASE OF HIGHWAY EQUIPMENT
PIERCE COUNTY

TO THE HONORABLE BOARD OF SUPERVISORS FOR PIERCE COUNTY, WISCONSIN:

GENTLEMEN:

WHEREAS, for the construction and maintenance of highways, including the removal and control of snow and ice, it becomes necessary from time to time to purchase equipment, the nature of and necessity for which cannot be accurately anticipated.

THEREFORE BE IT RESOLVED, that the County Highway Committee is hereby authorized, pursuant to Section 83.015(2) of the Statutes, to purchase without further authority, and to the extent that revolving funds accumulated for such purpose or appropriations made for such purpose are available, such highway equipment as they deem necessary to properly carry on the work, and to trade or sell such old equipment as may be considered to be for the best interests of the County,

PROVIDED that no one complete unit of equipment of a value exceeding Seventy-five thousand and no/100 Dollars (\$75,000.00) shall be purchased without further authority of the County Board.

PROVIDING FOR THE ADVANCE OR TRANSFER
OF CONSTRUCTION FUNDS IN PIERCE COUNTY

TO THE HONORABLE BOARD OF SUPERVISORS FOR PIERCE COUNTY, WISCONSIN:

GENTLEMEN:

WHEREAS, Section 84.03(5), Wisconsin Statutes, provides that the State Highway Commission and County Board, or a County Highway Committee when authorized by the County Board, may agree upon the advance of one or more future years' allotments for such County under Section 84.03(3), to be expended on selected improvements on state trunk highways or connecting streets within such County to the extent so agreed, and

WHEREAS, occasions frequently arise when it is necessary or desirable to provide for the advance, allocation, or transfer of construction funds to or between previously authorized or additionally needed construction improvements on state trunk highways or connecting streets in this County,

THEREFORE, in order to provide for promptly making available the funds necessary for such improvements and to avoid the delay and expense incident to calling a special meeting of this Board for such purpose,

BE IT RESOLVED, that the State Highway Commission be and is hereby petitioned to advance pursuant to Section 84.03(5), Wisconsin Statutes, upon the filing of a request therefor by the County Highway Committee of this County, which said Committee is hereby authorized to file, such sums as may be required and are not otherwise available for any such previously authorized or additionally needed construction improvements in this County, with the understanding that the amounts thus advanced will be deducted from future state allotments for state trunk highway construction in this County under Section 84.03(3) of the Statutes, and

BE IT FURTHER RESOLVED, that the State Highway Commission be and is hereby petitioned, upon the filing of a request therefor by the County Highway Committee of this County, which said Committee is hereby authorized to file, to transfer to or between any such previously authorized or additionally needed construction improvements in this County, any funds allotted by the State under the provisions of Section 84.03(3), Wisconsin Statutes, and previously allocated to any other improvement or remaining unallocated in reserve.

RESOLUTION NO. 84-41

COUNTY AID CONSTRUCTION AND MAINTENANCE
DURING THE CALENDAR YEAR 1985

TO THE HONORABLE BOARD OF SUPERVISORS FOR PIERCE COUNTY, WISCONSIN:

GENTLEMEN:

SECTION I. The County Board of Supervisors of Pierce County, Wisconsin, regularly assembled, does hereby ordain that such funds as may be made available to the County for highway work in the year 1985 under the provisions of Section 20.395 and Chapter 83 of the Statutes, and the additional sums herein appropriated, shall be expended as hereinafter set forth:

SECTION II. COUNTY TRUNK HIGHWAY ALLOTMENT: WHEREAS the Division of Highways has notified the County Clerk that a sum of money estimated to be Five hundred eighty-nine thousand five hundred sixty-two and 45/100 Dollars (\$589,562.45) will become available at the end of the fiscal year under the provisions of Sections 83.10 and 20.395 (1) (qa) & (qb) of the Statutes, for the county trunk highway system in the County, but the actual amount will not be known until the close of the fiscal year ending next June 30th.

BE IT RESOLVED that the County Highway Committee is authorized and directed to expend the said sum to the extent required to match and supplement Federal Aid for construction, right of way, and other costs on any Federal projects located on the county trunk highway system of said County, which are not recovered from Federal funds, and to expend any balance for constructing, repairing, and maintaining such county trunk highway system and the bridges thereon, including snow and ice removal and control, as directed in Section 83.10(1) of the Statutes, and to reimburse the General Fund for any expenditures that may be made therefrom pursuant to Section 83.01(6) of the Statutes.

SECTION III. WHEREAS it appears that certain additional highway improvements in the County are necessary and warranted.

BE IT RESOLVED that the County Board does hereby appropriate the following sums for the purpose hereinafter set forth:

(1) For snow and ice removal on the County Trunk Highway System, the sum of Two hundred thousand and no/100 Dollars (\$200,000.00).

(2) For the Sign Department, the sum of Forty-five thousand and no/100 Dollars (\$45,000.00).

(3) For county trunk highway maintenance (to provide dust settler on construction projects, etc.), the sum of Eight thousand and no/100 Dollars (\$8,000.00).

(4) For administration, including salaries, per diem, officer and travel expense of the County Highway Committee, the County Highway Commissioner, his clerks and assistants not paid from construction or maintenance funds, the sum of One hundred seventeen thousand and no/100 Dollars (\$117,000.00).

(5) For the Engineering Fund and for the purchase of right of way on county trunk highways, the sum of One hundred twenty thousand and no/100 Dollars (\$120,000.00).

Total Authorized in this Section - \$490,000.00.

SECTION IV. WHEREAS appropriations are made herein, in addition to the amounts to be received from the State and available for work in the County under Section 20.395 of the Statutes,

BE IT RESOLVED that the County Board does hereby levy a tax on all of the property in the County to meet such appropriations as follows:

For the various purposes as set forth in Section III hereof the sum of Four hundred ninety thousand and no/100 Dollars (\$490,000.00).

WARNING: It is directed that provision for this levy shall be made in the County budget, but that this levy shall not be duplicated.

SECTION V. WHEREAS the various highway activities for which provision is made in this resolution are continuous from year to year, and the exact cost of any work cannot be known at the time of making the appropriation therefor,

BE IT RESOLVED that this Board does hereby direct that any balance remaining in any appropriation for a specific highway improvement after the same shall have been completed may be used by the County Highway Committee to make up any deficit that may occur in any other improvement, which is part of the same item in the County budget, for which provision is herein made, and any balances remaining at the end of the year in any highway fund shall remain and be available for the same purpose in the ensuing year.

SECTION VI. WHEREAS the exact amount of the funds that will become available from the State for highway purposes in the County under Section 20.395 of the Statutes will not be known until on or after next June 30th.

BE IT RESOLVED that the County Treasurer is hereby authorized and directed to make payments for the purposes for which such funds are to be used, as hereinbefore authorized, from any funds in the County treasury that are not required for the purpose for which appropriated prior to next August 1st, and to reimburse such funds in the County treasury from the sums received under Section 20.395 of the Statutes.

SECTION VII. WHEREAS the County Highway Committee and the County Highway Commissioner are charged with the duty and responsibility of carrying out the construction and maintenance of highways for which provision is made, and other related supervisory and administrative duties,

BE IT RESOLVED that the County Highway Commissioner shall have authority to employ, discharge, suspend, or reinstate such personnel as he deems necessary for such purposes, provided however that the County Highway Committee may by action recorded in its minutes determine the number of persons to be hired and may also at any time by action so recorded order the County Highway Commissioner to employ, discharge, suspend, or reinstate any such person. The term "personnel" or "person" shall include all patrolmen, laborers, foremen, clerks, stenographers, or other employees necessary to carry on such activities.

RESOLUTION 84-54

TO THE HONORABLE PIERCE COUNTY BOARD OF SUPERVISORS:

"A RESOLUTION CONTINUING ACTION BY PIERCE COUNTY REGARDING THE PIERCE COUNTY AREAWIDE SOLID WASTE MANAGEMENT PROGRAM."

WHEREAS, the Pierce County Board, via Resolution 82-19, directed the Planning and Zoning Committee to act as the interim Solid Waste Management Committee; and

WHEREAS, Pierce County has cooperated with St. Croix and Polk Counties in the tri-county Resource Recovery Planning Study, and as part of that study, a concurrent, comparable study was prepared by the consultants, R. W. Beck and Associates, for Pierce County; and

WHEREAS, Pierce County, as a result of comparing the two studies, voted not to participate in a multi-county solid waste management system; and

WHEREAS, the interim Solid Waste Management Committee has further defined short and long range solid waste management programs as presented to the County Board in the report "Pierce County Solid Waste Management Program, Interim Solid Waste Committee Report and Recommendations".

NOW THEREFORE BE IT RESOLVED by the Pierce County Board of Supervisors that it directs the Pierce County Planning and Zoning Committee to be the Pierce County Solid Waste Management Committee; and

BE IT FURTHER RESOLVED that this committee shall implement and coordinate the waste management program as outlined in the report, negotiate as needed to implement such programs as approved by the County Board, and retain support services as needed to implement such programs as approved by the County Board; and

BE IT FURTHER RESOLVED the Solid Waste Committee shall be authorized to utilize Pierce County Accounts # 100-00-54830 (Solid Waste Study), # 100-00-51802 (Solid Waste), and # 100-00-51803 (Solid Waste Feasibility Study), or others as deemed necessary by the Solid Waste Committee and Finance Committee, to implement and coordinate such programs approved by the County Board; and

BE IT FURTHER RESOLVED that work commence on application for grants available from the DNR and others, to be used for applicable planning and implementation activities, as soon as practical.

This Resolution is respectfully submitted and recommended for approval by the interim Solid Waste Management Committee of Pierce County on this 18th day of December, 1984.

David Sorenson, Pierce County Clerk

PIERCE COUNTY BOARD OF SUPERVISORS SUPPORT FOR THE NATIONAL CONSERVATION PROGRAM

TO: The Honorable Board of Pierce County Supervisors

WHEREAS, President Reagan's Budget Proposals for Fiscal Year 1986 requests total elimination of the following programs in the U.S.D.A., Soil Conservation Service:

1. Small Watershed Protection and Flood Prevention Program - Eliminates technical and financial assistance such as has been provided in the past to Bay City and Plum Creek Watersheds, and is presently being provided to Maiden Rock Coulee Watershed.
2. Resources Conservation and Development Program - Eliminates technical and financial assistance such as was recently provided to the Village of Spring Valley to reduce erosion, flooding and sediment problems in the Village.
3. River Basin Surveys - Eliminates the Loess Hills Project in the Isabelle Watershed to determine the effects of soil erosion on crop yields. It will also eliminate all Flood Hazard Studies carried out by the Soil Conservation Service, such as have been completed in the past for the Cities of River Falls and Prescott, the Villages of Bay City and Spring Valley, and for all of the unincorporated communities of Pierce County.
4. Resource Appraisal and Program Development - Eliminates studies and pilot programs of U.S.D.A. to determine better methods to carry out the National Conservation Program. One very promising experimental project presently being funded under this program is the Conservation Credit Program in Pepin County.
5. Inventory and Monitoring - Eliminates the review each five years of 4% (99-160 acre sample plots) of Pierce County to provide national updates in land use changes, cropping patterns, soil erosion conditions, etc.
6. Snow and Water Forecasting - Eliminates this western state program of forecasting available snow melt for irrigation purposes.
7. Great Plains Program - Eliminates this conservation cost-share program available to farmers and ranchers in western states to reduce soil erosion and improve water use efficiency.

AND WHEREAS, the Budget Proposals would leave only three remaining program authorities with a budget of approximately \$200 million, and 5000 employees.

The programs are as follows:

1. Conservation Operations - This program provides the majority of funds for technical assistance to landowners in Pierce County. It is proposed to be reduced by 42%.
2. Soil Surveys - This program provides for completion of county soil surveys throughout the U.S. Pierce County Soil Survey was printed in 1968, however consideration is underway to update the Pierce County Soil Survey. The proposed reduction in this program is 33%.
3. Plant Materials Centers - These centers carry out research and develop new planting stock for conservation purposes. Much of the planting stock for controlling wind erosion on sands and muck farms were developed at these centers as was Birdsfoot Trefoil and Emerald Crownvetch.

AND WHEREAS, the support of the Soil Conservation Service to Pierce County consists of the following:

1. Technical Assistance - approximately \$130,000 annually.
2. Financial Assistance for Maiden Rock Watershed under the Small Watershed Protection and Flood Prevention Program -
 - 1982 - \$11,483
 - 1983 - \$51,336
 - 1984 - \$23,816
 - 1985 - \$80,000 (Estimated)
3. Financial Assistance for Spring Valley Watershed under the Resource Conservation and Development Program -
 - 1982 - \$45,679
 - 1983 - \$47,020
 - 1984 - \$21,683

AND WHEREAS, Pierce County has demonstrated a willingness to be a full partner in the Soil Conservation Program by supplementing federal resources as follows:

1. Provide an annual operating budget of \$94,000 to employ 3 full-time staff, purchase needed supplies and equipment and carry out an information and education program.
2. Provide for an annual conservation cost-share program of \$50,000.
3. Provide financial support for various watershed projects over the years -
 - Bay City Watershed - \$41,480, plus annual maintenance funds
 - Plum Creek Watershed - \$149,347, plus annual maintenance funds
 - Maiden Rock Coulee Watershed - \$72,008 to date, plus annual maintenance funds
 - Spring Valley Watershed - \$18,540

AND WHEREAS, local communities and landowners have also been willing cooperators in the Pierce County Conservation Program as follows:

1. Bay City Watershed local financial support exceeded \$10,000 in addition to providing maintenance funds since completion.
2. Plum Creek Watershed local financial support totaled \$86,300.
3. Local financial support for Maiden Rock Watershed has been \$18,182 to date.
4. Local financial support for Spring Valley Watershed Project was \$19,587, plus project maintenance costs.
5. Support from individual landowners since formation of Pierce County Soil Conservation District on May 8, 1940, has resulted in 660 cooperators with 114,000 acres of conservation plans. These individuals have marked out 60,340 acres of contouring and contour strips, installed 314 dams, and over 100 toewalls, drop spillways, and tile outlet structures for gully and flood control, with technical assistance from Soil Conservation Service personnel. Countless other soil conservation practices such as grassed waterways, terraces, diversions, rip-rap, conservation tillage and ag. waste management systems have also been applied.

AND WHEREAS, the Agricultural Conservation Program, administered by the Agricultural Stabilization and Conservation Service is proposed to be eliminated, and has provided conservation practice cost-sharing incentives to Pierce County landowners since its inception in the 1950's; and in the following amounts in recent years:

- 1982 - \$73,546
- 1983 - \$66,133
- 1984 - \$82,687

AND WHEREAS, the Pierce County Land Conservation Department has recently determined average cropland erosion in Pierce County to be 6.74 tons per acre per year (nearly twice which is tolerable to maintain long-term soil productivity)

AND WHEREAS, the reduction to Pierce County residents will be approximately \$250,000 annually in Federal Soil Conservation Funds to control erosion and reduce flooding if the President's 1986 budget is adopted.

NOW THEREFORE BE IT RESOLVED, that the Pierce County Board of Supervisors recognizing 1) the fragile nature of the soil itself which supports all life and, 2) the effects of flooding to local people and, 3) the importance of non-polluted surface and groundwater; continue our strong support of Soil and Water Conservation Programs for the benefit of all present and future citizens of Pierce County,

AND THEREFORE, we deplore the following proposed reductions in the budget of the Soil Conservation Service, who for 50 years has been quietly and efficiently assisting landowners across the United States to plan and apply conservation practices,

<u>1985 Budget</u>	<u>1986 Proposal</u>	<u>Reduction</u>	<u>% Reduction</u>
14,300 Personnel	5000 Personnel	9300 Personnel	65%
\$610 Million	\$200 Million	\$410 Million	67%

and we further deplore the deception to the public, by showing the budget reduction to be only approximately 25% by including in the budget \$253 million to be used for administration costs, severance pay, etc. to reduce and terminate operations,

and we further deplore the proposed elimination of the Agricultural Conservation Program.

AND THEREFORE BE IT FURTHER RESOLVED, that copies of this resolution be sent to:

WHEREAS, Resolution No. 80-27 created a Planning Department for Pierce County, and

WHEREAS, Resolution No. 80-27 created a half-time planner position, of which his duties were assigned as follows: Implementation of land use plans, outdoor recreation plans, solid waste management plans, and other planning studies,

WHEREAS, the Planner has been involved with solid waste planning for approximately five years, and

WHEREAS, Resolution No. 84-54 created a Solid Waste Management Committee to develop and implement a solid waste program.

WHEREAS, the Solid Waste Program is extremely broad and complex, and requires extensive research and follow up action, that would be impossible without a full-time staff person, and,

WHEREAS, a full-time County Planner is essential for coordination and continuity of the Solid Waste Program.

SO, NOW, THEREFORE, BE IT RESOLVED, that the Pierce County Board of Supervisors create a full-time County Planner and transfer \$ 7700.00 from General Funds to the County Planner account 51800 through December 31, 1985.

SO, NOW, THEREFORE, BE IT RESOLVED, that the planner position be continued on a full-time basis after March 31, 1985.
