AN ORDINANCE GOVERNING THE MAINTENANCE AND DESTRUCTION  
OF AND ACCESS TO COUNTY RECORDS

The County Board of Supervisors of the County of Pierce does ordain as follows:

(1) Definitions.

(a) "Authority" means any of the following having custody of a record: an office, elected official, agency, board, commission, committee, council, department or public body corporate and politic created by constitution, law, ordinance, rule or order; or a formally constituted subunit of the foregoing.

(b) "Record" means any material on which written, drawn, printed, spoken, visual or electromagnetic information is recorded or preserved, regardless of physical form or characteristics, which has been created or is being kept by an authority. "Record" includes, but is not limited to, handwritten, typed or printed pages, maps, charts, photographs, films, recordings, tapes (including computer tapes), and computer printouts. "Record" does not include drafts, notes, preliminary computations and like materials prepared for the originator's personal use or prepared by the originator in the name of a person for whom the originator is working; materials which are purely the personal property of the custodian and have no relation to his or her office; materials to which access is limited by copyright, patent or bequest; and published materials in the possession of an authority other than a public library which are available for sale, or which are available for inspection at a public library.

(c) "Requester" means any person who requests inspection or copies of a record.

(2) Legal Custodians.

(a) An elected official is the legal custodian of his or her records and the records of his or her office, but the official may designate an employee of his or her staff to act as the legal custodian.

(b) Unless otherwise prohibited by law, the county clerk or the clerk's designee shall act as legal custodian for the county board and for any committees, commissions, boards, or authorities created by ordinance or resolution of the county board.

(c) For every authority not specified in subs. (a) or (b), the authority's chief administrative officer is the legal custodian for the authority, but the officer may designate an employee of his or her staff to act as the legal custodian.

(d) Each legal custodian shall name a person to act as legal custodian in his or her absence or the absence of his or her designee. This subsection does not apply to members of the county board.

(e) The designation of a legal custodian does not affect the powers and duties of an authority under this subchapter.

(3) Public Access To Records; Fees.

(a) Except as provided in sub. (6), any person has a right to inspect a record and to make or receive a copy of any record as provided in sec. 19.35(1), Wisconsin Statutes.

(b) Records will be available for inspection and copying during all regular office hours.

(c) If regular office hours are not maintained at the location where records are kept, the records will be available for inspection and copying upon at least 48 hours' advance notice of intent to inspect or copy.

(d) Each authority shall provide any person who is authorized to inspect or copy a record which appears in written form pursuant to sec. 19.35(1)(b), Wisconsin Statutes or any person who is authorized to and requests permission to photograph a record the form of which does not permit copying pursuant to sec. 19.35(1)(f), Wisconsin Statutes, with facilities comparable to those used by its employees to inspect, copy, and abstract the record during established office hours. An authority is not required by this subsection to purchase or lease photocopying, duplicating, photographic, or other equipment or to provide a separate room for the inspection, copying or abstracting of records.

(e) The legal custodian may require supervision during inspection or may impose other reasonable restrictions on the manner of access to an original record if the record is irreplaceable or easily damaged.

(f) Each authority shall impose a fee upon the requester of a copy of a record which may not exceed the actual, necessary and direct cost of reproduction and transcription of the record, unless a fee is otherwise specifically established or authorized to be established by the law. Subject to the limitations of the preceding sentence, the cost of photocopying shall be \$ .20 per page. Said cost has been calculated not to exceed the actual, necessary and direct cost of reproduction.

(g) Each authority shall impose a fee upon the requester of a copy of a record for the actual, necessary and direct cost of photographing and photographic processing if the authority provides a photograph of a record, the form of which does not permit copying.

(h) Except as otherwise provided by law or as authorized to be prescribed by law, an authority shall impose a fee upon a requester for locating a record, not exceeding the actual, necessary and direct cost of location, if the cost is \$50 or more.

(i) Each authority shall impose a fee upon a requester for the actual, necessary and direct cost of mailing or shipping of any copy or photograph of a record which is mailed or shipped to the requester.

(j) An authority may provide copies of a record without charge or at a reduced charge where the authority determines that waiver or reduction of the fee is in the public interest.

(k) Each authority shall require prepayment by a requester of any fee or fees imposed under this subsection if the total amount exceeds \$5.

(1) Pursuant to sec. 19.34, Wisconsin Statutes, and the guidelines therein listed, each authority shall adopt, prominently display and make available for inspection and copying at its offices, for the guidance of the public, a notice containing a description of its organization and the established times and places at which, the legal custodian from whom, and the methods whereby, the public may obtain information and access to records in its custody, make requests for records, or obtain copies of records, and the costs thereof. Each authority shall also prominently display at its offices, for the guidance of the public, a copy of this ordinance. This subsection does not apply to members of the county board.

(4) Access Procedures.

(a) A request to inspect or copy a record shall be made to the legal custodian. A request shall be deemed sufficient if it reasonably describes the requested record or the information requested. However, a request for a record without a reasonable limitation as to subject matter or length of time represented by the record does not constitute a sufficient request. A request may be made orally, but a request must be in writing before an action to enforce the request is commenced under sec. 19.37, Wisconsin Statutes. Except as provided below, no request may be refused because the person making the request is unwilling to be identified or to state the purpose of the request. No request may be refused because the request is received by mail, unless prepayment of a fee is required under sub. (3) (k). A requester may be required to show acceptable identification whenever the requested record is kept at a private residence or whenever security reasons or federal law or regulations so require.

(b) Each authority, upon request for any record, shall, as soon as practicable and without delay, either fill the request or notify the requester of the authority's determination to deny the request in whole or in part and the reasons therefor. If the legal custodian, after conferring with the County Corporation Counsel, determines that a written request is so general as to be unduly time consuming, the party making the request may first be required to itemize his or her request in a manner which would permit reasonable compliance.

(c) A request for a record may be denied as provided in sub. (5). If a request is made orally, the request may be denied orally unless a demand for a written statement of the reasons denying the request is made by the requester within five business days of the oral denial. If a written request is denied in whole or in part, the requester shall receive a written statement of the reasons for denying the request. Every written denial of a request shall inform the requester that if the request for the record was made in writing, then the determination is subject to review by mandamus under sec. 19.37(1), Wisconsin Statutes, or upon application to the attorney general or a district attorney.

(5) Limitations on Right To Access.

(a) As provided by sec. 19.36, Wisconsin Statutes, the following records are exempt from inspection under this section:

(1) Records specifically exempted from disclosure by state or federal law or authorized to be exempted from disclosure by state law;

(2) Any record relating to investigative information obtained for law enforcement purposes if federal law or regulations require exemption from disclosure of if exemption from disclosure is a condition to receipt of aids by the state;

(3) Computer programs, although the material used as input for a computer program or the material produced as a product of the computer program is subject to the right of examination and copying, except as otherwise provided by sec. 19.35(1), Wisconsin Statutes, or this ordinance;

(4) A record or any portion of a record containing information qualifying as a common law trade secret.

(b) As provided by sec. 43.30, Wisconsin Statutes, public library circulation records are exempt from inspection under this section.

(c) In responding to a request for inspection or copying of a record which is not specifically exempt from disclosure, the legal custodian, after conferring with the County Corporation Counsel, may deny the request, in whole or in part, only if

he or she determines that the harm to the public interest resulting from disclosure would outweigh the public interest in full access to the requested record. Examples of matters for which disclosure may be refused include, but are not limited to, the following:

(1) Records obtained under official pledges of confidentiality which were necessary and given in order to obtain the information contained in them.

(2) Records of current deliberations after a judicial or quasi-judicial trial or hearing.

(3) Records of current deliberations concerning employment, dismissal, promotion, demotion, compensation, performance, or discipline of any county officer or employee, or the investigation of charges against a county officer or employee, unless such officer or employee consents to such disclosure.

(4) Records concerning current strategy for crime detection or prevention.

(5) Records of current deliberations or negotiations on the purchase of county property, investing of county funds, or other county business whenever competitive or bargaining reasons require nondisclosure.

ORDINANCE PROHIBITING LOITERING

ORDINANCE NO. 82-12

The County Board of Supervisors of Pierce County, Wisconsin does ordain as follows:

Section I. Loitering Or Prowling Prohibited, Generally.

No person shall loiter or prowl in a place, at a time or in a manner not usual for law-abiding individuals under circumstances that warrant alarm for the safety of persons or property in the vicinity. Among the circumstances which may be considered in determining whether such alarm is warranted is the fact that the person takes flight upon appearance of a police or peace officer, refuses to identify himself or manifestly endeavors to conceal himself or any object. Unless flight by the person or other circumstances makes it impracticable, a police or peace officer shall, prior to any arrest for an offense under this subsection, afford the person an opportunity to dispel any alarm which would otherwise be warranted by requesting him to identify himself and explain his presence and conduct. No person shall be convicted of an offense under this subsection if the police or peace officer did not comply with the preceding sentence or if it appears at trial that the explanation given by the person was true and, if believed by the police or peace officer at the time, would have dispelled the alarm.

Section II. Obstruction Of Traffic By Loitering.

No person shall loiter upon the public streets, alleys, sidewalks, street crossings or bridges or in any other public place within the County in such manner as to prevent, interfere with or obstruct the ordinary free use of such public streets, alleys, sidewalks, street crossings or bridges or other public places by persons passing along and over the same. It shall be an offense under this subsection for a person to refuse to discontinue such loitering after a request to do so by a police officer.

Section III. Obstruction Of Entryways By Loitering.

No person shall loiter upon the public streets, private driveways or sidewalks or in adjacent doorways or entrances so as to obstruct the free entry of persons to the adjacent property, driveways, or other entrances to such property. It shall be an offense under this subsection for a person to refuse to discontinue such loitering after being requested to do so by a police officer.

Section IV. Loitering In Places Of Public Assembly Or Use.

No person shall by loitering interfere with the free use of any place of public assembly or public use by others using such place of public assembly. It shall be an offense under this subsection for a person to refuse to discontinue such loitering after a request to do so by a police officer or by the person in charge of the place of public assembly.

Section V. Loitering On Private Premises Without Invitation.

No person shall loiter on private premises without invitation from the owner or occupant. It shall be an offense under this subsection for a person to refuse to discontinue such loitering after being requested to do so by a police officer or by the owner or occupant.

ORDINANCE PROHIBITING ABANDONMENT OF VEHICLES

ORDINANCE NO. 82-13

The County Board of Supervisors of Pierce County, Wisconsin does ordain as follows:

Section I. Vehicle abandonment prohibited.

No person shall leave unattended any motor vehicle, trailer, semitrailer or mobile home on any public highway or private or public property, for such time and under such circumstances as to cause the vehicle to reasonably appear to have been abandoned. Whenever any such vehicle has been left unattended on any highway or on any public or private property within the County of Pierce without the permission of the owner for more than 48 hours, the vehicle is deemed abandoned and constitutes a public nuisance.

Section II. Vehicle not considered abandoned.

A motor vehicle shall not be considered an abandoned motor vehicle when it is out of ordinary public view, or when designated as not abandoned by the Sheriff of the County of Pierce or his or her authorized representative.

Section III. Removal and impoundment of abandoned vehicles.

Any vehicle in violation of this ordinance shall be impounded until lawfully claimed or disposed of under Section IV; except that if it is deemed by the Sheriff of the County of Pierce or his or her authorized representative that the cost of towing and storage charges for the impoundment would exceed the value of the vehicle, the vehicle may be disposed of by the County of Pierce by direct sale to a licensed salvage dealer, by sealed bid sale, or by auction sale, prior to expiration of the impoundment period upon determination by the Sheriff of the County of Pierce that the vehicle is not stolen or otherwise wanted for evidence or other reason. All substantially complete vehicles in excess of 19 model years of age shall be disposed of in accordance with Section IV.

Section IV. Disposal of abandoned vehicles.

Any vehicle which is deemed abandoned by the Sheriff of the County of Pierce or his or her authorized representative and not disposed of under Section III shall be retained in storage for a minimum period of 10 days after certified mail notice has been sent to the owner and lienholders of record to permit reclamation of the vehicle after payment of accrued charges. Such notice shall set forth the year, make, model, and serial number of the abandoned motor vehicle, the place where the vehicle is being

held, and shall inform the owner and any lienholders of their right to reclaim the vehicle. The notice shall state that the failure of the owner or lienholders to exercise their rights to reclaim the vehicle under this ordinance shall be deemed a waiver of all right, title, and interest in the vehicle and a consent to the sale of the vehicle. Each retained vehicle not reclaimed by its owner or lienholder may be sold.

The County of Pierce shall dispose of the vehicle by sealed bid sale, or by auction sale. At such sale the highest bid for any such motor vehicle shall be accepted unless the same is deemed inadequate by the Sheriff of the County of Pierce or his or her authorized representative, in which event all bids may be rejected. If all bids are rejected or no bid is received, the County of Pierce may either readvertise the sale, adjourn the sale to a definite date, sell the motor vehicle at a private sale or sell the motor vehicle by direct sale to a licensed salvage dealer. Any interested person may offer bids on each abandoned vehicle to be sold.

The Sheriff of the County of Pierce, or his or her authorized representative shall advertise each such sale by posting a public notice of each such sale at the office of the Sheriff of the County of Pierce. The Sheriff of the County of Pierce, or his or her authorized representative, shall provide public notice of each such sale by posting a public notice of each such sale at the office of the Sheriff of the County of Pierce. The posting of the notice at the office of the Sheriff of the County of Pierce shall be in the same form as the certified mail notice sent to the owner or lienholders of record.

Upon the sale of an abandoned vehicle, the County of Pierce shall supply the purchaser with a completed form designed by the State Department of Transportation, Division of Motor Vehicles, enabling the purchaser to obtain a regular certificate of title for the vehicle. The purchaser shall have 10 days to remove the vehicle from the storage area, but shall pay a reasonable storage fee established by the County of Pierce for each day the vehicle remains in storage after the 2nd business day subsequent to the sale date. Ten days after the sale, the purchaser shall forfeit all interest in the vehicle and the vehicle shall be deemed to be abandoned and may be sold again.

Any listing of vehicles to be sold by the County of Pierce shall be made available to any interested person or organization which makes a written request for such list. The County of Pierce shall charge a fee of \$5.00 for the list.

Section V. Owner responsible for impoundment and sale costs.

The owner of any abandoned vehicle, except a stolen vehicle, is responsible for

the abandonment and all costs of impounding and disposing of the vehicle, provided no such costs shall be imposed without notice thereof to the owner and an opportunity for the owner to be heard thereon. Costs not recovered by the sale of the vehicle may be recovered in a civil action by the County of Pierce against the owner. Whether or not the County of Pierce recovers the cost of towing and enforcement, the County of Pierce shall be responsible to the towing service for requisitional towing service and reasonable charges for impoundment.

Section VI. County to advise the State Department of Transportation, Division of Motor Vehicles.

Within 5 days after the sale or disposal of a vehicle as provided in Section III or Section IV of this ordinance, the County of Pierce shall advise the State Department of Transportation, Division of Motor Vehicles, of the sale or disposition on a form supplied by the State Department of Transportation, Division of Motor Vehicles.

Section VII. Disposition of proceeds of sale.

After deducting the expenses of towing, impoundment and sale, the balance of the proceeds, if any, shall be paid into the County treasury.

Section VIII. Penalty.

Any person who violates this ordinance shall, upon conviction, be subject to a forfeiture of not more than \$300 together with the costs of prosecution and penalty assessment; and in default of payment of such forfeiture and costs, shall be subject to imprisonment in the County Jail until such forfeiture and costs be paid, but not to exceed 30 days.

Section IX.
