

Town Board Meeting

The meeting was called to order at 7:08pm.

Joe made a motion to approve December 1, 2020 meeting minutes, seconded by LeRoy.
Motion carried.

Public Comment:

Joe talked about the light on the Town Hall building, switching to a motion sensor light from a dust to dawn light. Resident mentioned maybe putting light on the back of the building vs the side to help with light shining on house across the street from the Town Hall. Joe made a request to get a bit from an electrician.

Joe also brought up adding internet services to the Town Hall, also adding a screen for pulling up maps for meetings. Something to think about in the next few months.
