There should be commercial zoning for the bar area and volleyball court area, the rest of the property including the red utility building should remain residential. The Town Board would also like to see the neighboring property zoned back to residential.

The following are minutes of the meeting on Tuesday, March 30, 2021, in the Conference Room of the Perce County Highway Department at 8:45 AM. Those in attendance:

1. Chad Johnson, Commissioner Pierce County Highway
2. Elliott Check, Superintendent Pierce County Highway
3. Dennis Potts, Chairman Town of Isabelle
4. Ron Bartels, Supervisor Town of Isabelle
5. Charlie Brown, Supervisor Town of Isabelle

The purpose of the meeting was to discuss and schedule the various road projects in the Town of Isabelle.

The first project involved the asphalt overlay (blade patch) of 715th Street (0.28 miles). Mr. Check estimated the installed cost at \$19,000 to \$21,000 based upon 2020 asphalt pricing. Elliott expects an additional cost of at least \$1,500 to blend in the new asphalt with existing asphalt home driveways.

The second project involved blade patching (asphalt overlay) of 560th street (0.36 miles). Elliott estimated that cost at \$21,000-\$22,000.

The third project involved blade patching (asphalt overlay) 136th Avenue and the short asphalt portion of 530th Street at a cost of \$42,000-\$44,000 (0.58 miles).

The asphalt plant plans to mix the special blade patch/overlay material two times during 2021 (the week of May 10th and the week of August 2nd).

Mr. Johnson stated that all three projects could be completed in one day. He felt that the results were somewhat better if such asphalt work is performed in August. He projected the life of such projects at roughly 10 years.

The Town of Isabelle committed to having the Highway Department complete all three projects. The Pierce County Highway Department committed to schedule all three projects for the week of August 2nd.

Chad will send a letter to all residences on 715th Street explaining the work to be done and its impact on traffic on that street during the day and potentially the preceding day. Chad requested a list of all residences and their addresses on 715th Street.

Elliott will advise of 2021 asphalt pricing as soon as he receives same from the asphalt plant.

Addendum to meeting minutes:

Elliott Check updated pricing today, 4/20/2021, as follows:

1. \$19,775
2. \$21,595
3. \$43,190

The Town of Isabelle is committed to \$84,560 with the potential addition of \$1,500 for blending in driveways.
