

# TOURIST ORIENTED DIRECTIONAL SIGN (TODS) APPLICATION/PERMIT (continued)

Wisconsin Department of Transportation DT1864

## PROPOSED SIGN LOCATION INSTRUCTIONS:

1. Label the intersecting roads.
2. Place an arrow in the circle pointing to the North.
3. Check (X) one or two of the boxes  corresponding to the proposed sign location(s). TODS are only permitted on U.S. or State Highways. They must direct motorists to businesses/services/activities that are located on County Highways or Town Roads.
4. Place an O (circle) at the approximate location of your business.
5. Write the name of the county in the lower left corner.
6. Write in any additional details or comments that would be helpful in determining the proposed sign location. (Optional)

The diagram shows a four-way intersection of roads. Each road has a 'Road Name' label box. There are four small square boxes at the corners of the intersection, each with a checkbox. A larger circle labeled 'NORTH ARROW' is positioned in the upper right quadrant. A 'County' label box is located in the lower left quadrant. A 'Road Name' label box is also located at the bottom center of the intersection.

## CERTIFICATION:

I, the applicant, certify that the statements contained on this application/permit are true and correct, and that the business identified is conducted in conformity to all laws applicable to nondiscrimination, and that discrimination is not exercised in regard to race, religion, color, sex, sexual orientation, or national origin. I understand that in addition to the attached administration fee, I am responsible for the manufacturing and installation costs for the proposed sign(s). I understand that this permit is revocable, and that it is subject to renewal every five years. I further understand that if my business is a seasonal operation, I am responsible for notifying the county prior to closing and re-opening, and that a "CLOSED" plaque will be placed on my sign when my business is closed for the season.
