GUIDELINES FOR PREPARING ANNUAL ACCOUNTS

COMPLY WITH THE FOLLOWING:

1. Read the instructions on the „Notice to Make Annual Filing“ form.
2. Page 2 of the account, Schedule B: Categorize personal expenses (example: clothing, medical, etc.); **do not** use “miscellaneous” to explain expenses.
3. Page 3 of the account, verification of assets: An official from a financial institution (indicate title and name of bank), an investment representative, or the Register in Probate office must verify the balance of the assets on hand as of the end of the year- OR- copies of documents must be attached showing the balances as of **December 31**.
4. Sign the account in front of a notary public.
5. Check your math on all pages; the account must balance.
6. **FILE THE ACCOUNT PRIOR TO APRIL 15**; This is a statutory requirement.

THE ACCOUNT WILL BE RETURNED FOR CORRECTION IF:

1. The verification of assets is not correct. A notary public **can not** verify the assets; the guardian **can not** verify the assets; see #3 above.
2. The account is not signed and/or notarized.
3. The account does not balance.
4. The attachments for the verification of the assets (copies of bank or investment account statements showing the **December 31** balance) are not enclosed.
5. The court requests clarification on any other item or issue.

NOTE: The Register in Probate office **cannot** complete the account for you.

ALL ANNUAL ACCOUNTS ARE DUE PRIOR TO APRIL 15
